## From the Editor

So, really....I swear, I had no interest or intention to spend 15 minutes learning all about the top 20 most dangerous snakes in the world. I just don't want to know...I'm not a Scout leader, I'm not in the woods that much anymore, I don't turn over rocks to see what's under them...I'm just into other things. However, I was up before the sun today and that's what popped up on my AOL items of interest screen, so...I went with it. Big mistake! Words and phrases like: "specially evolved fangs, reticulated 33' python kills human, 30' 500 pound anaconda swallows prey whole...King cobra venom kills elephant...YIKES!

One snake's bite can cause memory loss, Believe it or not, I can't remember which snake, but I'm sure that is a good thing, because I certainly don't need to be remembering any of these snake facts. Although, I did wonder what a cobra would do with that elephant?

Sometimes, we learn things that should not be introduced into our minds. Snake facts is one of those for me, but there are other things that can be more disturbing...a lot of other things...especially, if they involve the human race. I am always saddened by the news of atrocities that people inflict on one another...families on families...friends on friends...neighbors on neighbors. Sad.

I love to walk our dam...it's easy to calculate the distance, and allows me plenty of opportunities to interact with kind people. This is a much more positive way to enrich my thinking than some of the stuff that pops out of my computer screen. For decades I have been blessed with this example of kindness, and frequent memories. Weatherby Lake seems to have a way of promoting and nurturing a caring environment. When your path happens to cross another's around our Lake, remind

yourself that this is an opportunity to give and receive that kindness...which begets more kindness. This has been going on since the dam was under construction in the late 1930's. We have great opportunities, but, also, a solid responsibility to extend that kindness. We need to be a part of the bigger picture of the legacy that we enjoy within our community. Don't fall into the trap of taking in, or worse, repeating venomous gossip, that will only be detrimental to our overall well being. Isn't it greater for everyone to share the good stuff about our neighbor?

I'm hoping to avoid any future snake facts, but it did remind me to consider the incredible GOOD that is in my life...goodness that I am immensely grateful for. So, thank you to all of you who are a vital part of our shared goodness. That is the life sustaining heartbeat of all of us. See you on the dam and beyond.

## Mayor's Comments

Hello to Spring!

Well we survived another winter, which wasn't really that bad overall. The worst of cold and snow happened all at once about a month ago. Public Works used approximately 250 tons of salt this winter and we still have over 100 tons if we need more. It makes me appreciate the fact that I don't live any further north of our beloved Weatherby Lake.

Tuesday, April 6th is election day at the Community Center from 6AM until 7PM. There are Alderman positions from both East and West sides, our Municipal Judge and candidates for Park Hill School Board on the ballot. Educate yourselves on all the candidates and exercise your precious right to vote.

The weekend of April 16th – 18th the City is having our annual Spring Clean-up. Weatherby residents that have only yard waste can take it to the lot behind City Hall. Look for directional signs with the times thru Sunday April 18th.

On Saturday April 17th at the Community Center we are having our annual Shredding Event, Drug Take Back and Electronics disposal. Alderman Tanya Finn has coordinated this for many years and she again asks for a generous donation of canned goods from all participants. Check elsewhere in this Newsletter for times. I also understand that the WLIC is having an access area clean up that day as well.

Very soon we will be paving Hillside Drive to Wayland Drive over to Potomac. Public Works Director Lowman has a multiyear plan for paving and has determined that this project will cost approximately \$100,000. Your City has a positive balance being held by the County and this project will draw from these reserves. This account is fed by County Sales Tax revenue.

We have been advised by our water provider, Kansas City, MO that we will not have a water rate increase this year or next. So water rates will be held steady for 3 years in a row which is the first time I can recall this happening. However we have been notified by KCMO that the sewer rates will be increased by 5%.

Finally, our City has Boards and Committees that require many volunteers from our citizenry. If you are looking for an opportunity to give back to our beautiful community contact City Hall at 816 741-5545 or shoot me an email via our website at [cityofweatherby-mo.gov](mailto:cityofweatherby-mo.gov)

Enjoy the Springtime in our beautiful corner of the world!

As COVID-19 vaccinations continue to be rolled out for different health and age groups be sure to check the Platte County Health Department website for updated information.

<https://www.plattecountyhealthdept.com/>

April-May are spring severe weather months, be sure to sign up for Nixle notifications. The Nixle icon is located on the front of the city web page. You can receive the notifications by text, email or both text and email.

Nearly on a daily basis the department receives complaints from residents regarding receiving fraudulent/scam phone calls and e-mails, both on their home phone, cellular phones and computer(s)/smart devices. Unfortunately this practice is growing day by day. As technology has developed so has the availability to alter incoming phone numbers on caller I.D. to make the recipient believe the call is from a local or U.S. phone number. These phone or e-mail "scams" can falsely represent government institutions and private industry from the FBI, IRS, Social Security Administration and banking services. All of these scam calls or e-mails have one thing in common, that is to **exploit funds** or **your identity** from you. I urge everyone to be cautious of these scams and to be aware of all information you provide over the phone or via computer. **If you believe you are a victim of a phone or online scam, you can file an online complaint with the FBI's Internet Crime Complaint Center at: <https://www.ic3.gov>.**

The department continues to receive complaints of incoming and outgoing mail being tampered with in private residence mailboxes. I would suggest all outgoing mail be dropped off at an "official" U.S. Post Office mailbox location. Securable private mailboxes are available for purchase on-line and at area home improvement stores.

As a reminder vehicle "City Stickers" were due March 1<sup>st</sup>, 2021. If you have not purchased your 2021 city sticker(s) please come by city hall during business hours Mon-Fri. 8:00am-4:00pm. Do not forget to display your city sticker in the lower left corner (driver's side) of your vehicles front windshield.

The St. Patrick's parade and community center event has been postponed until a later date in the year. I wish to thank all of the **volunteers/members of the Irish American Club**, along with all the **citizens** for their continued determination and dedication to support **WLPD!!!**

## Exciting news from your WLHC

Starting this spring, we're beginning Phase One of an Oral History Project for our community. Our goal is to enrich our understanding of the Weatherby Lake Experience as seen through the eyes of those who have lived here for many years (beginning with 40 or more years). We'll be forming a collective history by interviewing 15 residents that have been nominated by their neighbors, friends and relatives. You may pass on your suggestions to [patmedilleditor.com](http://patmedilleditor.com). We plan to publish a 5-10 minute videography for each interview to be shared with the community. We hope to discover stories that have not been told in *The Chronicles* that represent many different perspectives from within our community. These archival videos will serve as a temporary addendum to *The Weatherby Lake Chronicles*.

## WLIC Update

Spring is here and the WLIC is busy getting the lake ready for summer. The C-Point Pavilion and restrooms will be opened Thursday, April 1, 2021. Water will also be turned on at the other access areas on April 1<sup>st</sup>. At all WLIC access areas, the Platte County Health Department Covid regulations will be applied again this year and can be found on their website at: <https://www.plattecountyhealthdept.com/emergency.aspx>.

In coordination with the city wide clean-up and shredding events, the WLIC lake clean-up will be held on Saturday, April 17<sup>th</sup> from 9am until noon. Volunteers should plan to meet at C-Point at 9:00 AM to coordinate our efforts. Volunteers should wear appropriate clothing and gloves. Please bring outdoor tools like rakes, clippers and pick-up tools. WLIC will provide lawn bags, bottled water, cleaning supplies and a few lawn pick-up tools. Any volunteers who have their boats on the lake should meet at C-Point to coordinate their assignments and tasks. If you are not able to help at this time, let us know and we can coordinate other times and tasks to get our lake ready for the season.

WLIC has started issuing boat, motor, dock, watercraft and non-resident permits as well as bright orange member identification bracelets for members and their families once all fees have been paid and the lake safety boating education course has been completed by all family members over 14 years of age in households with registered watercraft. While the WLIC personnel are mailing these permits as quickly as possible, please be patient if there is a lag in receiving of permits and bracelets. If you do not receive your 2021 permit by the time you wish to use the lake, we will honor your 2020 permits and wrist bands. Also, due to issues caused by pandemic conditions, the WLIC is not charging late fees and penalties before May 1, 2021.

The WLIC is continuing our office internship program during the summer. Our 2021 intern is Seth Casas, a college junior who lives with his parents here at the lake. If you call the WLIC phone number and Seth answers the phone, please take a minute to introduce yourself.

So as we get started with this lake season, let's all enjoy our wonderful lake and have a safe and fun summer!

***Our results...

The last thing any of us want to see right now, is another mask. However, this mask represents the collective comments of what a group of grade school students spent their time doing when not in their normal classroom. As it turns out, there were a lot of "positive" things that the students managed to do, in spite of an unwanted lockdown. We can always find something positive, even in a pandemic.

## WEATHERBY LAKE FISHING CLUB ACADEMIC SCHOLARSHIP

Scholarship applications will be accepted from June 1, 'till July 11, 2021, from Weatherby Lake residents only.

Must be a graduating senior in high school and going to College in the fall semester...or a current College student going back at the next semester. Must be enrolled and accepted as a full-time student.

## *HAPPY SPRING EVERYONE!*

### **February and March Recap**

We had a "sweet" virtual meeting in February with a presentation by **Carol Regan** who showed us how to make our own chocolates.

Also in March, **Amy Lueders** gave an excellent presentation about the Children's Miracle Network. She presented Amy with a WOW donation of \$500 to the CMN. We also had a fun "Lucky" St. Patty's day virtual BINGO game.

### **Upcoming Events**

In April we will join in with the Garden Club on **Tuesday, April 13 at 7:00 pm** at C-Point. The program will include Tai Chi led by Jeanne Lueders and Gardening for Health. More information can be found on the Garden Club website: [www.wlqc.org](http://www.wlqc.org)

Our season finale will be on **Thursday, May 13, at 7:00 pm**. We will finally have our long awaited Bunco Party at the Community Center. More information coming soon!

### **Phone Directory Addendum**

We'd like to print an addendum to the Weatherby Lake phone directory that was released for 2020. If you are new to Weatherby or have moved within the community since Fall 2019, please send us your updated name, address and phone number(s). Email [wlwomensclub@gmail.com](mailto:wlwomensclub@gmail.com) by **May 15** to be included.

Check out our website for the most updated information at [www.wlwomensclub.com](http://www.wlwomensclub.com).

# Weatherby Lake Yacht Club

A Yacht /jpt/ is a sail OR power vessel used for pleasure, cruising, or racing... To be termed a **yacht**, as opposed to a **boat**, such a pleasure vessel is likely to be at least 33 feet (10 m) in length and may have been judged to have good aesthetic qualities.

We may not be 33 feet long at Weatherby, but we want YOU and YOUR FAMILY to be part of the enjoyment and celebration of our beautiful lake and community. As the premier boating and social club at Weatherby we plan on a break-out year...Literally!

If you live at Weatherby...

If you have a Boat...

If you want to meet unbelievable neighbors...  
and have a great time...

**We want you to be part of our club! Come and have fun with us!**

We are currently in the process of planning a full 2021 calendar:

Ice Breaker  
Progressive Dinner  
Light up the Lake  
Junior Sailing  
Holiday Pontoon Poker Runs  
Fall Fling  
Special Events and more...

# KNOW THY NEIGHBOR

## KNOW THY NEIGHBOR

*In-home monthly, fun & casual, gatherings for All residents for the purpose of getting to know your neighbors.*

On a Saturday of each month at 7:00 PM, September thru May, volunteer Weatherby Lake residents rotate hosting a casual social gathering in their homes. There are two options for the gatherings each month, either a casual sit-down meal or a Happy Hour style gathering with just appetizers. A host determines the number of guests they have. Neither the host nor the guest knows the identity of the other guests ahead of time.

The focus for both styles of the small group gatherings is not on the food, but rather on meeting neighbors, getting to know one another and developing friendships.

### I WANT TO PARTICIPATE, WHAT DO I DO

**FOR NOW:** To be on the monthly reminder list, just email us your NAME, PHONE NUMBER AND EMAIL

ADDRESS to: [KNOWTHYNEIGHBOR2@gmail.com](mailto:KNOWTHYNEIGHBOR2@gmail.com).

Each month you will be sent a reminder of the upcoming gathering. If you choose to participate that month, (you are not required to attend every time), you then choose either the sit-down option or the Happy Hour. Then you will be sent the location and food assignment for your gathering. See Option descriptions below.

**Attend a Dinner:** You will take one pre-assigned dish (appetizer, vegetable, salad with bread, or dessert), and your own beverage of choice.

**Attend a Happy Hour:** You take an appetizer and your own beverage of choice.

**Host a Dinner:** You provide your home, the main dish, water, coffee and tea.

**Host a Happy Hour:** You provide your home, one appetizer, tea and water.

**Out of appropriate concern for our residents, until further notice, KNOW THY NEIGHBOR will not be asking for hosts to accept guests into their homes to share time and space.**

**Please be mindful of this most responsible regard of safety.**

**We are close in thought. The best of 2021 to everyone!**

**NOTE:** **KNOW THY NEIGHBOR** is celebrating over 30 years of bringing Weatherby Lake neighbors together. As we begin this new season, we are updating the email list. Make sure to email your name, address, phone number, and the email address you prefer to be contacted at if you would like to be included. This will insure that you will receive the monthly reminder. ## NEIGHBORS HELPING NEIGHBORS

### Volunteer caring and temporary assistance for Weatherby Lake residents in time of need.

**NEIGHBORS HELPING NEIGHBORS** is a Weatherby Lake program composed of resident volunteers willing to help in a variety of simple ways. Sometimes that might be offering to take a neighbor a meal, cut the grass, clear snow, assist them in getting to an appointment, or just a friendly visit to help cheer. Accidents and times of grief occur to all of us and a caring neighbor sharing kindness can be a tremendous help. It's those occasional small acts of kindness that can make a huge difference.

We do not take the place of professionals or replace family responsibilities. We are simply your next door neighbors who are willing to volunteer help where we can, and we need YOU to help be a part of watching out for one another. Do you know someone who could use a temporary hand with something? Would you be willing to share an occasional small amount of time and effort to help someone in need? Do you have a talent that might be really helpful? The list of possible needs is varied. Typically, we might go for months without needing to offer our help, and even if we are called on to help, it is rarely more than once a month.

**NEIGHBORS HELPING NEIGHBORS** is always hoping to improve how we can be of assistance to one another. But, as caring neighbors, we could be limited in certain ways that assistance might be needed. We have developed an agreement with the PLATTE COUNTY SENIOR FUND program to work with them in ways that will assist Weatherby Lake residents to receive the best help available.

For general questions and information, or if you know reliable skilled resources that might be willing to help, contact Pat Medill, 456-2007. [PRMedill@aol.com](mailto:PRMedill@aol.com)
