You know when you hear a song that you haven't heard in a while and it gets stuck in your mind and you can't get away from it, no matter what. That happened to me recently with a song that has lyrics that can be touching to all of us. "You'll Never Walk Alone", written by Rodgers & Hammerstein many years ago is a song that is well known around the world and those words have been meaningful to millions, so it isn't surprising that I would be drawn to sing along. But, anytime that a message comes to me repeatedly, and sticks with me, I am going to give it some extra attention. I'm thinking this message wasn't just for me, but meant to be shared.

We have all walked through the storm and had fears that required us to push on, even when we felt alone and without hope. Knowing that others have had similar challenges and have had dreams shattered or felt sad and lost has not always been a strong comfort to me. So, I am careful to not expect that I might be the one who can raise another up from their personal grief or failures. However, I do know that being with those friends and family who genuinely support me with their real caring can definitely be the most important gift that they can give me. They may not totally understand my pain, or be able to relate to those things that have brought me to my knees, but if they genuinely care for me, then I am pretty much assured to find that saving line back to happiness and meaning in life. In case you are not familiar with this amazing song, or have not heard the words in a while, I'd like to share them here, now. If you know the melody, just sing it to yourself a time or two, and see what transformations might occur in your own heart. It's a powerful message...and it's meant for all of us. Reach out with open hands and heart and multiply the kindness.

### "YOU'LL NEVER WALK ALONE"

When you walk through the storm, hold your head up high.  
And, don't be afraid of the dark.  
At the end of the storm is a golden sky, and the sweet silver song of the lark.

Walk on, through the wind...Walk on, through the rain,  
Though your dreams be tossed and blown.  
Walk on, walk on, with hope in your heart,  
And you'll never walk alone...you'll never walk alone.

Walk on, walk on, with hope in your heart  
And, you'll never walk alone, You'll never walk alone,  
You'll never walk alone.

*Peace & Goodwill -

## Mayors Comments

Summer arrived on June 21<sup>st</sup> - this has always been my favorite season, especially so since I moved to Weatherby Lake 30 years ago. Many community activities are available to enjoy and I try to take in as many as I can.

The SWAT Dance takes place Saturday June 30<sup>th</sup> and that kicks off the activities for the 4<sup>th</sup> of July. Sunday, July 1<sup>st</sup> at 4 PM at Cristhaven Park it's the Games on the Greens. The annual softball game between the City and the WLIC takes place at the Community Center Field at 6:30 PM. The City team will try to retake the traveling trophy. It seems to always be a hot, steamy event, no matter who wins. On the 4<sup>th</sup> of July the day is full of events beginning with the parade and ending with the usual spectacular fireworks display from the dam. The fireworks are fully funded by resident contributions. The Board of Aldermen added more fireworks this year so I encourage all who enjoy the show to bring a contribution to City Hall. Please become familiar with what fireworks are allowed, what are not, the associated days, times and places to shoot them and most importantly, personal safety measures.

The Park Board kicked off their 10<sup>th</sup> annual Gene Roberts Music in the Parks Concert Series on June 15<sup>th</sup> with Weatherby resident Bruce Dercher's band Chapter 5. It was a very pleasant evening at the best venue north of the river; Cristhaven Park. All three concerts are performed by local Weatherby Lake musicians. If you missed Chapter 5 there is a second chance to enjoy this very talented group at the SWAT Dance June 30<sup>th</sup>. The next Park Board concert is Friday evening, July 27<sup>th</sup>. The local band that night is Outlaw Jim and the Whiskey Benders. I hope to see everyone there.

Starting in June we began a monthly get together of 'seniors' at City Hall. It was a small informal gathering of folks to just get together, drink coffee, eat pastry's that some had brought and chat with a city official. I was the first 'victim'. I gave updates on current things going on in the city, county and state. Afterwards we had a question and answer session. It was a great opportunity to get to know each other and renew acquaintances. This will become a monthly event every second Wednesday at City Hall, beginning at 10 AM. This is an idea of Alderman Tanya Finn and she has scheduled Police Chief Kevin Davis for July 11<sup>th</sup>.

Lastly, Google Fiber just announced it is reopening Weatherby Lake subscriptions. They are beginning neighborhood canvassing and will have set hours at City Hall for walk in sign ups as well.

Safely enjoy all that our community has to offer this month with your family, friends and neighbors.

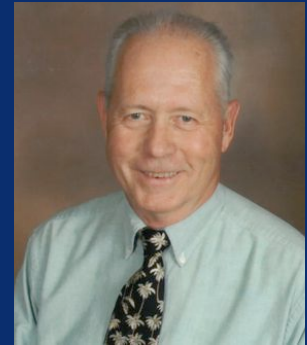

See you on the lake.

## Kops Korner

On 06/03/2018 the department participated in the Weatherby Lake Improvement Company's annual "Spring Kick Off" at the C-Point Access Area. The department members were joined this year by members of the Burlington Northern Sante Fe Railroad Police. Even though we do not have a railroad within Weatherby Lake, almost every citizen has some interaction with the railroad. I would like to thank the BNSF Officers for their participation in this event.

Weatherby Lake's Officer Phelps & Officers from Southern Platte Fire District.

We have experienced several spring storms during the last few weeks, I would like to stress that every household utilize a weather application on a "smart" device, sign up for free weather notifications on Nixle or purchase a weather radio. The weather radios can be purchased at "Price Chopper" and Police Department staff can assist you with weather radio programming.

The Fourth of July is nearing and the city has mailed an informational flyer to every residence with a calendar of events and a parade map. I encourage everyone to review the parade map as the traditional parade route has changed. Expect minor traffic congestion during the parade. A reminder that the dam will be closed to all traffic on July 4<sup>th</sup> after 10:00 a.m. to set up for the fireworks display. The dam will reopen for traffic by the morning of 07/05/2018.

The Weatherby Lake Improvement Company has reminded me that no fireworks are permitted on WLIC Access Areas. On July 4<sup>th</sup>, holiday parking and entrance rules are in place for the C-Point Access Area. Refer to [wlic.org](http://wlic.org) for details.

It is my wish for all to have a safe and enjoyable 4<sup>th</sup> of July holiday and I would like to remind everyone of the fireworks ordinance (210.225 In-Part).

The following types of fireworks are always prohibited within the City of Weatherby Lake, and it shall be unlawful for any person to carry on or about his/her person, use or display the following (unless authorized by the provisions of Subsection (F) of this Section):

*All aerial devices.* Including, but not limited to, sky rockets, missile-type rockets, bottle rockets, helicopter aerial spinners, Roman candles and mine shells.

*Audible ground devices.* Containing over twenty-five (25) milligrams of pyrotechnic composition, including, but not limited to, firecrackers, chasers, M-80's, cherry bombs, etc.

The following types of fireworks are allowed within the City limits of Weatherby Lake on July 2, 3 and 4 between the hours of 9:00 A.M. and 10:00 P.M.:

*Ground and hand-held sparkling devices.* Such as sparklers, cane fountains, wheels and ground spinners.

*Audible ground devices.* Containing twenty-five (25) milligrams or less of pyrotechnic composition, such as small firecrackers and lady fingers.

*Novelties and trick noisemakers.* Not classified as common fireworks by the United States Department of Transportation, such as snakes, smoke devices and snappers.

**It shall be unlawful for the owner, renter, or person in control of any property to allow the sale, purchase, use, ignition, display or explosion of the above prohibited fireworks.**

## WL Historical Committee

The Weatherby Lake Historical Committee has been busy with meetings to plan for the future. The current goal is to provide historical markers around the City to indicate those areas that are historical in nature. The marker for the Cemetery on Eastside Drive was installed earlier this year, and markers for the Community Center, City Hall, and the Dam are on the drawing board. The style would be identical to the marker at the Cemetery, and would give the historical significance of each of the sites.

We are going to make the markers a community endeavor and offer the opportunity to contribute to all residents. Your donation can be in the form of a memorial, or a recognition or in any form that you would like. Donors will be recognized in various ways. Specific details will be forthcoming.

For information on ways that you can participate with the marker project, contact any one of the Historical Committee members.

## WL HISTORICAL COMMITTEE

The Weatherby Lake Historical Committee is made up of seven (7) members and two (2) alternates. The members are appointed by the Mayor from the public at large, and are subject to the approval of the Board of Alderpersons. Each member must be a resident of the City of Weatherby Lake, and serves for a term of three (3) years.

## W.L.I.C. Update

Letter from the WLIC intern

Hello Weatherby friends and neighbors! This is your new 2018 WLIC intern. I am very excited to be working with the WLIC this summer to protect our lake community. I am a recent graduate of Truman State University, who is pursuing a career in community development. My focuses at the WLIC include learning about natural resource protection, community improvement, and the differences between nonprofit and governmental organizations.

My first day at the WLIC consisted of a 2 ½ hour Board of Directors meeting. It was long, but was probably the best possible introduction to the work of the WLIC. I had the opportunity to watch a piece of the dock variance process. The WLIC has very thorough approval processes, in order to ensure safety, protect our members' lifestyle and the lake's appearance, and to hear the opinions of the community. I also learned that apparently, it is WLIC tradition to print and publicly share the resume of the summer intern in the meeting packet. This was an embarrassing surprise for me, but at least I was saved the awkwardness of formally introducing myself.

I attended my first Lake Season Kick Off on June 3rd. We were blessed by beautiful weather, good friends, great food, and of course, our wonderful staff and volunteers who made it all happen. A big thank you to everyone who contributed their time, talents, and resources to this event!

The WLIC has an amazing staff, but even more amazing volunteers. I am truly impressed by the time and effort donated by our members. The Board of Directors are dedicated to making our lake community safe and enjoyable. They and other WLIC members go above and beyond every day, cleaning up storm debris, collecting water samples for safety testing, inspecting boats and docks, and so much more. Recently, a group of volunteers spent hours toiling in the June heat to erect a new playground for the kids at C-Point. WLIC staff tested it out and can confirm: it looks great and is fun for both kids and parents!

Thank you to all WLIC members for your support. Together, we make a difference!

## Joe Miller

Our prayers and sympathy are sadly given to Sue Miller and family on the recent loss of Sue's husband, Joe Miller. Joe and Sue graduated together from Park Hill, and were active residents of Weatherby Lake for many years. Joe was a true leader in the community. He will be missed by many.

## Jim Ketter

Abundant sympathies are extended to Sarah and Daniel Umscheid and family on the recent death of Sarah's father, Jim Ketter. Weatherby Single Friends is for all single residents on the Lake, including never married, divorced, or widowed. This is a great support and social group that gets together every month.

Fun outings, home dinners, creative discussions, service projects, etc. This is NOT a match-up or dating group, just good friends having fun, and supporting one another.
