FINDING EMMA

Not every day can be one of unending happy surprises, especially those of a downright miraculous nature. But, I had one today that left me with an overwhelming sense of a deep miraculous connection with my Great Grandmother. I recently inherited an amazing hand stitched quilt estimated to be created somewhere around 1920 by my Great Grandmother, Emma. This quilt was put together with small intricate shaped pieces of cloth, mostly feed & flour sack fabric, and thousands upon thousands of teeny tiny little stitches done completely by hand.

Emma had died before I was born, so I never met her, yet there was this strong connection to her. I have her photo with my Great Grandfather, hanging in my parlor in one of those oval convex frames that they used 100 years ago. I have looked at that photo uncountable times, and even had conversations with both of them, especially, Emma. I have a few other small pieces of her handiwork, and she was indeed extremely talented with her sewing skills. However, nothing compared to the magnitude of the quilt. The quilt is not large, actually rather small, measuring only 6'x5' and very lightweight. It is worn to a point of being so fragile that I hate to even pick it up. It would never withstand being even handwashed. The entire outer edge is nearly in shreds from loving hands tugging on it to snuggle on cold nights. By amazing chance, I was directed to a wonderful woman who is nothing less than a bona fide expert in heirloom quilts. She is familiar with the fabric, the stitch style, the design, the era, and she can identify how and when these old quilts came into existence. The more she shared with me, the closer I felt Emma's presence. But, it is what she said about my Great Grandmother that brought me to tears. "It's as if Emma wants to send a message to her Great, Great, Great Granddaughter, Emma Anne, that she made this quilt with her in mind". But, she had no way of knowing that only a few nights earlier, I had had a dream that Emma had said those very exact words

to my Granddaughter, Emma Anne. When I told her that, she did not seem surprised at all, but very certain that it was a piece of time stitched together with 100 years of love, for a specific person.

We rarely get an opportunity to witness a connection with a long ago link, let alone be part of that link. I am blessed beyond understanding, yet I know that it is real. It is such a powerful reminder of the reality of how we are all part of a quilt, not just within our own families, but with so many others that we share a community with. It's not just that we might be drawn to someone because we are interested in the same hobbies or lifestyle. Every path that crosses ours has the potential to bring some special meaning into our lives. Our Weatherby Lake community is a solid example of this. We need to pay closer attention to every soul that we encounter. It isn't just those brought to us through family, but those brought to us through that invisible thread.

I now know the best way to preserve Great Grandma Emma's quilt for generations to come. I can't wait to give it to Emma Anne for her upcoming birthday.

Peace & Goodwill -

Pat Medill

Mayor's Comments

Is it already Fall? Wow, this summer sure flew by.....I'll blame Covid-19

As many of you already are aware, Rick Footer and his family have moved away from Weatherby Lake. Rick, Ashley and their family have become a well known force here in our City in just a relatively few years. Ashley, as many are aware, restarted the Kids Club which evolved into the Family's Club and seemingly simultaneously started the Weatherby Lake Facebook page. Rick has been an Eastside Alderman since April of 2017. Rick worked diligently to enhance communication to and from the citizens and the Board of Aldermen. He spent many hours working and researching projects and issues that affect our City and has been actively involved in many clubs and committees. After over three years of outstanding, thoughtful, and caring service to the City and citizens of Weatherby Lake, Rick will be greatly missed as a friend and colleague. Thursday, September 10th, 2020 was declared Rick Footer Day by myself and the Board of Aldermen. The Footers have not moved far away and plan on returning here in the future.

With the remaining Aldermens' approval, I have appointed David Mueller to fill out Rick's remaining term as an Eastside Alderman. Dave and his wife Nancy have lived here at Weatherby Lake for over 40 years. As a former hospital administrator, Dave brings a wealth of financial expertise and historical knowledge of Weatherby Lake to our Board of Aldermen. Thank you Dave for accepting our appointment!

After 3 long years of work by Alderman Doug Richmond, Public Works Director George Lowman, multiple engineers and attorneys I am happy to announce that the City is very close to establishing a long sought emergency water connection with Water District 6 which abuts us across from City Hall. We are finally in the process of an RFP (request for proposals; aka 'bid's) for the infrastructure and plumbing that will be located right behind City Hall. It is very important for both ourselves and the Water District in the event of a service interruption by either of us. Since both entities have different sources of water we will each be able to share with the other. Our hope is to have this project completed by next Spring. Funding for this project is being shared equally by ourselves and Water District 6. Our portion is already in reserve.

We are going to have a Fall City Wide Clean-up for yard waste only on the weekend of October 30th thru November 1st. In preparation for winter our salt bins are full and our 4 city trucks will be ready for snow and ice that hopefully we won't have much of.

Stay healthy and safe and don't forget to vote November 3rd.

Steve ClarkMayor

Kops Korner

Recently, our area experienced unknown person(s) walking several streets during the overnight hours checking door handles of parked automobiles to see if the vehicles were unlocked. Unfortunately these person(s) located at least three vehicles that were not locked and items were stolen from inside these unsecure automobiles including vehicle/residence keys and remote garage door opener devices. During the same overnight period in a related case another vehicle was unsecured with the ignition keys left inside the vehicle. This vehicle was stolen and later utilized in other crimes outside of Weatherby Lake. The stolen vehicle was later recovered in another jurisdiction, heavily damaged with all the contents missing. These cases are ongoing and are part of several cases in the northland and KC Metro area.

Nixle text/email was utilized to remind all subscribers to secure their vehicles when not in use while parked outdoors. To be notified of:

Inclement weather conditions

Roadway closings

Special events

Water service emergencies

Community alerts such as the above event

I would encourage you to sign up for Nixle notifications. The Nixle link is located on the bottom of the City of Weatherby Lake web page <http://www.cityofweatherbylake-mo.gov>. Click on the Nixle logo to begin sign up for the notifications.

As people begin to travel again I would encourage residents to utilize the Online residence check form located on the city's web page <http://www.cityofweatherbylake-mo.gov>.

The Jeremy Katzenberger Memorial Triathlon was conducted on 08-30-2020, with a limited number of 100 participants due to the pandemic. By all accounts the event was a success with minimum parking/traffic congestion. I would like to thank all the organizers for an excellent well-executed event!

I would like to take this opportunity to suggest that all walk-in and overhead garage door(s) be secured when not in use. During the months of June/July/August/September between the hours of 10:00 p.m. and 5:00 a.m. WLPD located 124 open residence garage door(s). In each instance WLPD attempted to contact the residence owners and request they close the open overhead garage doors.

The Weatherby Lake Improvement Company has reminded me as the boating season is winding down no one should leave ANY valuables unattended on their boat at any access area or while being stored in the city boat lot.

WEATHERBY LAKE IMPROVEMENT COMPANY

As we prepare for the 2020 Annual Membership Meeting we are unsure of the method we will use for the meeting format given Platte County Health Department Covid-19 guidelines in November. This article is based on the assumption we will have a virtual meeting using WebEx.

We will be sending you instructions for the virtual meeting and the Annual Meeting Packet including the Meeting Agenda, Financial Statements, Sample Ballots, Committee Reports and Board Candidate Profiles. Current Board members Don Coleman II, Julie Horseman, Scot Jackman and Tom Urbaniak are running for re-election. Daniel Berlund will be running as a new candidate. All profiles will be included in the packet.

Because of the pandemic, the WLIC office at City Hall was closed in March and since that time (approximately 8 months) the office staff, Beth Moraitis and Larissa Lindow have been working remotely from their homes. Our previous summer intern, Bella Catano, re-joined us to help again this year. The team has done an exceptional job in servicing the needs of our members. Also, our attorney, James Kessinger, provided exceptional guidance and insight in helping us navigate through the uncharted waters brought on by the pandemic. My thanks to them for the help they provided during this past year. In the field, Hank Nussbeck and Wilbur Stuhlman continued to keep our lake and access areas clean and in good shape. This is even more important given the requirements during the pandemic. And I would also like to personally thank the WLIC Board members and staff for their help and professionalism in the conduct of our virtual Board and Committee meetings. It was a team effort.

Several volunteer ad hoc groups were formed by our members to address issues that occurred on the lake. These included committees to provide guidance with new lake activities such as paddle boarding, kayaking and remote control boats. A parent/youth group has also been meeting to provide leadership guidance and suggested fun activities on the lake. The WLIC supports these volunteer efforts.

Special kudos for the exceptional work from the Water Patrol Coordinator Jon Bushman and his team of Water Patrol and Shore Patrol personal (add all patrol person names): Peter Houston, Jessica Von Felten, Victoria Redford, Gabriel Trillin, Doug Harvey, Keith Long, Darin Pond, Danielle Wigger, Donna Shahbazi. With many outside activities and events in the surrounding area closed because of the pandemic, lake activities were often times the only recreational activities available. The WLIC attempted to balance our member participation and enjoyment of these lake activities with the protection from disruption by influences and trespassers. We also increased the shore patrol presence at C-Point and other access areas due to an increased number of trespassers. Additional member safeguards includes enhancing cameras and adding additional cameras.

As you will read in the Committee Reports contained in the Annual Meeting packet, 2020 was both a busy and somewhat unusual year for the WLIC. Many events and activities normally held during the lake season had to be modified or cancelled due to health department guidelines. I would like to thank all our members and guests for their understanding and good humor during this time. It helped in getting us through these trying times.

During the year we have made several key decisions to protect our Lake and our watershed. Again, many volunteers contributed their ideas and manpower to improving our community environment. The WLIC will continue to pursue additional opportunities to make our lives better in the future. Challenges aside, we were able to have fun, organize and support the many good activities which make our lake a great place to live, both now and in the future.

Please join us for our virtual annual meeting at 7:00pm on Tuesday, November 10th.

Resident & Community News

LOIS RAPP

Deepest sympathies are extended to the family of LOIS RAPP, on her recent passing. To her son Dan Rapp (wife Brenda and family), to her daughter Pam Grasis (husband Augie and family), and to her grandson Ryan Sutton (wife, Meg and family)...all long time residents

of Weatherby Lake. Lois lived a full life of loving and giving to many. She will be remembered and missed by all.

JEAN OHLHAUSEN

Our heartfelt sympathies go out to Bill Ohlhausen and family (four children, including Marta Kimball & family) on the recent passing of JEAN OHLHAUSEN, all long time residents of Weatherby Lake. Jean was active in the community, giving wherever and whenever she could. Jean was our

neighbor, beautiful friend, and loving grandmother to eleven grandchildren. She will be deeply missed by all.

Halloween Trunk-or-Treat *Saturday, October 31st @ C-Point* We are in the process of creating a COVID conscious Trunk-or-Treat plan and gaining the appropriate approvals. Please stay tuned to the "Weatherby Lake Facebook Page" and "Weatherby Lake" groups on Facebook where all final details will be shared. If you don't have access to or utilize Facebook, please email wlcommunityactivities@gmail.com for details.

Thank you! Thank you to everyone who participated in the Swim Races and Corn Hole Tournament and/or enjoyed lunch from Sancho Street Side's food truck to celebrate Labor Day's Last Blast on Sunday, September 6th. We really appreciate the community's support and can't wait to continue current traditions and offer new events once the pandemic is a distant memory.

Thoughts? Suggestions? Want to join? WLCA would love to hear your thoughts or suggestions and is always looking for residents to help plan events. Please connect with wlcommunityactivities@gmail.com

Greetings WLGC members and future members!

Gardening is still happening but WLGC meetings will not resume until possibly December. Save the date for our Fun Doo gathering in February and Garden Symposium Kick Off in March. More to follow via email and Facebook.

Many of you have spent a great deal of time dressing up garden beds and containers during this crazy time! If you are hesitant in knowing where to start, the garden club is the place to begin. A huge thank you to our newest member and Web Designer, Sherrie Del Soldato, who is getting our website up and running. Exciting right? This will allow members to ask questions, post comments and join the club.

Here are a few gardening tidbits to help with your transition in to the Fall season.

Pruning Lilac Bushes:

Can an overgrown lilac be trimmed back in the fall or wait until spring?

If you don't mind losing your spring blooms, go ahead and prune. Fall pruning will not harm the plant. The blooms will be a loss. It is best to wait until after flowering then tackling the overgrowth can be handled. Heavy trimming can slow the flowers to come back.

Sun-Shade Native Landscaping Plants:

How much direct sun does your area get?

Less than three hours based on a mid-summer sunlight pattern select open woodland species. Cornflower, downy skullcap, red buckeye, and palm sedge are great ideas.

Ideas for open-shade include goatsbeard, phlox, spiderwort, wild geranium and purple milkweed to name a few.

Last but not least are container designs for winter interest and to add splash to your entrance.

Pull out worn summer plants. Add ornamental kale, live greens, gourds or pumpkins.

Add red plant stems and white Birch logs.

Don't forget the thrill, the spill and the chill!!!

Garden tidbits taken from the Kansas City Gardener November 2019 issue.

May you all stay safe and enjoy the aromas in preparing Fall cooking and baking. Blessings to you and your family! Happy Halloween and Happy Thanksgiving!

Fall in love with your garden all over again this season!

Grazing in the grass, it's a gas. Can you dig it?

Jeanne Lueders, President WLGC

Happy Fall Ladies!

October Virtual Event

We had a fun Zoom virtual kickoff last month! Thanks to all that attended. We're planning on one more extra special virtual event on **Thursday, October 8** at 7 pm. We will watch a **Heavenly Oils** video demonstration in Chef Mike Silber's kitchen where he will prepare his awesome recipe for Pulled Pork. He will be using Olive Wood Smoked Olive Oil and 18 year aged balsamic.

Those who pay their annual Womens Club membership dues (see info below) by **Tuesday, October 6** will be entered into a special raffle prize drawing provided by Heavenly Oils! A 10% discount will also be provided to WOW members to be used in the month of October at the Heavenly Oils store in Zona Rosa.

RSVP for this event by **Tuesday, October 6** by emailing wlwomensclub@gmail.com.

November Event

If all goes well we will be meeting **IN PERSON** on **Thursday, November 12** at 7 pm at the Community Center, so mark your calendar!

Our topic will be on the "8 Dimensions of Wellness" led by Jennifer Tallman with Integrated Bodywork of Kansas City. More information coming soon!

Annual Membership Dues

In order to be entered in the raffle prize drawing in October, you must pay your annual membership dues of \$20 by **Tuesday, October 6**. You can either pay with cash or check (payable to Weatherby Lake Womens Club) and drop-off at City Hall or make arrangements to mail or drop off at the home of Bernie Botbyl. If you have any questions please email us at wlwomensclub@gmail.com.

KNOW THY NEIGHBOR

In-home monthly, fun & casual, gatherings for All residents for the purpose of getting to know your neighbors.

On a Saturday of each month at 7:00 PM, September thru May, volunteer Weatherby Lake residents rotate hosting a casual social gathering in their homes. There are two options for the gatherings each month, either a casual sit-down meal or a Happy Hour style gathering with just appetizers. A host determines the number of guests they have. Neither the host nor the guest knows the identity of the other guests ahead of time.

The focus for both styles of the small group gatherings is not on the food, but rather on meeting neighbors, getting to know one another and developing friendships.

I WANT TO PARTICIPATE, WHAT DO I DO

FOR NOW: To be on the monthly reminder list, just email us your NAME, PHONE NUMBER AND EMAIL

ADDRESS to: KNOWTHYNEIGHBOR2@gmail.com.

Each month you will be sent a reminder of the upcoming gathering. If you choose to participate that month, (you are not required to attend every time), you then choose either the sit-down option or the Happy Hour. Then you will be sent the location and food assignment for your gathering. See Option descriptions below.

Attend a Dinner: You will take one pre-assigned dish (appetizer, vegetable, salad with bread, or dessert), and your own beverage of choice.

Attend a Happy Hour: You take an appetizer and your own beverage of choice.

Host a Dinner: You provide your home, the main dish, water, coffee and tea.

Host a Happy Hour: You provide your home, one appetizer, tea and water.

Out of appropriate concern for our residents, until further notice, KNOW THY NEIGHBOR will not be asking for hosts to accept guests into their homes to share time and space.

Please be mindful of this most responsible regard of safety.

We are close in thought. The best of holidays to everyone.

NOTE: **KNOW THY NEIGHBOR** is celebrating over 30 years of bringing Weatherby Lake neighbors together. As we begin this new season, we are updating the email list. Make sure to email your name, address, phone number, and the email address you prefer to be contacted at if you would like to be included. This will insure that you will receive the monthly reminder. Send your info to KNOWTHYNEIGHBOR2@gmail.com

NEIGHBORS HELPING NEIGHBORS

Volunteer caring and temporary assistance for Weatherby Lake residents in time of need.

NEIGHBORS HELPING NEIGHBORS is a Weatherby Lake program composed of resident volunteers willing to help in a variety of simple ways. Sometimes that might be offering to take a neighbor a meal, cut the grass, clear snow, assist them in getting to an appointment, or just a friendly visit to help cheer. Accidents and times of grief occur to all of us and a caring neighbor sharing kindness can be a tremendous help. It's those occasional small acts of kindness that can make a huge difference.

We do not take the place of professionals or replace family responsibilities. We are simply your next door neighbors who are willing to volunteer help where we can, and we need YOU to help be a part of watching out for one another. Do you know someone who could use a temporary hand with something? Would you be willing to share an occasional small amount of time and effort to help someone in need? Do you have a talent that might be really helpful? The list of possible needs is varied. Typically, we might go for months without needing to offer our help, and even if we are called on to help, it is rarely more than once a month.

NEIGHBORS HELPING NEIGHBORS is always hoping to improve how we can be of assistance to one another. But, as caring neighbors, we could be limited in certain ways that assistance might be needed. We have developed an agreement with the PLATTE COUNTY SENIOR FUND program to work with them in ways that will assist Weatherby Lake residents to receive the best help available.

For general questions and information, or if you know reliable skilled resources that might be willing to help, contact Pat Medill, 456-2007. PRMedill@aol.com

Our friend and neighbor, Mike Aldridge, took an unfortunate fall this summer and is recovering in rehab. He will return home soon. Our prayers are extended to Mike, Holly, and children for a healing of Mike's injuries.
