Criteria to receive the award includes being a resident of the community of Weatherby Lake, engage in activity as a volunteer which results in improving the quality of life at Weatherby Lake, serves as an inspiration of the value of community service, and seeks to improve the community which is sufficient reward

In every community, there is work to do be done.

In every nation, there are wounds to heal.

In every heart, there is the power to do it.

From the Editor

There are many thoughts and ways that each of us approach the holidays. Certainly, most of us are not as calm as we would like to be and sometimes miss out on opportunities to find that peace we long for. It can be as simple as letting a song enter our heart or find meaning in a brief quote. When I find myself coming to the end of another year and searching for that special message, I seem to always be drawn back to the same source....the wonderful song of "Auld Lang Syne" and the presentation that I am sharing here again. I know many of you will remember it from previous year's endings, but until something gives me a better message, I am called to share it with you, again.

<https://www.youtube.com/watch?v=GxSqMbsHeJ8>

Also, a well known song, "You'll Never Walk Alone", delivers a deep and inspirational message to me, so I have added those lyrics, as well. These two powerful messages offer us strength and hope as we turn the page to a new year. My prayer for you and me is that we step into 2020 with a renewed goodness and kindness that we freely share with the world, beginning with our own Weatherby Lake community.

"The New Year lies before you like a spotless tract of snow. Be careful how you tread on it, for every mark will show."

*"YOU'LL NEVER WALK ALONE"
When you walk through the storm,
hold your head up high.
And, don't be afraid of the dark.
At the end of the storm is a golden sky
and the sweet silver song of the lark.*

*Walk on through the wind
Walk on through the rain.
Though your dreams be tossed and blown.*

*Walk on, walk on, with hope in your heart
and you'll never walk alone
You'll never walk alone.*

*Peace & Goodwill -
Pat Medill*

Mayor's Comments

Holiday Greetings from your City Hall!

On behalf of all of our outstanding City Staff and Board of Aldermen, best of holiday wishes for all residents and loved ones. May 2020 bring nothing but good health and happiness to us all!

As Chief Davis mentions in his column, our Police Department is participating in the Platte County Sheriff's 'Shop with a Cop' on Saturday, December 7th. Checks and cash are being accepted at City Hall.

Mark your calendars now for our annual St Patrick's Day festivities scheduled for March 14th, 2020. Sponsored by our very active Irish American Club, these festivities are a benefit for our fine Weatherby Lake Police Department.

As I have mentioned previously, if you observe anything but safe driving as you travel through the intersection of Eastside Drive and Barry Road, please, please pay close attention to any dangerous event and call the Kansas City, MO --311-- hotline and report the incident to them. The more negative calls they get on this intersection increases the chance that KCMO will do something to correct what we all agree is the potential for a very dangerous environment..

The Public Works department has completed street patch work for the year, including the Community Center parking lot. We have purchased a fourth salt spreader so we can now plow and spread salt with all four of our city trucks. George has ordered 300 tons of salt for this year and our salt bin is now full with 200 tons. Each snow / ice event requires between 20-35 tons of salt. Here's hoping we don't use much this season!!

The emergency alternative water connection with Water District #6 is in the final stages of legal work and we anticipate being ready to start construction this next Spring. The Westside Lift Station property issue is still grinding through protracted legalities by Kansas City Water Services. It has taken two separate appeals by me to KCMO Mayor Quinton Lucas to 'kick start' the process.

The Weatherby Municipal Separate Storm Sewer System (MS4) Committee consists of city members Armand Matthews, Beth Moraitis, Tim Vlamis, Emily Hansen and Alderman Don Hoy. Their purpose is to educate citizens and monitor the quality of storm water entering and exiting our lake. The committee encourages the use of fertilizers that reduce the phosphate and nitrogen runoff into the lake and reminds citizens to pickup after their pets. There is a free key chain pet bag dispenser available for folks to pickup at City Hall.

REMINDER: Christmas and New Years Day will cause trash and recycle pickups to be on the following Saturday!

I would like to take this opportunity to introduce our new full time Officer, Terrence Brown. Officer Brown was hired on October 10th, 2019. Officer Brown graduated from the Kansas City Kansas Police Academy and is a veteran of the U.S. Air Force. Officer Brown has worked for the Kansas Department of Juvenile Justice and Kansas Department of Corrections. Officer Brown continued his career as a Police Officer with the Orrick, Missouri and Northmoor,

Missouri Police Departments. Just prior to his hire date Officer Brown worked as a Missouri State Deputy Marshall assigned to courtroom security. Officer Brown has completed field training with Assistant Chief Hachman and has been assigned a full time duty shift. Please welcome Officer Brown to our community!!!!!!

As the winter season is upon us it is important to remember that warming vehicles parked outdoors should only be done with the operator present with the vehicle. If the operator leaves the vehicle unattended with the engine running all the vehicles door(s) **should be secure**.

As many people travel for the holiday season I would suggest residents utilize the Online residence check form located on the city's web page <http://www.cityofweatherbylake-mo.gov>.

To be notified of inclement weather conditions, roadway closings or power outages, I would encourage you to sign up for Nixle notifications. The Nixle link is located on the bottom of the City of Weatherby Lake web page <http://www.cityofweatherbylake-mo.gov>. Click on the Nixle logo to begin sign up for the notifications.

The City of Weatherby Lake Police Department will be participating in the 23rd Annual, "Shop with a Cop/Deputy" sponsored by the Platte County Sheriff's Office on **December 7th, 2019** at the Barry Road Walmart. The Weatherby Lake Police Department will be accepting cash or check donations to fund the holiday shopping for underprivileged children that reside in Platte County. Donations can be dropped off at City Hall. Please make your checks out to: **Platte Co. Sheriff's Children's Trust**. In 2018, the city raised \$2,020.00 to assist with this worthy program.

The Weatherby Lake Improvement Company has reminded me that no person should walk onto lake ice alone.

The Weatherby Lake Police Department wishes everyone to have a happy and safe holiday season!!!!!!

WLIC Update

Happy Holidays from the WLIC! We are ready for our "long winter's nap". C Point and the Access Areas have been winterized. The ice recovery equipment is being prepped and will be stationed at the corner of the property at 10208 NW 73rd Terr., similarly to last year.

The WLIC Annual Meeting was held on November 12th with approximately 200 in attendance. Two new directors, James Miller & Bryan Ballard, and two returning directors, Steve Ogden and Rick Neece were elected to three-year terms. The results of the Member Survey on the property at 10208 NW 73rd Ter. were presented with the greenspace option being overwhelmingly favored by those taking the survey. Presentations by our dam engineers, related to the utilization of the property and the results of their lake bottom survey which tracks the buildup of lake siltation over time was also presented at the meeting. A highlight of the meeting was the presentation of the Joseph A. Sherman Award to our own Dale Kinne for his volunteer efforts at the Lake.

The new Board held their first meeting the following week on Tuesday, November 19. At that meeting, the following slate of officers was elected for the year 2020.

- President: Rick Neece
- Vice President: Dale Kinne
- Treasurer: Tom Henke
- Secretary: Don Coleman II

Please have your 3rd and 4th graders sign up now. It's free and a lunch-and-learn will be provided.

Finally, the WLIC hopes that all its Members have a safe and productive winter season. Stay warm and we'll see you in the spring.

Greetings in this wonderful season of Blessings, Festivities and Family! Have a Merry Season!

As we end our year of gardening outdoors, we can certainly be aware of the care that our indoor plants need. Somehow this keeps me very busy with indoor gardening as I watch for new growth and still maintain each individual plant. This time of year is a good time to transplant some of the overgrown plants; to trim back the long-out-of-control plants; to clean the leaves with warm water or to give certain plants a tub bath. Perhaps there are plants that just need to be composted as watering may not be what it needs.

Whatever your path is to continue your gardening skills this upcoming winter, have fun! Visit garden shops, explore and research ideas for your outdoor garden next spring. We thank you for you for making Garden Club part of your Weatherby Lake activity during this past year. Please watch for details for the Thursday, March 12 KICK OFF meeting. Date changed due to Platte City Elections held on Tuesday.

TUESDAY, DECEMBER 8 at 6:30 PM will be our "PROGRESSIVE WINE TASTING" and Cookie Exchange at the homes of

KNOW THY NEIGHBOR

In-home monthly, fun & casual, gatherings for All residents for the purpose of getting to know your neighbors.

December 2019 and January 2020

Important dates: December 14th and January 11th

On the second Saturday of each month at 7:00 PM, September thru May, volunteer Weatherby Lake residents rotate hosting a casual social gathering in their homes. There are two options for the gatherings each month, either a casual sit-down meal or a Happy Hour style gathering with just appetizers. A host determines the number of guests they have. Neither the host nor the guest knows the identity of the other guests ahead of time.

The focus for both styles of the small group gatherings is not on the food, but rather on meeting neighbors, getting to know one another and developing friendships.

I WANT TO PARTICIPATE, WHAT DO I DO

FOR NOW: To be on the monthly reminder list, just email us your NAME, PHONE NUMBER AND EMAIL

ADDRESS to: KNOWTHYNEIGHBOR2@gmail.com.

Each month you will be sent a reminder of the upcoming gathering. If you choose to participate that month, (you are not required to attend every time), you then choose either the sit-down option or the Happy Hour. Then you will be sent the location and food assignment for your gathering. See Option descriptions below.

Attend a Dinner: You will take one pre-assigned dish (appetizer, vegetable, salad with bread, or dessert), and your own beverage of choice.

Attend a Happy Hour: You take an appetizer and your own beverage of choice.

Host a Dinner: You provide your home, the main dish, water, coffee and tea.

Host a Happy Hour: You provide your home, one appetizer, tea and water.

For December your KTN coordinators will be hosting a casual happy hour. You will receive an email at the beginning of December with details.

Look for an email at the beginning of January for January's event.

NOTE: **KNOW THY NEIGHBOR** is celebrating over 30 years of bringing Weatherby Lake neighbors together. As we begin this new season, we are updating the email list. Make sure to email your name, address, phone number, and the email address you prefer to be contacted at if you would like to be included. This will insure that you will receive the monthly reminder. Send your info to KNOWTHYNEIGHBOR2@Gmail.com
