Weatherby Lake Residents should be aware of the impact development will have on Eastside/Amity and Westside/Barry Road and 76th Street entrance congestion – and the environmental hazards that could occur due to sanitary waste stress on the pump stations.

Please take a few minutes to familiarize yourself. This website provides easy links to send your thoughts/opinions to the Kansas City Planning Commission and other development stakeholders...

"HARD LESSONS"

There are uncountable lessons to be learned in life, many of them can be hard lessons, but they are lessons nevertheless. Change is one of those hard lessons. And, boy, have I seen a lot of that here at Weatherby Lake during multiple decades. I was barely out of my teens when I first moved here. There were just a handful of residents and we all pretty much knew one another...Eastside & Westside, and everyone in between. We came together and made a difference (over half a century before the WLIC coined "Together We Make A Difference"). Everyone truly contributed...it was just the way we did things. We didn't see it as an imposition or a bother. It was like doing the dishes after dinner as a kid...a true family all worked and played together. And, for the last 85 years, folks at Weatherby have been doing their part to make our community what it is today...truly amazing.

Many of those great people who did their part are no longer here. But, the foundation that they left remains. That foundation is made up of example and encouragement. Good, generous, hard working people contributed in significant ways to create and support our community. That example was hand carried like a relay runner's baton. How does one rekindle that fire of giving? How does that awareness that everyone has a responsibility to do their part, become a part of today's community heartbeat? It's far more than joining a club, although that can be personally gratifying. It's looking around and seeing all of the magnificent qualities of Weatherby Lake, and feeling grateful for the sacrifice that others have given to make it all possible. And then being willing to follow their example. If you need reminding of Weatherby Lake's high points, here are just a few: A lake with the cleanest water in the state, where we can swim, fish, sail and boat. A solid and well maintained dam. A beach and

marina area that provides a safe place for swimming. A community center and C-Point Pavilion where we have countless social events. Parks that offer quality and safe playground equipment for our children, tennis courts and soccer fields, and places for adults to find a calm area. And, certainly, a place where we can all enjoy the lasting friendships that we foster each day with our caring neighbors. Those are a lot of benefits to just assume we have the right to enjoy, without ever giving back more than the check we write. The very least we owe our community is our respect...to maintain integrity as we benefit from so much more than we have given.

Weatherby Lake....it's our community "family". And, that automatically calls us to be a giving part of that family. Don't know where to start? Two easy phone calls will connect you to resources: Weatherby Lake Improvement Company (WLIC), 816-741-5556, and City of Weatherby Lake, 816-741-5545. Or, check the Weatherby Lake Living newsletter for areas that might grab your attention and call your inner volunteer to step forward.

Peace & Goodwill
Pat Medill

Mayor's Comments

Again we find ourselves in the dog days of summer, which means to me that sooner than later I have to begin to think about winterizing the boat and again begin preparations for colder weather. Fall is just ok but spring and summer are the best for me and my lake life.

Alderman Russ Monuski recently posted on the Weatherby Lake Face book page; with his permission here are some important items that he brought forward. We recently updated our City website which hopefully will make it easier to use and navigate and now everyone has the ability to sign up for online payments for water and sewer bills and also get Weatherby Lake news, forms, online residence checks and more! Cityof-Weatherbylake-mo.gov

Also thanks to Russ, the US Postal Service collection box in front of City Hall was finally recently updated after 20 some years of requesting. Now we have a more convenient drive up mail slot to make things easier for our residents. So no more of getting out of your car to deposit mail!

In the past few weeks our Public Works Department contracted to have new reflective lines along sharp turns and curved roads throughout the lake to make it easier for our residents to see at night and much safer too. Also because of multiple requests by the local residents in the area of Eastside Drive and 79th ST, we have painted crosswalk hashes on the street. There will also be flashing lights to warn of this pedestrian crossing. We hope this will slow down the thru traffic that picks up speed from the hills to the north and south. What you may not know is there are nearly 17,000 vehicles that travel that road every week and many are not obeying the 25 MPH speed limit, as we are all aware.

As I write this article today, a North Kansas City police officer was killed in an execution style murder for doing his job stopping a motorist just for expired license plates. Sometimes we take our Weatherby Police officers for granted and complain because we aren't doing enough to stop all these speeders on Eastside Drive, for example. Our Police Department is a 24 hour a day operation and we have 2 full time vacancies. Chief Davis is doing everything he can to fill these spots but the candidates that we have had apply are not quality individuals. We are stretched very thin but persevering.

Police work is a very dangerous job. A few years ago our officer found a vehicle with out of state plates sitting on the street at the top of the hill going down to C-Point. After checking the plates, he discovered that it belonged to an escaped felon and was considered armed and dangerous. Our officer requested back up and the felon was arrested. He had a loaded handgun under the seat of his vehicle and commented on Face book that he would not be taken alive.

A former coworker of mine at United Airlines is now the Mayor of North Kansas City. I saw him, my friend on TV to report on the death of his officer. He did an excellent job, controlling his emotions probably a lot better than I could have. At this point I have a personal relationship with all of our employees as Bryant probably does as well. It's my daily prayer to the Good Lord to keep them all safe and out of harm's way. The very last thing I want to do is be 'that' mayor going before camera's announcing some type of tragedy at Weatherby Lake as we have seen countless times lately.

I'm asking that everyone be patient and obey our laws even when you know 'no one is looking'. Many from outside our community travel thru as a 'cut thru' and don't obey our laws; some are not 'good people'. Many new homes are in the plans on Barry Road and many more are likely to come.

Be safe, be kind and have a great rest of your 'Lake Season'!

I would like to take this opportunity to introduce our new part time Officer, Dean Cull. Officer Cull was sworn in during July, 2022. Officer Cull has an Associate degree from Penn Valley Community College and a Bachelor degree from Park University. Officer Cull received his Missouri Police Officer Standards and Training (POST) certificate from the KCMO Academy in 1985 and has worked for the Platte County Sheriff's Department as a reserve deputy since 1990. Officer Cull has also worked for the Southern Platte Fire Protection District since 1977 and currently serves as a division Chief for that organization. Please welcome Officer Cull to our community

For weather and city-related notifications sign up for Nixle notifications on the front of the city web page under **featured links** (get Nixle alerts).

The Weatherby Lake Improvement Company wanted me to remind everyone that **ALL** Members are required to have their current bracelets visible while at all WLIC Access areas and **ALL** Guests are to be accompanied by an eligible lake user that has their current year bracelet on.

During the month of July, 2022 the Weatherby Lake Irish American Club presented a "Thank You" plaque to WLPD staff that has been posted in the WLPD patrol office. The Irish American Club also donated funds for the purchase of a new patrol car radar unit and an updated city hall video camera system. Michael and Julie Horseman cooked and served hot dogs and bratwursts to attendees at the Concert in the Park event on 07-15-2022 which were donated by the Irish American Club. I wish to thank **ALL** the members of the Weatherby Lake Irish American Club and **ALL** the citizens that donate both their funds and time to this organization!!

In the past weeks the Police Department has been notified that many non-commercial personally owned automobiles housed/operated within the city are not displaying a current Weatherby Lake City license. **City ordinance 385.150 reads in part:**

It shall be unlawful for any person who is a resident of Weatherby Lake to operate a motor vehicle in the City of Weatherby Lake without displaying a valid City license in the lower left corner (driver's side) of the windshield.

City vehicle licenses are available at city hall Monday-Friday 8:00 a.m.-4:00 p.m.

In recent days many person(s) under the age of 18 have been contacted riding stand-up skate boards/coasters either self-propelled or powered by electricity on the roadways. These types of skate boards/coasters are not approved to be operated on any city street at any time. Often these con-

WLIC Update

Hopefully all our Members are aware of the proposed development, Weatherby Meadows, at the corner of Childress and Barry Rd. as well as the traffic, road improvements and pump station concerns related to the development presented elsewhere in this newsletter. We are not opposed to this development but strongly believe that the City of Kansas City must commit to infrastructure improvements relating to the roads, traffic control and pump station capacity and reliability concurrent with the proposed private development. Please visit the website

<https://citizens4responsibledevelopment.com>

and add your comments to those of your neighbors to get the attention of Kansas City Government agencies prior to approval of the Weatherby Meadows Development. If you are able, we urge you to attend the planning commission meeting on August 16th at the downtown Kansas City City Hall. Please note that plans for transportation to the meeting are being formalized on the new website. We hope to see you there.

On a separate matter, we have been experiencing several instances of graffiti and vandalism at C Point and at other WLIC properties. Please report any instances of vandalism immediately to the WLIC Office. Pictures of such events would be helpful.

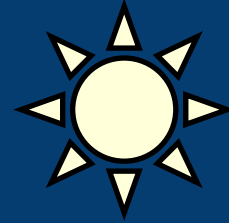

Enjoy your neighbor friends while your kids enjoy theirs!

**Every Friday ~9-11 am
Park/location varies**

Resident & Community News

Mason Young

Our deepest and heartfelt condolences go to the family of Mason Young, age 21, grandson of Gaye Ballinger, who recently and unexpectedly passed. Mason was full of life and brought happiness and joy to everyone who knew him. He was loved by all, and will be sadly missed by so many friends and family. Grandchildren are those special angels who stay in our hearts, even when they leave us.

Jack McCullough

Our deepest sympathies and prayers are extended to resident Betty McCullough and family on the recent death of Jack McCullough. Jack was an Army Veteran (Vietnam War) and had a varied career involving Law Enforcement and Criminal Justice. He loved cars and motorcycles, and really loved life at Weatherby Lake. He will be missed by many.

FRIENDS OF WEATHERBY LAKE HISTORY

The Weatherby Lake Historical Committee is extending an invitation to those residents who might have an interest in the history of our community, but don't feel like they can commit to serving on the main committee. We have a special group of residents who might like to help out now and then with a small project that will not require attendance at regularly scheduled meetings or a commitment to volunteering extended time. This is a great way to help at your convenience and interest. We keep your name on our "Friends of Weatherby Lake Historical Committee", and notify you when we might be in need of an hour or two to help freshen the Anders Jack Cemetery, or just let us know when you have an idea about our upcoming historical markers or thoughts on how to enhance our history preservation.

Let us know if you would like to participate. We are eager to welcome your ideas.

Please contact Judy Shafe, WLHC President, or Pat Medill, Friends of WLHC.

NOTHING BUT HUGE SMILES OF GRATITUDE FROM THE 22 WINNERS OF THE \$500 SCHOLARSHIPS AWARDED BY THE WLFC. Fishing Club, President, Hank Nussbeck looks pretty happy too. Thank you Hank and the entire WLFC! Excellent community support!

NATIONAL GOOD NEIGHBOR DAY SEPTEMBER 28, 2022

National Good Neighbor Day was officially established by President Carter in 1978, to strengthen communities. There are any number of ways for neighbors to share kindness, the point is to make an effort to do something to express and promote friendship. It might be something as simple as a smile and a wave. Some suggestions that have been made include:

Meet your neighbor and learn their names.

Be open and friendly...wave and smile.

Invite your neighbor over.

Abide by community rules.

Be a responsible pet owner.

Watch for opportunities to be helpful with simple things.

Offer to watch their property when they are away.

Share a bouquet or a tomato from your garden.

Be respectful, don't gossip about your neighbor.

NEIGHBORHOOD HEROES OF KINDNESS

Summer fun!

We've had a great summer so far! Thanks to our members' help we were able to present the SAV (Supporting America's Veterans) Group with the proceeds from the June 11th Garage Sale donations, and with your contributions of delicious desserts, we helped defray the cost of the Independence Day Dance on July 2nd. Special thanks to our WOW 4th of July float committee! Our float was awarded the "Aloha Spirit" winner in this year's parade. Thanks for all their hard work and creativity into creating this festive and fun design!

Phone Directory Update and Business Ads

We are hard at work updating the phone directory for 2023-2025. Thanks for all those that submitted your residential updates. If you get a phone call, message or knock on your door, it may be a WOW member asking to verify or update your information. We'll keep you posted on our progress but in the meantime, if you have any questions, please email us at wlwomensclub@gmail.com.

As part of the phone directory project, a HUGE need is to find businesses to place an ad. The ads pay for the printing of the directory as well as the annual educational scholarship(s), "Shop with a Cop" project and various other donations the Women's Club makes throughout the year. We are busy making contacts, but if you own a local business or know someone that might want to advertise, please let us know! All ads are due by **August 15**.

Season Kickoff

Mark your calendars for our season kickoff on **Thursday, September 22 at 6:30 pm** at the Community Center. We will be playing BUNCO once again with a CHIEFS theme! Stay tuned for more information on our website coming soon, www.wlwomensclub.com

WEATHERBY LAKE YACHT CLUB

THANK YOU ALL for making the *1st Annual Dock Fest* such a huge success!! Can't wait until next year!!

Togetherby. We are all lake minded.

We hope everyone has heard of ‘The Brigade’ since our launch last month! If not, be sure to check out our website for all the details and information you need.

lantzwelchcitizensbrigade.org

The Brigade will award a total of \$10,000 annually, for the next ten years, to citizens whose ideas will nurture togetherness at Weatherby Lake. Whether you’re an individual or group, adult or child, Eastside or Westside, sailboat or pontoon, sidewalk supporter, pro golf cart, or anything in between, everyone can apply.

We hope your creative ideas are in overdrive to further unite this extraordinary community.

Applications are due October 5th.
Thanks in advance for your enthusiasm!

KTN is updating our list. To receive notifications for upcoming KTN dates, we must have your email address, including all previous and new participants. (Attendance is always optional each month.)

HOW DOES KTN WORK?

On a Saturday of each month, October thru May, you will be invited to join a small group (8-20) residents. Attendance is optional each month. You can choose a smaller sit-down dinner, or a Happy Hour style gathering where just appetizers & drinks are served. Volunteers may host either style of gathering, but you are never required to host. Hosts choose the number of guests they would like. Neither the host nor the guests know the identity of the other guests ahead of time. There may be several gatherings happening around the Lake at the same time.

The focus for both styles of the small group gatherings is **NOT on the food, but rather on meeting neighbors, getting to know one another and developing friendships.**

I WANT TO PARTICIPATE...WHAT DO I DO?

FOR NOW: To be on the monthly reminder list, just email your NAME, PHONE NUMBER, AND EMAIL to MARTY & KELLY WESLEY AT

WesleyMarty@gmail.com

Each month you will be sent a reminder of the upcoming gathering. If you choose to participate that month (you are not required to attend every time), you then choose either the sit-down option or the Happy Hour option. You can choose a different option each month if you want. You will then be sent the home address of your host, and your food assignment for your gathering.

We are updating the list of neighbors (married, single, divorced, widowed, long time & new). Make sure to send us your email address to be on the remind/contact list.

WesleyMarty@gmail.com

Or call Marty 816-536-2089,

Kelly 816-516-1983

NEIGHBORS HELPING NEIGHBORS

Volunteer caring and temporary assistance for Weatherby Lake residents in time of need.

NEIGHBORS HELPING NEIGHBORS is a Weatherby Lake program composed of resident volunteers willing to help in a variety of simple ways. Sometimes that might be offering to take a neighbor a meal, cut the grass, clear snow, assist them in getting to an appointment, or just a friendly visit to help cheer. Accidents and times of grief occur to all of us and a caring neighbor sharing kindness can be a tremendous help. It's those occasional small acts of kindness that can make a huge difference.

We do not take the place of professionals or replace family responsibilities. We are simply your next door neighbors who are willing to volunteer help where we can, and we need YOU to help be a part of watching out for one another. Do you know someone who could use a temporary hand with something? Would you be willing to share an occasional small amount of time and effort to help someone in need? Do you have a talent that might be really helpful? The list of possible needs is varied. Typically, we might go for months without needing to offer our help, and even if we are called on to help, it is rarely more than once a month.

NEIGHBORS HELPING NEIGHBORS is always hoping to improve how we can be of assistance to one another. But, as caring neighbors, we could be limited in certain ways that assistance might be needed. We have developed an agreement with the PLATTE COUNTY SENIOR FUND program to work with them in ways that will assist Weatherby Lake residents to receive the best help available.

For general questions and information, or if you know reliable skilled resources that might be willing to help, Jan Leonard 816-800-2440, Whrby2012@gmail.com. For grief support, contact Kathy Birmingham, 816-741-1753 d.Birmingham@sbcglobal.net

YOUR PRAYERS ARE NEEDED

We would like to increase those participating in our private prayer chain. Please let us know if you could offer an occasional prayer in this special private way to volunteer for your community.
