Those who have observed Steve over many years can personally attest to the genuine caring and generous volunteer giving of his time and talent. He makes our community and homes a safer and better place for all of us to live. He has given an abundance of this kind of service for many, many years in a multitude of ways. We all have and continue to benefit from Steve's willingness to help on many levels. Steve definitely is the outstanding candidate for this year's Joe Sherman Award. A long overdue recognition.

From the Editor

Like most folks, I have my favorite people...some are close, and some not so much. Everyone manages those inner circles in different ways...some by being dedicated to the time committed to those special people...others by intending to set aside more time for those important people but do not follow thru. I'm as guilty as the next in doing more intending and less committing. However, the 2020 social disaster allowed some opportunities to make good on our promises.

One of the positive aspects of our age of anxiety was the coming together of families in more and better ways. It seemed that there was a greater desire to be with those really important people in our lives. I found this to be true with my own family. Even though there are thousands of miles separating me from my children and grandchildren, we managed to find appropriate and safe ways to be together. One of those gatherings came during the recent months and holidays.

My son-in-law made two round-trip driving excursions from DC to KC to get me safely transported to spend two-plus months with he and my daughter and grandkids. That's approximately 4500 miles total behind the wheel....compassion in action. It was my personal prescription for mental wellness. A total 180* from my norm. It slowed the speeding train down to the sound of my own heartbeat. What's important came back into focus. I gave up managing and just listened for the dinner bell. I was in the land of 20-second hugs and continued nonstop expressions of love. (A relationship expert suggests the more 20-second hugs exchanged, the greater the level of trust exists.)

A couple of weeks after the January 6, 2021 events at our nation's capitol, I woke up in my own bed for the first time in over two months. The quiet felt strange. I didn't have to check my phone app for the security camera's activities...I just looked outside to see the WL Police vehicle. I had to do

my own toast, and there was no bowl of fresh blueberries left on the counter for me. I was amused with how quickly I had adapted to the great caring from loved ones. And, even though I have spent my entire life with the same zip code, I recognized that we are adjustable by nature, and with love we find meaning...even with a pandemic.

My son from Boulder, was on my doorstep within 48 hours to attend the Chief's playoffs. Arrowhead was appropriately distanced with fans, but I declined, nevertheless. Home is now back to calm, but the renewed family closeness provided an abundance of familiar caring warmth that was overdue. Hoping it will sustain me while we slog through another season or more of this horrible pandemic.

When the personal touch of family is limited, we look to our special friends and favorite people. We have them close by in our community. Weatherby Lake is a mix of amazing giving, kind and caring individuals. We must respect each other and apply appropriate ways to keep everyone well and safe as we navigate the future and share those gifts. We all know the rules...let's do our part...please adhere to current Covid-19 guidelines.

Mayor's Comments

Winter Greetings from City Hall

Raise your hand if you are happy to say goodbye to 2020! It was certainly a year for the books. I keep reminding myself that we cannot change what has happened; we can only control how we react to it and what we do in the future. I think it's safe to say that the world is ready to get back to some semblance of normal, so let's look to 2021 with optimism, realism, and hope. Cheers to 2021!

We at City Hall remain vigilant in regards to the Covid-19 virus. A few employees have come down with it but thru the grace of God all have returned to health and work. We remind you to please wear your face mask upon entering City Hall. <https://plattecountyhealthmo.municipalonline.com/pview.aspx?id=52575&catid=563>

So far we have been fortunate with the mild winter weather. Public Works Director George Lowman and his crew are always at the ready to quickly and efficiently respond when the snow and freezing rain begin to fall.

Be assured that your City runs a very tight financial ship. We have five full time Public Works employees that are on-call 24 hours a day. Our 24 hour Police Department has five full time Officers, a reserve force of eleven. Our office staff consists of three part-time Clerks and a part-time Treasurer. Weatherby Lake is one of the few city's in Platte County that continues to maintain a Municipal Court. The Public Works department has 5 vehicles in it's fleet and we have 4 Police Cruisers and a bicycle. While our City has a nearly \$3 million budget your 4 Aldermen and myself strive to get the most for your dollars. We finished 2020 with a surplus of over \$138,000.

Public Works recently completed the Emergency Water connection with Water District 6 whose tower sits across from City Hall. This is important for both entities because if either one of our water sources is interrupted a valve can be turned to tap into the other's source. This project came in \$30,000 under budget with the guidance of Alderman Doug Richmond and Public Works Director Lowman.

The City applied to Platte County for \$31,000 of Federal Cares funds to recoup expenditures because of the Pandemic. The big ticket item that we applied for but hadn't purchased was an audio/visual system for City Hall. Unfortunately the County Commission denied that and other expenditures that we had already made. We received \$6,489 instead.

There will be a City election on April 6th this year. Two Eastside Residents have filed for Alderman, Russ Monuski and Tyler Patterson. Mayor Pro Tem Doug Richmond has filed for Westside Alderman and is unopposed.

Let's all cheer for the Chief's for another Super Bowl victory! Here's to more mild winter weather and an early spring!

As the COVID-19 vaccinations begin to be distributed in the upcoming months I urge everyone to keep updated with the most current information at the below Platte County Health Department website.

plattecountyhealthdept.com

The Weatherby Lake Police Department accepted cash/check donations during the month of November 2020 to assist with funding holiday shopping for underprivileged children that reside in Platte County. The Weatherby Lake Police Department joined with the Platte County Sheriff's Department, "Shop with a Cop/Deputy" modified drive through event that was held on 12-05-2020 at the Platte County Resource Center. The Weatherby Lake Police Department presented \$2,950.00 to Sheriff Mark Owen at the event. I wish to **thank everyone that donated** to this worthy cause and thank the **WLPD Officers that attended!!!!!!!**

As a reminder vehicle "City Stickers" are due March 1st, 2021. If you have not purchased your 2020 city sticker(s) please come by city hall during business hours Mon-Fri. 8:00am-4:00pm. Do not forget to display your city sticker in the lower left corner (driver's side) of your vehicles front windshield.

I would like to remind everyone to remove **ANY VISIBLE** valuable items and secure all vehicle door(s) when parked outdoors. I would also suggest that all walk-in and overhead garage door(s) be secured when not in use.

The Weatherby Lake Improvement Company has reminded me that everyone should be vigilant around the freezing/frozen lake water.

The entire Weatherby Lake Police Department staff would like to thank every citizen that has supported the police department through these tumultuous and turbulent times in our nation. The police department has received much support through cards, letters, e-mails and donations from the community we serve. I recently wrote a thank you letter to a resident that contained the below sentence:

*I believe this kind of cooperation between citizens and city government is what makes Weatherby Lake **one of the best cities in the world to live and work in.***

Thank You All!

WLGC MEETING ANNOUNCEMENTS

WLGC Fun Doo event is canceled for February 9 due to COVID issues BUT there is no reason why you all can't celebrate at home by melting your favorite chocolates and cheeses for an At Home Dipping party. If you have been to one of the past Fun Doo gatherings, you may recall some of the specialty ingredients. Along with these tantalizing flavors, be sure to pair them off with a white or red wine. Your choice of background music helps the digestion so choose wisely! You think I'm crazy? Here's the known fact by a certified sonotherapist from Brooklyn Healing Arts, states that sounds you hear affect how well your body processes food physical and mentally. He suggests George Winston, Enya and classical music for a relaxing mood. Whatever you choose to do for a date night or celebrating that chocolates and cheeses are SO WONDERFUL, we hope it is memorable even though we can't be together. Cheers and have a relaxing evening!!

We look forward to zooming with you on Tuesday, March 9 at 7:00 PM.

TUESDAY, MARCH 9th 7:00 PM
KICK OFF TO 2021

It is our pleasure to introduce, Sarah Crowder, from Heartland Tree Alliance

Sarah will present via Zoom a power point on how to properly plant trees, proper pruning and will recommend species for the different areas. There will be time at the end of her 45 minute presentation for questions.

Grazin' in the grass, it's a gas! Can you dig it?

Jeanne Lueders, President

We are sad to announce that the Annual St. Patrick's Day Party and Fundraiser is cancelled this year.

But...the parade is still on!!!

This year, we will have a very small parade with our awesome officers leading the way! No entries will be allowed but our WLPD will turn on their lights and sirens and go around the lake with the normal parade route on Saturday, March 13th at 1:00 p.m. One additional vehicle sponsored by the Irish American Club will be decorated for spirit in the parade. And there may be a special treat for the kids.

***If you plan on watching from your driveway, please adhere to COVID protocols set forth from the county. Wear a mask! Social Distance! Keep with your own household! Limit size of gathering!

We are also selling "Support WLPD" signs!

The one-sided signs are \$25 and the double-sided signs are \$30.

You can contact Julie Horseman at 816-699-3508 or juliehorseman@reecenichols.com. Proceeds go to the Weatherby Lake Police Department and make great decorations for St. Patrick's Day. Lets show our police department how much we support them!!!

KNOW THY NEIGHBOR

In-home monthly, fun & casual, gatherings for All residents for the purpose of getting to know your neighbors.

On a Saturday of each month at 7:00 PM, September thru May, volunteer Weatherby Lake residents rotate hosting a casual social gathering in their homes. There are two options for the gatherings each month, either a casual sit-down meal or a Happy Hour style gathering with just appetizers. A host determines the number of guests they have. Neither the host nor the guest knows the identity of the other guests ahead of time.

The focus for both styles of the small group gatherings is not on the food, but rather on meeting neighbors, getting to know one another and developing friendships.

I WANT TO PARTICIPATE, WHAT DO I DO

FOR NOW: To be on the monthly reminder list, just email us your NAME, PHONE NUMBER AND EMAIL

ADDRESS to: KNOWTHYNEIGHBOR2@gmail.com.

Each month you will be sent a reminder of the upcoming gathering. If you choose to participate that month, (you are not required to attend every time), you then choose either the sit-down option or the Happy Hour. Then you will be sent the location and food assignment for your gathering. See Option descriptions below.

Attend a Dinner: You will take one pre-assigned dish (appetizer, vegetable, salad with bread, or dessert), and your own beverage of choice.

Attend a Happy Hour: You take an appetizer and your own beverage of choice.

Host a Dinner: You provide your home, the main dish, water, coffee and tea.

Host a Happy Hour: You provide your home, one appetizer, tea and water.

Out of appropriate concern for our residents, until further notice, KNOW THY NEIGHBOR will not be asking for hosts to accept guests into their homes to share time and space.

Please be mindful of this most responsible regard of safety.

We are close in thought. The best of 2021 to everyone!

NOTE: **KNOW THY NEIGHBOR** is celebrating over 30 years of bringing Weatherby Lake neighbors together. As we begin this new season, we are updating the email list. Make sure to email your name, address, phone number, and the email address you prefer to be contacted at if you would like to be included. This will insure that you will receive the monthly reminder. NEIGHBORS HELPING NEIGHBORS

Volunteer caring and temporary assistance for Weatherby Lake residents in time of need.

NEIGHBORS HELPING NEIGHBORS is a Weatherby Lake program composed of resident volunteers willing to help in a variety of simple ways. Sometimes that might be offering to take a neighbor a meal, cut the grass, clear snow, assist them in getting to an appointment, or just a friendly visit to help cheer. Accidents and times of grief occur to all of us and a caring neighbor sharing kindness can be a tremendous help. It's those occasional small acts of kindness that can make a huge difference.

We do not take the place of professionals or replace family responsibilities. We are simply your next door neighbors who are willing to volunteer help where we can, and we need YOU to help be a part of watching out for one another. Do you know someone who could use a temporary hand with something? Would you be willing to share an occasional small amount of time and effort to help someone in need? Do you have a talent that might be really helpful? The list of possible needs is varied. Typically, we might go for months without needing to offer our help, and even if we are called on to help, it is rarely more than once a month.

NEIGHBORS HELPING NEIGHBORS is always hoping to improve how we can be of assistance to one another. But, as caring neighbors, we could be limited in certain ways that assistance might be needed. We have developed an agreement with the PLATTE COUNTY SENIOR FUND program to work with them in ways that will assist Weatherby Lake residents to receive the best help available.

For general questions and information, or if you know reliable skilled resources that might be willing to help, contact Pat Medill, 456-2007.PRMedill@aol.com
