## From the Editor

Since our world began, people have been drawn to the sea for a number of reasons. My attraction is to the beaches. That is where I find the most important questions and, occasionally, find direction for some of the answers. There is a voice that seems to speak clearer with the solitude and peace I find when connecting with the waves. So, while making tracks in the snow has appeal, I am frequently more drawn to making tracks in the sand.

One of the things I often do on those amazing beach walks is draw in the sand the names of those who come to mind...especially if they have left this world. It's sort of a memorial ritual that many have been doing for centuries. And, for reasons that only seem to be found within, it's a way that we can remind the heavens of the value of their life. It's a fleeting practice...as always, when I return, the names have been recalled. Life is brief. No one has unlimited time to leave their mark. Those tracks we left in yesterday's snow have melted into the reservoir for spring's new growth. I think it is rather spiritual when we take part in assisting with that. Sometimes I smile...sometimes I cry.

We are in the hibernation quadrant of the year. A time to contemplate the opportunities ahead to leave our personal mark that will benefit ourselves and others. I hope we all find an abundance of ways to make that happen. Join me in that inner search. I would welcome your sharing.

## Mayors Comments

Winter greetings from City Hall.

Chief Davis, Emergency Management Director Voorhies and I recently attended an area police chiefs meeting at the KCMO North Patrol Headquarters. It was an active give and take with local law enforcement concerns of all the cities in Platte and Clay County. Major Huth of KCMO Police hosted the event. Both Counties sent representatives.

We let the Major know that the intersection of Eastside Drive/ Amity and Barry Road is very hazardous due to speeding through that intersection westbound down the hill from Zona Rosa. We mentioned that since this is not in our city limits, KCMO police needs to step up enforcement, not just here, but also eastbound coming from the Grass Pad towards both Westside Drive and Potomac. Major Huth was very agreeable to step up enforcement and the Platte County Sheriff's department said they would as well.

The KCMO commander of the Shoal Creek Headquarters was also in attendance and mentioned that citizens calling the Kansas City 311 hotline is VERY effective as well. After the meeting we learned that enough Riverside residents called this 311 number that it caused KCMO to install 2 roundabouts in the Briar Cliff area! The take away is there will be speed traps in this area...be warned and watch your speed limit. Secondly if you see dangerous behavior in the areas I have mentioned, call 311. Please pass this information on and call 311 every time you observe dangerous vehicular behavior.

Your city is in need of a local volunteer to head up our participation in the 2020 Census. This a very important job that determines our local and national representation, including tax revenue we receive and many other policy decisions that are made at all levels of government, as well as the private and nonprofit sectors. If you are interested, please call or come by City Hall. Let's talk!

The April election season is coming up and I am pleased to say that there will be no change on your Board of Alderman or Municipal Court. Doug Richmond and Rick Footer have filed and are unopposed for the Board. Judge Debbie Folkedahl filed and is also unopposed for judge.

On another election note, three residents have filed for two of the surrounding road districts. Resident and former mayor, Alan York has filed for the Platte City Special Road District. Filing for the Parkville Special Road District are residents Gary Gulden for a 3 year term and John Cookinham for a 1 year term. It is essential to support and vote on April 2nd for these 3 gentlemen. The goal is to return more of our precious tax dollars home to Weatherby Lake. Our city finds itself in 3 separate road districts which works to our large disadvantage.

Finally, the Irish American Club will be hosting it's annual parade and party afterwards at the Community Center, Saturday March 16th. A lot of folks work very hard on this with all profits to the benefit of our Weatherby Lake Police Department. I will miss it this year as I will be at my Muldoon Irish Family Reunion in Melbourne, Australia.

Here's to fair weather, a mild rest of the winter and an early Spring!

### Think Winter Safety!!!!!!

Recently the Police Department was called to juveniles on the ice in an access area. The ice was unsafe as the weather had been cold enough to only create a thin layer of ice on the water in the cove areas. The Police Department contacted the juveniles as they were leaving the area on foot and one of the juveniles had broken through the ice when they stepped off a dock and was soaking wet from the frigid water. Fortunately for all concerned the juveniles were unharmed and the juvenile's parents were later contacted regarding their actions involving the ice. I feel very fortunate that no one was injured during this incident and this incident should remind everyone how dangerous going out onto lake ice is. Speaking as a parent and grandparent we should all educate our young people of the hazards of ice. In prior months my staff and I have been working with WLIC on emergency ice rescue procedures.

The surrounding communities outside Weatherby Lake have been plagued recently with thefts from unlocked vehicles and thefts from residence garages where the overhead door(s) have been left standing open. It is important to remember to secure your vehicle door(s) when parked outdoors and all residence door(s) when not in use.

As of 12/2018 there were 921 users on the Weatherby Lake Nixle notification system. To receive notifications of inclement weather conditions, roadway closings or power outages go to the Nixle link at the bottom of the City of Weatherby Lake web page <http://www.cityofweatherbylake-mo.gov>. Click on the Nixle logo to begin sign up for the notifications. You can receive the notifications by text, email or both text and email.

The Police Department ordered and received a hand held thermal imaging monocular after receiving additional funds in 2018 from the Weatherby Lake Irish American Club. The monocular will be utilized by department members for search and rescue both on land/water during day/night or inclement weather. I wish to thank **ALL** the partners of the Weatherby Lake Irish American Club for their continued support and assistance.

The Weatherby Lake Improvement Company has reminded me to encourage everyone to check their personal property like boats and docks throughout the winter months even though lake usage may be down we have had several reports of items breaking loose and causing damage.

# WL Historical Committee

*Giving the past a future*

The Weatherby Lake Historical Committee has been diligently looking at the next historical marker project.

It has been determined that the Weatherby Lake Community Center will be the next site for a historical marker. The goal is to have all facets of the project in place for the presentation of the marker sometime during the fall of 2019. History has been acquired and researched for accuracy. It is a dedicated goal of the Historical Committee to recognize those places within our community that have an important history connected with it.

The Anders Jacks Cemetery now has a great historical marker to help recognize its importance to Weatherby Lake's history. The Historical Committee is mindful of these special places and is committed to recognizing them.

Funding for future markers is a priority with the Committee. Donations for these special projects are gratefully accepted.

## WL HISTORICAL COMMITTEE

The Weatherby Lake Historical Committee is made up of seven (7) members and two (2) alternates. The members are appointed by the Mayor from the public at large, and are subject to the approval of the Board of Alderpersons. Each member must be a resident of the City of Weatherby Lake, and serves for a term of three (3) years.

## WLIC Update

Just finished shoveling snow for the fourth or fifth time this winter. Snow can make for beautiful lake pictures like the one accompanying this article and provide our lake family with a lot of fun winter activities. If you get a moment, please stop by the WLIC Office at City Hall to see some of the Weatherby Lake Winter Wonderland pictures scrolling on our message boards. It should help lift your spirits to get you through to warmer weather.

As the old Watch Sergeant on *Hill Street Blues* used to say, "Be careful out there!" Remember, you are responsible for your own and your family's safety. Use common sense when sledding, skating, fishing and other winter time activities, especially on the ice. Our Lake will have varying ice depths and what's safe in one cove, may not be safe in other places. Remember that Weatherby Lake is a natural body of water. Unlike a swimming pool, there are constantly changing conditions, and inherent risks. All Members, Lake Users and Guests use the lake and access areas at their own risk. And, Members are responsible for their guests.

The WLIC is working with the Weatherby Lake Police Department to develop some wintertime lake safety procedures and has acquired some limited rescue equipment-- a flat bottom metal dingy that can be pushed across the ice for rescue assistance along with ropes, blankets, floatation equipment and

other safety equipment. This will be stored at the property by the Dam. Should an ice or water emergency occur on the Lake, your first action should be to dial 911 and let the emergency responders direct activities from there. However, the WLIC ice safety equipment is available to all in an emergency. If you use it, you do so at your own risk. The WLIC does not warrant the apparatus for any particular application.

In other WLIC matters, we are preparing to place two courtesy docks and three picnic tables at the property by the Dam. We will also have a portable toilet placed there to allow Members to boat over and enjoy picnics and other quiet activities on the property. Security features will also be installed for the property to protect us as we enjoy our newest addition to the community. The use of the building itself will be off limits for use as we decide the long-term best use for the property.

A special 'thank you' goes out to Jaci Foxworthy for helping us out with some illustration needs we had for access area signage. Volunteerism is our legacy, and Jaci came through in aces!

Also remember, if you have not paid your 2019 Assessments, they are due by March 31<sup>st</sup>. If not paid by that date, Members will be subject to penalties.

The WLIC continues to look for volunteers to help serve on committees to maintain the beauty of our Lake. Stop by the WLIC Office to sign up today! **Mark your calendars for the Spring Lake Clean Up on May 4<sup>th</sup> and the Lake Season Kick off on June 2<sup>nd</sup>**. More details to come.

Finally, stay warm and safe. Spring will eventually come, and the Summer lake activities will begin!!

### NEW RESIDENTS

**Brad & Lauren Dymond**  
**John & Sabrina Henning**  
**Matt & Dana Krahn**  
**David & Judy Lefebvre**  
**Manuel Muniz & Michelle Jindra**  
**Gene & Nancy Wycoff**

### NEIGHBOR HEROES

*Sometimes we are fortunate enough to have a special person give us a helping hand when we most need it.*

Two heroes come to mind for their recent acts of kindness. Special recognition goes to **Scott Jackman** for coming to the rescue of a person who had gotten turned around on the Amity trail. Scott went above and beyond to find her and get her safely back to her vehicle.

And, deepest gratitude goes to **Todd Burr** for his very kind and generous assistance with a neighbor's snowy driveway. Thanks, Todd, for the snow removal assistance.....mega appreciation to you.

### CAROLYN GERAN

Our deepest sympathies are extended to the family of Carolyn Geran, who recently passed away. Carolyn and her pre-deceased

husband, Mike, were long time Weatherby Lake residents. Carolyn and Mike are survived by their sons, Dale, Mike, Mark, Reid, and Joel. She was our long time friend and we will sadly miss her happy smile and positive personality.

### FLOYD L. KLAVETTER

Deepest condolences are extended to the families of Mary & Mark Florence &

Heather & Corey Doss on the recent death of Floyd L Klavetter, 87 (Mary's father and Heather's grandfather). Floyd was a Korean War veteran and interment will be in the Black Hills National Cemetery. His greatest joy was his family and they will miss the joy he brought them.

## ***EXTRAORDINARY ACHIEVEMENTS***

**CONGRATULATIONS** are in order for longtime Weatherby Lake resident, **Commander Carlton Philpot**, retired Navy veteran, who was recently recognized with the prestigious Martin Luther King, Jr Service Award. Commander Philpot's last active duty assignment was as an instructor at the Army Command and General Staff College, Fort Leavenworth, where he retired. He was the chairperson and project director of the Buffalo Soldier Educational and Historical Committee, and more recently, he unveiled a monument to the all-Black Women Army Corps 6888th Central Postal Directory Battalion. The quote, "Only in the darkness can you see the stars" was mentioned regarding Commander Carlton Philpot's extraordinary service to his country. Our gratitude is extended to our neighbor for his dedicated loyalty.

**Resident, Mary Florence**, recently received a Gold President's Volunteer Service Award in recognition for her contributions on the Federal Taxpayer Advisory Panel. The President's Volunteer Service Award was launched by former U.S. President H. W. Bush to encourage and empower the spirit of service and to recognize "Points of Light." Mary was selected to be the Taxpayer Advocacy Panel representative from Missouri, serving a three year term from 2015-2018. She served on the Special Projects Committee in the roles of sub-committee Chair, Vice Chair and Chair. This federally appointed panel proposed numerous suggestions for improvements on forms, notifications, website and security processes to improve taxpayers' understanding and satisfaction with the IRS. Applause Applause to Mary for her creative service for all of us.

The international military students will talk about the geography, history, current culture, economy, and security of their respective countries. Each year officers are sent by allied countries for a yearlong period of study. Many officers have their families accompany them and their children attend public schools.

Several residents at the Lake participate as sponsors for these officers and their families, providing a friendly contact in the Kansas City area to help orient and acclimate them to our area and our country. We have enjoyed sharing experiences, customs, political ideas, and establishing bonds with these families that

Our mission is to make Weatherby Lake and the metro the healthiest place in America. Won't you join us?

This winter there is a longevity walking/ hiking group meeting on Fridays at 9am in Parkville. Please text Jennifer Hudak before 8:30 am Fridays for meeting place 816-898-6433.

Have an idea for longevity? Want to start a walking, biking, hiking, skiing, exercising, kayaking or swimming group? Please let us know the day, time and activity you would like to commit to a group.

Talks scheduled this next year will be held at the Chiropractic office of Dr. Michael Hudak and include a variety of health subjects, and those who partake in our quest of health and longevity in our city are welcome to attend. Dates TBD. For more information text Michael Hudak, 816-898-7877.

*WOW! Women of Weatherby*Website: [www.wlwomensclub.com](http://www.wlwomensclub.com)Email: [wlwomensclub@gmail.com](mailto:wlwomensclub@gmail.com)**Winter recap**

We had a blast at our annual Christmas party in December. Thanks to all who attended and also for donating a total of 165 gifts for the children at Synergy. Thanks for your generosity and kindness!

On January 10 a group of Weatherby women visited the Synergy Services Children's Center. We got a tour of the facility with Jennifer Hurst, Director of Development. We got to meet some of the kids who live there, and see firsthand how Synergy is making a difference in their lives and in the community. We will continue an ongoing relationship with this amazing organization. There are many ongoing volunteer opportunities. Check out their website: <https://www.synergyservices.org>

**Looking ahead to Spring**

We will start back our monthly gatherings on **Thursday March 14**. It will be held at the community center from 6:30-8:30 pm so mark your calendar! We will have a very informative presentation by Mike Hudak, local chiropractor and lake resident. The topic will be on the effects of stress and how to manage it. More information coming soon on email and our website.

If you aren't currently receiving email updates or you're interested in joining the women's club please email [wlwomensclub@gmail.com](mailto:wlwomensclub@gmail.com).

## Weatherby Lake Yacht Club

Hello everyone, Jim Kennedy here, your WLYC Commodore, and Happy New Year to all of you. The expectations are high for a great 2019. We at the WLYC are planning our calendar year of events, parties and meetings hoping to bring a new and exciting venue of fun....Weatherby Lake Style...to you.

Our NEW Event Chairperson, Holly Aldridge is teaming up with Anna Ebbrecht and her husband Mike Aldridge, our Beverage Chairperson, to bring some great events to the lake for all of you.

Our season always starts off with our traditional "Ice Breaker" event on March 30th. It will be held at the beautiful home of Scott and Mindee Jackman at 7511 NW Kerns Dr. (Thanks Scott and Mindee!) This event is an "Open Door" opportunity for everyone on the lake, Yacht Club member or not, to attend and meet and greet our board of directors, existing members of the club and see if joining our club is right for you. Our mission for the year is to listen, and learn from our members and the community, on what YOU want from a Social club such as ours... and become that club. Times are changing; new opportunities and so are our residents. We need to be in touch with these changes and adjust so we bring to you....what you're looking for. So please mark your calendars and attend this great event. Don't forget; it's a Chili and Desert competition!!

Below is our calendar for the year.

Ice Breaker	March 30	Jackman Residence at 7511 Kerns Rd
Blessing of the Fleet	April 27 <sup>th</sup>	CPoint
Jr Sailing Kick Off	May 23 <sup>rd</sup>	CPoint
Progressive Dinner	June 15 <sup>th</sup>	Bob Mullhalls and The Rapps Home
Light up the Lake	June 28 <sup>th</sup>	Boat Caravan on the Lake all lit up
4 <sup>th</sup> July Party	July 6 <sup>th</sup>	CPoint
Jr Sailing Pizza Party	July 18 <sup>th</sup>	CPoint
King Series Event	August 24 <sup>th</sup>	CPoint
Long Distance Race	September 14 <sup>th</sup>	CPoint
TBD	September 21 <sup>st</sup>	CPoint
Awards Banquet	November 16 <sup>th</sup>	Community Center
Thanksgiving Day Sail	November 28 <sup>th</sup>	TBD

Also remember that our Jr Sailing Program kicks off first thing after the school year ends so sign up your youth now. John "JW" Perlik is heading up our program this year as Jr Sailing Commodore. He has built a great team starting with assistance from Lindsay Grasis Hatcher, teachers Betsy Perlik and Pete Perlik to provide the best sailing educational experience you can find in the area. Not restricted to YC members. All residents and family may participate.

Let's have a safe and fun remainder of the winter and look forward to a soon to come warm spring and summer here on Weatherby Lake.

Regards

Jim Kennedy

# KNOW THY NEIGHBOR

*In-home monthly, fun & casual, gatherings for All residents for the purpose of getting to know your neighbors.*

## New Season Dates

**February 16    April 20    May 18 (Finale)**

On the third Saturday of each month at 7:00 PM, October thru May (except December), volunteer Weatherby Lake residents rotate hosting a casual social gathering in their homes. There are two options for the gatherings each month, either a casual sit-down meal or a Happy Hour style gathering with just appetizers. A host determines the number of guests they have. Neither the host nor the guest knows the identity of the other guests ahead of time.

The focus for both styles of the small group gatherings is not on the food, but rather on meeting neighbors, getting to know one another and developing friendships.

### I WANT TO PARTICIPATE, WHAT DO I DO

**FOR NOW:** To be on the monthly reminder list, just email us your NAME, PHONE NUMBER AND EMAIL ADDRESS to: [KNOWTHYNEIGHBOR2@gmail.com](mailto:KNOWTHYNEIGHBOR2@gmail.com).

Each month you will be sent a reminder of the upcoming gathering. If you choose to participate that month, (you are not required to attend every time), you then choose either the sit-down option or the Happy Hour. Then you will be sent the location and food assignment for your gathering. See Option descriptions below.

**Attend a Dinner:** You will take one pre-assigned dish (appetizer, vegetable, salad with bread, or dessert), and your own beverage of choice.

**Host a Dinner:** You provide your home, the main dish, water, coffee and tea.

**Attend a Happy Hour:** You take an appetizer and your own beverage of choice.

**Host a Happy Hour:** You provide your home, one appetizer, tea and water.

**NOTE:** **KNOW THY NEIGHBOR** is celebrating over 30 years of bringing Weatherby Lake neighbors together. As we begin this new season, we are updating the email list. So, even if you have been on the previous contact list, you will need to sign up, again. Just email your name, address, phone number, and the email address you prefer to be contacted at. This will insure that you will receive the monthly reminder. Send your info to [KNOWTHYNEIGHBOR2@gmail.com](mailto:KNOWTHYNEIGHBOR2@gmail.com)
