

## Congratulations Damien Dixon

### 2022 Joseph A. Sherman Award Winner

This award was created & funded by the Welch Family Foundation in 1993.

Lantz Welch and Joe Sherman were next door neighbors at Weatherby Lake as well as on the top floor of City Center Square where their law offices were located for many years. They were Collegial Combatants in the Courtroom since they were always on opposite sides of their cases.

As Joe reached the conclusion of his extraordinary life, Lantz realized that Joe had never been adequately recognized for the countless time and energy he had given his beloved lake community and so he created this award. The award consists of community recognition and a \$1,000 check from the Welch Family Foundation. The award is given to the recipient at The Weatherby Lake Improvement Company's Annual Meeting.

Damien Dixon, a longtime resident of Weatherby Lake is this year's award winner. (cont'd next page)

- Damien is very deserving of this award for his continued countless hours of community service to Weatherby Lake over the years, including:
- Completing water and lake clarity testing for the WLIC.
- Volunteering for the WLIC by helping with critter control around the Lake.
- Serving as Vice-President of the Weatherby Lake Fishing Club for the last 15 years. Before that he served as President for several years.
- Countless hours helping with the Kids Fishing Clinic, Scholarship Fund, Annual Fish Fry, Community Picnic and many other activities.
- Participates in lake clean-up, fish stocking and the habitat program.
- Available for any kind of help needed around the Lake such as towing boats, cutting up logs or brush and loading materials. Always offering the use of his vehicle without any concerns of financial payback.

Damien is the embodiment of a true Volunteer and is always ready to jump in and help. He has consistently (over 15+ years) been the kind of community volunteer and neighbor who steps up to give his time and effort to help wherever he is needed without drawing attention to himself or expecting any kind of recognition. He works hard at any task he is asked to handle for Weatherby Lake.

**Thank you, Damien Dixon, and Congratulations  
on being the recipient of the 2022 Joseph Sherman Award.**

### GRATITUDE

#### YESTERDAY, TODAY, TOMORROW

As we settle into a season of calmer times around the lake, and our focus moves inside to home and family, I am feeling a bit melancholy. So much has happened in our community...we have lost so many great friends. Conversations are filled with sadness and the uncertainties we all face. No one should feel alone, and yet we do. A new phone directory reminds us that names are missing...we see new names now. Weatherby Lake is changing.

Yet, in the midst of the quiet, I am deeply aware of the gratitude that only grows and is magnified with each new morning that I am gifted with...one that allows me to look across the water...framed in changing color...fog lifting above the sparkling reflections. I have spent my entire adult life surrounded with the beauty of our community, and the love and kindness that has never changed. That, I am confident, will always be.

A friend recently lamented to me that it wasn't the lake that she missed since moving away, but the people! I knew she was right. Those changes we find ourselves in...large or small...will always seem more manageable with a caring

friend nearby. Life never promised it would be perfect, but with loving friends, it comes closer.

The holidays will whiz by and a New Year will soon be ours. I need to make sure that you know of the deep gratitude that I feel towards all of you, and my sincere hope that those changes in your life will bring you the best 2023 possible.

*Peace & Goodwill*

## Mayor's Comments

Greetings from City Hall,

Preparations are starting for the cold winter weather City wide. Our salt bins are now full and our public works trucks and plows are being readied for the inevitable snow and ice we always get. I understand the Farmer's Almanac has predicted above average snow and cold. This is the very reason winter is not my favorite season here in the Midwest.

As I write this article, a Republic Services recycle truck had a previously unknown hydraulic leak all over our streets in multiple locations. I quickly became aware of it when I went out to bring my bin back to the house. I immediately took pictures of it and sent it on to the Republic regional manager along with the demand that this be immediately cleaned up as per our contract. This has been an ongoing issue that caused us to have our City attorney send them a letter very recently; they can expect we will begin fining them monetarily as per our contract.

I was in personal contact with this manager throughout the day as I directed Chief Davis to find this recycle truck and direct him off of our streets. By the time this happened he had completed his route on the Eastside and was just starting to service the Westside. By late afternoon the cleanup provider was on the job and attempting to attend to all of the spills. I personally chatted with the owner of the provider and exchanged business cards with him. I am putting Republic on notice that in the future for faster action on cleanup, I will be calling this guy directly.

What I want to stress to all is that your City is hyper vigilant on pollution and expect all providers to be responsible and clean up after themselves. Our community and lake depend on all of us doing the 'right thing' and the City will go the extra mile to assure that this is accomplished.

As many of you may know, I have been in the process of building my third (and last) home here in Weatherby. The first two homes with my previous wife were both on the Eastside on 78th Street and 73rd Terrace. Since our divorce I've been living on the Westside on 82nd Terrace for the last 16 years. All of this moving around has been going on since we moved into our first home in March of 1988, 34 years ago when I was a young guy. I'm engaged now (no date set) to Deb a recent transplant from 'the other lake' – Lake Waukomis. Now I'm back on the Eastside, 73rd Street with Deb and this time it's a log cabin. Right now I'm not so sure that I would recommend building one.

Everyone please enjoy a safe, warm winter season and Happy Holidays!

Steve Clark—Mayor

In recent weeks **unsecured** automobiles that were parked outside have been entered and some of the contents of the vehicles removed by unknown person(s). During one instance the residence overhead door garage remote left inside the **unsecured** vehicle was utilized and the residence garage was entered with items removed!! I would encourage everyone to secure their automobiles while they are parked outside of their residence.

As the winter season arrives in our region it is important to remember that warming vehicles parked outdoors should only be done with the operator **present** with the vehicle. If the operator leaves the vehicle unattended with the engine running all the vehicles door(s) should be secure.

The Weatherby Lake Police Department will be participating in the 28th Annual, "Shop with a Cop/Deputy" event sponsored by the Platte County Sheriff's Office on December 3rd, 2022 at the Barry Road Walmart. The Weatherby Lake Police Department will be accepting cash or check donations to fund the holiday shopping for underprivileged children that reside in Platte County. Donations can be mailed or dropped off at City Hall. Please make your checks payable to: **Platte Co. Sheriff's Children's Trust**. In 2021, the city raised \$4,355.00 to assist with this worthy program.

As many people travel for the holiday season I would suggest residents utilize the Online Residence Check Form located on the city's web page <http://www.cityofweatherbylake-mo.gov>.

The Weatherby Lake Improvement Company has reminded me to advise everyone to check their personal property ie: boats, kayaks and docks throughout the winter months even though lake usage may be down, they have had several reports of items breaking loose and causing damage or go missing.

# WLIC Update

To WLIC Members and Residents:

Affinis Corporation has been engaged to conduct another lake bottom survey to assess the build-up of silt on specific areas of the lake to ascertain the timing of a dredge of the lake in future years. When the survey is completed, the results will be communicated to the WLIC membership.

- The bi-annual inspection of the Dam has been successfully completed .
- Progress on planning for the future of the 10208 NW 73rd Terr. (Pease) property has been slowed by Covid and related delays on in material procurement for various projects related to this property.
- The following is a current status of various WLIC projects:
- A 7-10 year Long-Range financial plan is underway. It will be reviewed by the Financial Committee, Long Range Planning Committee and the Board upon its completion.
- A number of docks will be installed at the property. This project has been delayed due to delivery of required materials as well as further engineering analysis.
- The construction of a 16-space parking lot across the street from this property will begin in late 2022, weather permitting.
- We are working to construct a 40 x 40 utility garage below the dam to house WLIC equipment currently stored at various places in and around the community.

Lastly, Thank you to the Credentials & Elections Committee for their help at the Annual Membership Meeting. Long-standing Chairperson Tanya Finn and her team of volunteers continues to ensure our election processes are accurate and efficient.

## Resident & Community News

### A plea to the family community of Weatherby Lake.

*We are asking for your prayers and condolences for the 10 families who have recently lost a loved one. This is an unprecedented situation...and we are heartbroken for the gravity and quantity those 10 families are feeling. Never before have we experienced personal loss in such a large number. We have lost a loved one from ten of our WL families. We need everyone to reach out in love, kindness, and support during this difficult time of extended grief. As you learn about the 10 who no longer are with us, may your heart be softened and your spirit pour out healing love. Our families should never feel alone in their loss or grieve without knowing we care.*

**Pami Grasis**

The community mourns the loss of Pami Grasis and shares their grief with Augie, children and family. Augie and Pami and the Grasis family have been long-time residents of the community. Pami was an active force in a number of areas where she was always a positive influence. She shared her creative gifts with her friends, family and our community, and added an element of joy to life. Her door was always open to the community. Pami founded a successful book club for Weatherby residents. Pami will be missed by all.

**Jim Spawn**

It is with great sadness that we extend our sympathies to Melissa Spawn and family on the passing of Jim Spawn. Jim and Melissa have been members of the WL community for many years...always contributing in uncountable creative ways. Jim is nationally recognized as the best expert on all things related to the Bonnie & Clyde legend. Additionally, Jim founded the Dust Bowl Jamboree where contributions went to the local community. Jim edited popular historical auto magazines and was a member of the Model A Ford Hall of Fame. Jim was a Meals on Wheels volunteer. Jim's giving spirit will be missed by everyone who knew him.

**Patty Walker**

Heartfelt condolences are extended to Pete Walker and family on their recent loss of Patty Walker. Patty and Pete have lived at Weatherby Lake for many years. They

loved all that the lake offered and all that they could offer the community. Patty was a registered nurse in surgery at NKC Hospital, and then at General Motors, Magna Seating Systems and Harley Davidson. She played in the military band in the Army Reserves, as well. Patty was active in many things, but her biggest efforts were always with her family and friends, and giving back to the community. Patty will be remembered for the love and kindness she gave to all.

**Terry Thoe**

Sincere sympathies are given to Margi Thoe, son Sean and family, and Terry's mother, on the recent passing of Terry Thoe. Terry and Margi have been residents of Weatherby

Lake for many years where they enjoyed the lake and helping friends and neighbors. Terry had a long career and retired from Ford Motor Company. He had many interests including flying, motorcycles, cars, skiing, and traveling. But, his first interest was his family and then his friends...nothing was more important. Terry will be missed by all who knew and loved him.

**Jerry Cook**

Our thoughts and prayers are sent to the Cook family on the recent death of Jerry Cook, past resident of Weatherby Lake.

Jerry was active on a number of areas in the community. He retired as a surgeon of Ophthalmology and specialist in eye disease. Jerry enjoyed his friends and neighbors at Weatherby and was willing to help in any way he could. He had a great sense of humor and could find the best in a situation. He is missed by family, friends, and many at Weatherby Lake.

**Virgil Hoffman**

Prayers and sympathy are sent to the Hoffman family on the death of Virgil Hoffman. Virgil and Mary Lee and children were long time residents of Weatherby Lake. Virgil was a pilot for TWA

and when he wasn't in the air, he and Mary Lee were active in a number of volunteer projects around the lake...always helping others wherever needed. Virgil loved the lake and all that it offered his family, and he especially supported anything that was for children. Mary Lee, and now Virgil will be missed by many.

### **Angele Werthmuller**

Condolences are extended to Bob Werthmuller and family on the recent passing of Angele Werthmuller. Bob and Angele were long time residents of Weatherby

Lake. They were both active in a number of creative ways. Angel taught a variety of art, sculpture, and painting to children. Nearly every child on the lake had some sort of creative creation that was made in one of Angele's classes. While the children were busy painting, Angele would have the mothers in another room doing Yoga on the floor. Angele was very athletic and qualified for the Olympics but her home country, Armenia, did not have the funds to pay her way to the competition. Angele is missed by her family and the WL community.

### **Karen Tetzlaff**

Our prayers are extended to the Tetzlaff family on the loss of their mother, Karen Tetzlaff. Karen and Arch were previous residents of Weatherby Lake, where for many years they were involved in a variety of projects to help improve Weatherby.

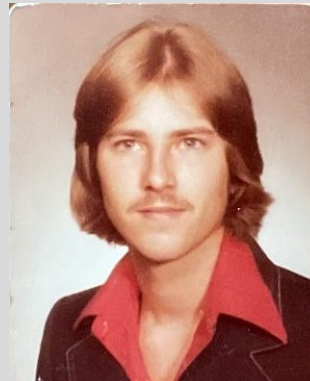

Arch was involved in the political scene and Karen donated her time and talents to help her friends and neighbors in a personal way. We often think of them and they are missed by many.

### **James Patrick Schmidt, Jr.**

Our sincere sympathies go out to the Schmidt family on their loss of Patrick Schmidt due to a recent accident. Pat was a young man with a

heart of gold. He was frequently doing favors for his friends and family, and anyone who needed help. He was willing to help fix anything. Pat loved his Harley Davidson and going on motorcycle trips with his friends. Pat loved fishing at Weatherby and helping others to appreciate his skill at fishing. Pat had a great sense of humor and was loved by anyone who knew him. He will be deeply missed.

### **Jeff Warger**

It is with a sad heart that we extend our condolences to the family of Jeff Warger. Jeff was born and raised at Weatherby Lake. His parents, Dick and Maydene

Warger, were long, long time residents. Jeff and his siblings spent their childhood living and playing at Weatherby. They were an active family and Jeff was a kind, happy, and giving individual. He was devoted to his family, wife and three children and grandchildren. Jeff added a lot to our community during his time spent here.

## WHO IS THIS GUY??

(If you know this person, please let us know.)

Over the years, Weatherby Lake Historical Committee has collected great photos of unidentified people/ places/things.

With your help, we are hoping to solve the mystery.

## FRIENDS OF WEATHERBY LAKE HISTORY

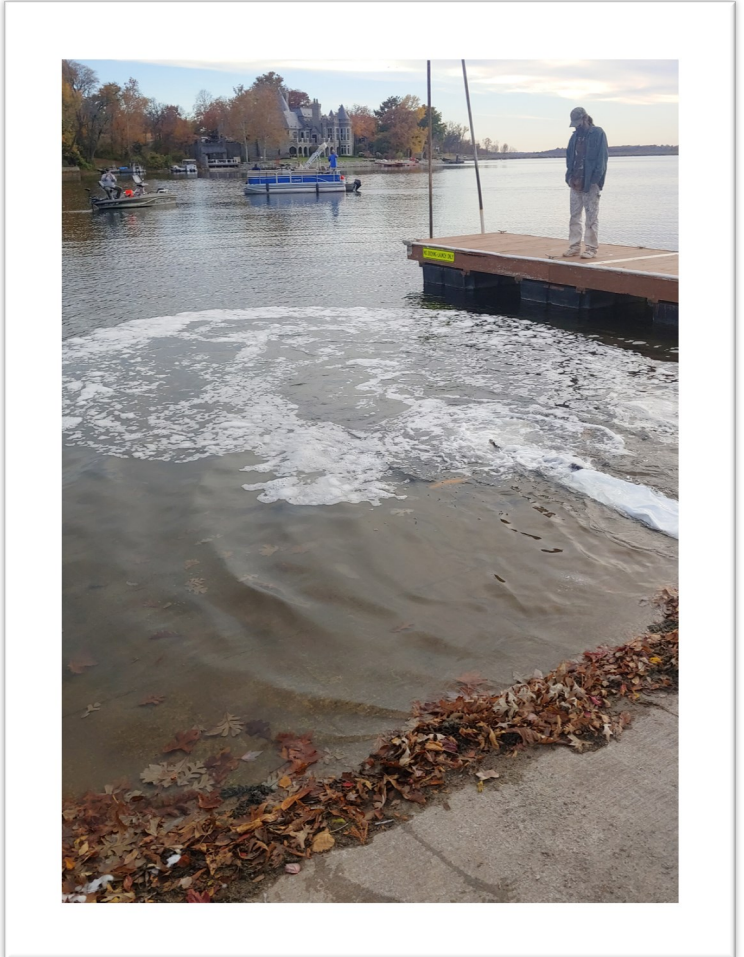

The Weatherby Lake Historical Committee is extending an invitation to those residents who might have an interest in the history of our community, but don't feel like they can commit to serving on the main committee. We have a special group of residents who might like to help out now and then with a small project that will not require attendance at regularly scheduled meetings or a commitment to volunteering extended time. This is a great way to help at your convenience and interest. We keep your name on our "Friends of Weatherby Lake Historical Committee", and notify you when we might be in need of an hour or two to help freshen the Anders Jack Cemetery, or just let us know when you have an idea about our upcoming historical markers or thoughts on how to enhance our history preservation.

Let us know if you would like to participate. We are eager to welcome your ideas.

### And the winner is ... Weatherby!

In our inaugural year, The Lantz Welch Citizens Brigade is honored to award a collective \$10,000 to three fantastic community projects. The amount granted to each project was based on the specifics of each application. We are incredibly inspired by these ideas, grateful to the leaders who will bring them to life, and excited to see their ongoing impact. We sincerely appreciate all the applications that we received.

Congratulations to the winners and our community!

If you would like to add to the funding of any of these amazing projects, your donations are certainly appreciated! To do so, visit the [lantzwelchcitizensbrigade.org](http://lantzwelchcitizensbrigade.org) or checks can be dropped at the City Hall – please note your project of choice. Thank you in advance!

#### Outdoor libraries

\$5,000 to the ChamPami Book Club to create Outdoors Libraries in one or more of our parks. These will be places for residents to gather for small events, share books, debate ideas, and learn from one another.

example

#### Concession trailer

\$3,000 to the Yacht Club to renovate their concession trailer. In exchange for a donation to the Junior Sailing Club, the updated trailer will be available for all clubs and residents to use for gatherings, parties & events.

example

**Kids fishing clinic** \$2,000 to the Fishing Club to offset the cost of the new rods, reels, tackle, and bait that they give freely to all kids who attend the instructional clinic. An average of 70 kids, ages 2 to 16, participate in the clinic annually.

## KNOW THY NEIGHBOR

*In-home monthly, fun & casual, gatherings for All residents for the purpose of getting to know your neighbors.*

### NEW SEASON 2022-2023

### Celebrating 35 Years

### Next Gathering—Saturday, November 12, 2022

KTN is updating our list. To receive notifications for upcoming KTN dates, we must have your email address, including all previous and new participants. (Attendance is always optional each month.)

#### HOW DOES KTN WORK?

On a Saturday of each month, October thru May, you will be invited to join a small group (8-20) residents. Attendance is optional each month. You can choose a smaller sit-down dinner, or a Happy Hour style gathering where just appetizers & drinks are served. Volunteers may host either style of gathering, but you are never required to host. Hosts choose the number of guests they would like. Neither the host nor the guests know the identity of the other guests ahead of time. There may be several gatherings happening around the Lake at the same time.

The focus for both styles of the small group gatherings is **NOT** on the food, but rather on meeting neighbors, getting to know one another and developing friendships.

#### I WANT TO PARTICIPATE...WHAT DO I DO?

FOR NOW: To be on the monthly reminder list, just email your NAME, PHONE NUMBER, AND EMAIL to MARTY & KELLY WESLEY AT

[WesleyMarty@gmail.com](mailto:WesleyMarty@gmail.com)

Each month you will be sent a reminder of the upcoming gathering. If you choose to participate that month (you are not required to attend every time), you then choose either the sit-down option or the Happy Hour option. You can choose a different option each month if you want. You will then be sent the home address of your host, and your food assignment for your gathering.

We are updating the list of neighbors (married, single, divorced, widowed, long time & new). Make sure to send us your email address to be on the remind/contact list.

## NEIGHBORS HELPING NEIGHBORS

### Volunteer caring and temporary assistance for Weatherby Lake residents in time of need.

NEIGHBORS HELPING NEIGHBORS is a Weatherby Lake program composed of resident volunteers willing to help in a variety of simple ways. Sometimes that might be offering to take a neighbor a meal, cut the grass, clear snow, assist them in getting to an appointment, or just a friendly visit to help cheer. Accidents and times of grief occur to all of us and a caring neighbor sharing kindness can be a tremendous help. It's those occasional small acts of kindness that can make a huge difference.

We do not take the place of professionals or replace family responsibilities. We are simply your next door neighbors who are willing to volunteer help where we can, and we need YOU to help be a part of watching out for one another. Do you know someone who could use a temporary hand with something? Would you be willing to share an occasional small amount of time and effort to help someone in need? Do you have a talent that might be really helpful? The list of possible needs is varied. Typically, we might go for months without needing to offer our help, and even if we are called on to help, it is rarely more than once a month.

NEIGHBORS HELPING NEIGHBORS is always hoping to improve how we can be of assistance to one another. But, as caring neighbors, we could be limited in certain ways that assistance might be needed. We have developed an agreement with the PLATTE COUNTY SENIOR FUND program to work with them in ways that will assist Weatherby Lake residents to receive the best help available.

For general questions and information, or if you know reliable skilled resources that might be willing to help, Jan Leonard 816-800-2440, [Whrby2012@gmail.com](mailto:Whrby2012@gmail.com). #### YOUR PRAYERS ARE NEEDED

We would like to increase those participating in our private prayer chain. Please let us know if you could offer an occasional prayer in this special private way to volunteer for your community.
