Dear Weatherby Lake Women's Club,

Thank you for the recent gift of \$125 from your recent October meeting! This support helps Susan G. Komen Greater Kansas City Affiliate in its promise to save lives and end breast cancer forever by empowering people, ensuring quality of care for all and energizing science to find the cures.

Nancy G. Brinker promised her dying sister, Susan G. Komen, she would do everything in her power to end breast cancer forever. In the 30+ years since that promise, Susan G. Komen has become the world's largest grassroots network of breast cancer survivors and activists.

Our biggest event, the Komen Kansas City Race for the Cure, celebrates breast cancer survivors and empowers women to take charge of their breast health. Since the first Komen Kansas City Race for the Cure in 1993, we have granted almost \$11 million to the Kansas City metro area to fund education, screening and treatment in our 17 county service area. We have also funded nearly \$3 million for national breast cancer research. For more information or to register for the race visit .komenkansascity.org.

While reading this letter, three more women have been diagnosed with breast cancer and another woman – a wife, a mother, a sister, a friend – has died. Each of us has an opportunity and a responsibility to help save lives and end this disease forever by giving of time, talent or treasure. One voice makes a difference and together with millions, we make changes.

On behalf of the Komen Kansas City staff, board of directors, volunteers, and breast cancer survivors we serve, thank you for your gift. Together, with your help, we WILL find the cures and end this disease forever.

Sincerely,

Carli Howard Good
Executive Director
