Dear lovely ladies,

Welcome to our family of supporters! Your 2016 donation of \$100, will help provide a BackSnack of food, each weekend of the school year for a child. No goods or services were exchanged for this donation. These children are so fortunate to have community members like you who understand their hunger and step up to ensure their needs are met. Looking forward to packing BackSnacks with you on April 21st!

We are pleased to report that the Spring distribution of BackSnacks, is 2,580! In the past five years, Feed Northland Kids, has funded the expansion of Harvesters BackSnack program from 1,000 children in 29 Clay and Platte County schools, **to 2,580 children in 59 schools!** An Independent evaluation confirmed 18% of children participating in the BackSnack program showed improved grades in english, social studies and science. Schools report discipline incidents are cut in half and 34% of parents say their child's health has improved since participating in the program.

This is all possible because of the support of partners like you. Working together, we are able to provide food to thousands of hungry children. Thank you for the impact you make for the 1 in 5 hungry children in the northland.

Sincerely,

Chris Evans
