### ENCOURAGING WORDS

Encouragement is one of those amazingly empowering gifts that in order to really work it's magic to the fullest, it has to come from outside of us. Of course we can give ourselves those internal pep talks and call on our spiritual resources, but it is those words coming from someone who believes in us more than we might believe in ourselves at that moment that lifts our will to take a chance and give the impossible a try.

At a very early age I had a deep belief that I could fly...you know...like a bird. (I am really taking a risk here by even admitting this, because I have never met anyone who ever had this belief, until recently.) Of course, I was a child, so remember that before you get too critical. But, it was my younger brother who was largely responsible for me making numerous attempts of jumping off the chicken house. He would tell me over and over that I could do it and that encouragement had me so convinced that I could actually feel myself flying before I jumped. I even dreamed I could fly in my sleep. It felt so real. Encouragement can give us the belief in ourselves to try things we never imagined we would. Frequently, our success seems like a miracle, but when we believe in ourselves, we can soar to heights previously unimaginable.

Some of my best accomplishments were due to someone telling me I could do it. It is almost a sure fire path to success...and such an easy thing to encourage someone to succeed.

I eventually stopped jumping off of the chicken house, but I never forgot what it felt like to fly. I had imagined it 1000 times and dreamed it so realistically, that I knew exactly what it would feel like...the exhilarating wonderment of it. A few weeks ago, I finally did fly. I had a chance to experience the IFLY wind tunnel that simulates sky diving. Even though it has been several

decades since I jumped off the chicken house, that encouragement was deeply engrained in me and the feeling has never left me. As I was floating on the wind it felt exactly like what I had imagined it would so many years ago. How did I know what it would be like? Up until a couple of days ago, when I learned that a friend had had the same childhood dream and jumped off the garage, I didn't know anyone who had believed they could do it. No one told me what it would be like, but I had been given great encouragement and the rest just manifested itself in my mind. Silly? I don't think so. It is just a real example of what power there is in having someone believe in you and how that belief can transform us like a Houdini experience. It happens to athletes all the time, as they envision themselves performing near impossible feats. Encouragement is empowering to an amazing degree. We should be doing that for each other at every opportunity.

Thanks to Jim S. for sharing his encouraging flying dream on Facebook, and the folks around Carol's dinner table for their inspiration. I'm dreaming about flying again...sorry, no jumping off of anything. Happy lading!

## Mayors Comments

Welcome to Summer at the best community in the world here at Weatherby Lake. It was a very late and brief Spring. Suddenly we find ourselves in the heat of June.

Here's hoping everyone was able to enjoy the Memorial Day weekend and found time to reflect on the sacrifices of those who paid the ultimate price for our freedom. It has not been free.

Your City Hall has been a busy place. We have hired resident Audrey Casas as our new part-time City Clerk. Audrey replaces Nan Jones who retired at the end of April and whom everyone of us knew as a happy, pleasant face at City Hall.

With Public Works Director George Lowman's coordination we have completed repaving Potomac and Pleasant Ford on the West Side. On the East Side we rebuilt down to dirt, 76 Terrace and 77 Street. George's guys work very hard to keep our city streets, sewers and water in great order and repair. They also do a lot of mowing of the City right-of-ways.

Chief Davis is in the final stages of interviewing candidates to fill our one remaining vacancy in the Police Department. Chief is also in the process of a study to determine traffic patterns for better enforcement of our speed limit laws.

Personally, I have attended meetings of most of the city groups, committees and boards. I hosted my first Platte County Mayors meeting early in May and traveled to Jefferson City with a couple of other local mayors for an update on pending legislation at the State House. Currently, dysfunction was the word of the day. All cities of the State of Missouri are playing defense trying to stop bad bills from becoming laws that would transfer State financial responsibility to the cities. The rebuilding of the State owned Broadway Bridge is the local example of no State funding. That burden is now on our entire area to become creative.

A few residents have dropped by City Hall for brief chats. If you have City business to conduct and I am in the office, feel free to ask for me.

I will be helping cook hotdogs and hamburgers for the WLIC Lake Season Kickoff, Sunday June 3rd at C-Point with East Side Alderman, Rick Footer. Stop by and say 'hi'.

Enjoy our great community and all it has to offer.

Mayor

## Kops Korner

I would like to take this opportunity to commend Captain Hachman for his outstanding work!! On 01/16/2018 while on patrol in sub zero temperatures Captain Hachman located a resident who had fallen and severely injured herself. Captain Hachman summoned medical assistance and the injured resident was transported to an area hospital for treatment. After surgery and rehabilitation the resident attended the April 2018 meeting of the Board of Alderman and personally presented Captain Hachman with the department's "Life Saving" award.

As the severe weather season is upon us I would like to remind everyone that the tornado sirens located within the city are intended for outdoor warning only. I recommend that every household obtain a weather radio, utilize a weather application on a "smart" device or sign up for free weather notifications on Nixle. The Nixle icon is located on the front of the city web page.

As we kick off the spring-summer season please do not leave any unsecured items: fishing rods and tackle, coolers, life jackets, paddles or any item of value on your boat(s) unattended.

The, "Tour De Platte" bicycle event will be passing through the city on Saturday June 2<sup>nd</sup>, 2018 from 8:30-10:00 am. The route will cover the south end of N.W. Eastside Drive across the dam and onto Kerns Road. Civilian volunteers and Police Officers will assist with traffic control during the event. Expect minor traffic delays during the event.

It is important to realize as home owners that, "AIRBNB" and similar businesses are in violation of city ordinance. No home owner or resident may lease or rent any portion of their residence for less than 30 days.

The Weatherby Lake Improvement Company has reminded me that any Guest(s) of lake residents must be accompanied in-person by the resident while on WLIC property. The resident is responsible for the Guest during all times the Guest is on WLIC property.

On more than one occasion in recent weeks the Police Department has been in contact with unregistered dogs and cats that reside within the city limits. City ordinance 205.030 reads in part: It shall be unlawful for any person to keep a dog or cat over the age of eighteen weeks within the City which has not been:

- 1: Properly vaccinated for the prevention of rabies; and
- 2: Issued a license.

I would encourage all pet owners to register their animals with the city during city hall business hours.

## WL Historical Committee

The Weatherby Lake Historical Committee has been busy with meetings to plan for the future. The current goal is to provide historical markers around the City to indicate those areas that are historical in nature. The marker for the Cemetery on Eastside Drive was installed earlier this year, and markers for the Community Center, City Hall, and the Dam are on the drawing board. The style would be identical to the marker at the Cemetery, and would give the historical significance of each of the sites.

We are going to make the markers a community endeavor and offer the opportunity to contribute to all residents. Your donation can be in the form of a memorial, or a recognition or in any form that you would like. Donors will be recognized in various ways. Specific details will be forthcoming.

For information on ways that you can participate with the marker project, contact any one of the Historical Committee members.

A big thanks to the WLHC, family and friends who participated in the Anders Jacks Cemetery annual cleanup. Great job!

The WLHC invites you to stop by their table at the WLIC Spring Kick-off, Sun, June 3. See our summer WL T-shirts. Limited supply.

## WL HISTORICAL COMMITTEE

The Weatherby Lake Historical Committee is made up of seven (7) members and two (2) alternates. The members are appointed by the Mayor from the public at large, and are subject to the approval of the Board of Alderpersons. Each member must be a property owner in the City of Weatherby Lake, and serves for a term of three (3) years.

## W.L.I.C. Update

The WLIC hopes all its Members enjoyed the Lake over the Memorial Day weekend. As we all can attest, summer weather is here. Hopefully, all of you are planning to attend the Lake Season Kickoff at C Point this Sunday, June 3<sup>rd</sup> from 3PM - 10PM. The "9.9ers" will entertain and hamburgers, hot dogs, sides and desserts along with water, iced tea and lemonade will be provided. Craft beers from the Cinderblock Brewery will also be available with a \$5 event wristband donation. There will be family games and Lake Education Presentations throughout the afternoon as described elsewhere in this newsletter.

We will be rescheduling the next Long Range Planning meeting to June 27<sup>th</sup>, at 6:00 pm at Town Hall.

Also, in this newsletter is a description of the enhanced security procedures being utilized at C Point and on the Lake over the 4<sup>th</sup> of July. These procedures were also used last year and were met with positive Member acceptance. The WLIC will also be sending a separate communication of these procedures to our Members prior to the 4<sup>th</sup> of July Holiday. This holiday on Water Patrol duty will be Darin, Christian, Victoria, Peyton, Cory and Charline. Please be respectful of requests and instructions. They are here to make our holiday a safe and enjoyable experience for all our Members and Guests.

As a part of this update the WLIC would like to introduce its Members to its summer intern, Miriam Bouallegue, who lives at the Lake and will be assisting with lake management and administration under the mentorship of Dale Kinne and the WLIC Board of Directors. If you haven't already, please stop by the WLIC Office and say hi.

You will notice that the WLIC is continuing its plan of maintenance and upgrades at its Access Areas and properties at the Lake. Our thanks to the many volunteers who assist us in this process.

The first round of Space & Dock Inspections have been completed and violation notices have been sent to our Members. The second round of inspections begin June 1<sup>st</sup> and any Members who have not corrected the issues that were noted in the first inspection, will be subject to fines as specified in the WLIC Rules & Regulations.

Well, the Lake Season has begun in earnest. We wish our Members an enjoyable and safe Lake Season.

#### We GLADLY ACCEPT:

- Household items · Clothing & Shoes · Furniture · Home Decor · Collectibles
- Tools & Electronics (flatscreen TV's, 2 years or newer, working condition only)

Unfortunately, we are unable to accept every item. As a good steward of the DAV and our Veterans, on occasion we must decline donations because of State Health or Safety regulations, unsatisfactory condition, or merchandising reasons. Disposing of these items results in an expense to our charity.

#### SORRY, but we CANNOT ACCEPT:

- Furniture with stains, tears, odors or damage · Mattresses · Baby Cribs
- Some Electrical Items (tube televisions, projection televisions) · Car Seats
- Items containing gasoline or chemicals Seats · Safety Recalled Items

Some added tips - Make sure whatever you are donating works! If it doesn't, it will cost the charity to dispose of the item instead of helping! Wash your items before you donate them. By removing stains, it makes the item more desirable and will sell quicker to help support the charity!

All items donated are tax-deductible! And all donations stay LOCAL, benefitting the disabled veterans in the greater Kansas City area.

### Garden news for June

Greetings Weatherby Lake Garden Club members,

A great opportunity has come about after the cancelation of our original Loose Park Tour and Program on June 12. We regret the news from our presenter and Board members of Loose Park.

Many of you witnessed an awesome presentation by Bill Lenz on his "Designing and Building a Garden" in April. On June 12, Bill will complete his "Building a Garden" Part 2 presentation at the home of Pam Gunter, 10500 NW 79th St., just off Roberts Rd, at 6:30 PM. Please arrive early for refreshments as his program will begin promptly at 6:40.

Bill wears many hats in his gardening experience through his volunteerism at the University of Minnesota Arboretum and his extensive studying on Web Design courses and most recently, studying the Science of Gardening. Bill and his wife, Patty, have recently moved to Weatherby Lake after Bill's retirement as a Secret Service Agent and many trips to far and near. Please welcome Bill as he shares his love of "Building a Garden" Part 2 program.

If interested in providing refreshments for monthly meetings, please coordinate with Bernie Botbyl at [btbstar@aol.com](mailto:btbstar@aol.com) or 816-326-8268.

#### Upcoming events include:

Thursday, July 12 from 6-9 PM Social gathering at Cactus Creek Croquet Club  
BYOB, Cook Out and Fun! Food committee needed. \$10 per person to Croquet Club.

August 14 - Cactus & Succulent Society presents a hands-on program by Eva Allen. Place TBD.

September 11- Potluck and Social at Belinda Riley's home - 6 PM. More info TBA. Installation of officers.

Did you know that when you join the garden club, Grass Pad and Family Tree offer a 10% discount so don't miss out on the chance to take advantage of this offer. Dues payable at each meeting or send \$15 Individual or \$22 Family to Kathy Birmingham at 7399 NW Kerns.

A huge THANK YOU is extended to Gunter Construction for their generous donation of a Laptop for presentations to the Weatherby Lake Garden Club. We are extremely grateful!

See you June 12 at Pam Gunter's home to hear Bill Lenz's program on "Building a Garden" Part 2. Have a fun summer and remember "We Make a Difference in Gardening" by "Grazin in the Grass, We can Dig It!!"

Weatherby Single Friends is for all single residents on the Lake, including never married, divorced, or widowed. This is a great support and social group that gets together every month.

Fun outings, home dinners, creative discussions, service projects, etc. This is NOT a match-up or dating group, just good friends having fun, and supporting one another.

### Weatherby Lake Fishing Club Scholarship Fund

Are you tired of storing your old boats, trailers and motors???

Donate your runabouts, canoes, fishing boats, pontoon boats, sailboats, other watercraft, trailers and motors to the Weatherby Lake Fishing Club Scholarship Fund. We will pick up your equipment. All of the proceeds from your donated items will go to our Weatherby Lake kids to help with their college education.

Any questions or for more information, call: Hank 529-3502

**INFORMATION YOU SHOULD KNOW:** Occasionally we receive inquiries as to where the advertising donations go. Over the years the monies received have been donated to various clubs and programs at our lake. Currently, all of the funds we receive from our advertisers are given directly to the WLIC Environmental Trust Fund, which is the fund used primarily to combat the zebra mussel threat to our waters. We believe strongly in keeping any funds donated to stay within our community and to be used to benefit the entire community.
