Directors for over 15 years.

Tom is a Civil Engineer who applies his professional skills and knowledge to maintaining the dam at all levels. We can't think of any aspect of WL that is of a higher importance than the care and maintenance of our dam. Tom has a watchful eye that monitors and identifies any area or need of the dam and when/if necessary, recommends or performs the needed attention to keep our dam in the highest functioning condition. Tom is no newcomer to serving the community...he has been giving his time and expertise for many, many years...and he does it without expected fanfare or efforts to attract attention. He is long overdue to be recognized.

A short list of just some of the contributions that Tom has made for many years, and continues to make, to our community are:

- *Leverages his engineering skills to provide council to the WLIC regarding the dam's viability and maintenance needs.*
- *Liaises with the state agencies and participates in all inspections of the dam.*
- *Monitors the condition of the Peret dam structure and detention pond and makes recommendations for maintenance.*
- *Monitors the Lake level on a weekly basis and during storms to ensure lake level remains at a safe level.*
- *Provides aerial drone footage for hard to reach access areas and non-Weatherby Lake watershed properties.*
- *Participates and encourages others to engage in environmental Lake cleanup activity—volunteers to clean the hardest location .... dam riprap*
- *Volunteers for the WLIC Board of Directors for 15 years and continues*
- *Served on the original Mud Rascals team.*
- *Assisted with miscellaneous construction projects.*
- *Done dam repairs.*
- *Served on long range planning.*
- *Done seawall inspections.*
- *Assisted with appropriate varmint control.*
- *Provides WL with invaluable professional knowledge and skills, on a continued and dedicated basis.*
- *Chairman of the Dam Committee.*

## From the Editor

Our calendars are on super speed now...Thanksgiving is past and we are quickly headed towards the Christmas holidays. My thoughts have done a fast forward to the end of the year. I have always been mindful of things ending...perhaps because of my belief that when we say farewell to something, there will always be a new or different version or replacement that brings us closer to what is best for us. This isn't a belief that I can explain...but, it's a belief that over the years, has presented personal evidence that it happens, at least for me. It's a time that calls my attention to those things that I might find an opportunity to improve on, or learn from, or use in a way to be a better person.

When I reflect on the previous year, there will be examples of times that I could have made better choices...better for me and for others. Those are the times that I try to draw some wisdom from. I'm leaning strongly this year on better understanding of others, those whom I see as having solid character and generous integrity and whom I greatly admire...but, also, those who seem to be driven to shove others aside in search for their personal spotlight. They have a story, too. I try to listen to what feels right, as I spend time with others, and what calls me to seek my best path. I don't claim to have any solutions for those who consistently push their name to the top of the list, or use others for self-centered gain. But, if I had a better understanding of their need or motives, it might move me more towards kindness, as opposed to avoidance, which doesn't solve issues, but

merely diminishes my contact with unhealthy behavior.

Weatherby Lake is a place that seems to nurture more genuine unselfish kindness, even though we do occasionally encounter one who may seem over-needy for self validation. There's a lesson to be learned, regardless. I'm hoping these last few weeks of being immersed in our peace and joy will have a positive affect on all of us and call everyone to practice more goodwill, so that when the clock strikes midnight on the final moment of the year, we can all feel our hearts expand with anticipation of a better tomorrow. I am deeply grateful for those of you who continue to teach me, by your loving example, how to be more patient and kind.

*Peace & Goodwill*

## Mayor's Comments

Happy Holiday greetings from your City Hall! It's hard to believe that Thanksgiving has already passed and we are in the month of December already. Please enjoy the season safely.

Recently, the annual Joseph Sherman Award was announced at the WLIC Annual Meeting and this year's winner is Tom Urbaniak, whose picture is found elsewhere in this issue. Tom and his wife Deb are long time Weatherby Lake residents. Tom has generously given of his time to take care of everything about our dam. Without the dam the city would not have the last name of 'Lake'. Recognition of Tom is long overdue and so very well deserved. Thank you and congratulations, Tom and Deb!

Another long time resident has recently sold their home and moved away. Laura Welch spent her last night here a couple of weeks ago at the Camelot Castle that she shared with deceased husband Lantz before his passing a few years ago. 'The Castle' as it's been so well known to us, has sold and soon another owner will be moving in. Laura and Lantz have been huge benefactors over the years and their legacy of generosity is unparalleled in all that they have done for our Weatherby Lake community. The above mentioned Joseph Sherman Award was started by Lantz to honor his next door neighbor Joe Sherman and has been generously continued on by his widow Laura. It awards someone who selflessly volunteers their time for the benefit of the entire Weatherby Lake community. Laura will be greatly missed but her and Lantz's legacy will continue for years into the future.

The Board of Aldermen and staff are working on next year's budget. As is with me and maybe many of you there are never enough dollars for our needs. A priority for this next year is the need to fix the nasty sewage odors on Eastside Drive near U Cove, alias 'stinky cove', and on the west side near O Cove. What I have learned is that there are 5 stations throughout the city; 3 on the eastside and 2 on the west that keep the smell down. In the winter it isn't much of a problem because of the cold temperatures. These stations function with a chemical called Biocide that we purchase and the Public Works employees manually feed this chemical into these 30+ year old stations. That is the rub. We realize that a long overdue upgrade is in order to control the odor. We plan on doing just that and hopefully this investment in our infrastructure will smell a lot better next spring.

So I haven't winterized my boats yet. Here's hoping that I can get that done before the snow flies and we have an early spring!

The Weatherby Lake Police Department will be participating in the 27th Annual, "Shop with a Cop/Deputy" event sponsored by the Platte County Sheriff's Office on December 4th, 2021 at the Barry Road Walmart. The Weatherby Lake Police Department will be accepting cash or check donations to fund the holiday shopping for underprivileged children that reside in Platte County. Donations can be mailed or dropped off at City Hall. Please make your checks payable to: Platte Co. Sheriff's Children's Trust. In 2020, the city raised \$2,950.00 to assist with this worthy program.

As the winter season arrives in our region it is important to remember that warming vehicles parked outdoors should only be done with the operator present with the vehicle. If the operator leaves the vehicle unattended with the engine running all the vehicles door(s) should be secure.

As travel begins to open up from the COVID-19 pandemic I would suggest residents utilize the online residence check form located on the city's web page <http://www.cityofweatherbylake-mo.gov>. Look under Featured Links to locate Online Residence Check.

To be notified of inclement weather conditions, roadway closings or power outages, via text or email I would encourage you to sign up for Nixle notifications. ### There is no such thing as 100 percent safe ice.

There really is no sure answer. You can't judge the strength of ice just by its appearance, age, thickness, temperature, or whether or not the ice is covered with snow. Strength is based on all these factors -- plus the depth of water under the ice, size of the water body, water chemistry and currents, the distribution of the load on the ice, and local climatic conditions. # WLIC Update

## The WLIC election results are as follows...

The results of the Board of Directors election and the Rules and Regulations changes have been counted by the Credentials and Elections Committee. And the results are as follows:

**Board of Directors:** Incumbents Dale Kinne, Tom Henke, Steve Nelson and Tinker Sharp were re-elected to the Board for three-year terms beginning in 2022. Thank you to Tim Vlamis and write-in nominee Mike Aldridge for their interest in serving the community in this capacity.

**Rules and Regulations changes:**

Change #1: Access Area Space Assignments, PASSED (132 yes votes, 107 no votes)

Change #2: Failure to Occupy. DEFEATED (92 yes votes, 149 no votes)

The Rules and Regulation Change #1 together with the previously proposed boat insurance change and the elimination of the space relinquishment option (both not having sufficient member objections as stated in the WLIC by-laws), will become effective as December 20, 2021 when approved at the Board of Directors Meeting.

Thank you to the WLIC Membership for their engagement in this important process of lake governance.

# Resident & Community News

## Jeanette Andrews

Condolences are extended to Jim Andrews and family on the recent passing of Jeanette Andrews. Jim & Jeanette were longtime residences of Weatherby Lake where they were involved in a variety of activities, especially those that included ways to include their friends and neighbors. Jeanette was known for her friendly personality and the many ways she assisted her neighbors. She will be missed by all.

She will be missed by all.

## Ashley Footer

Our most sincere and heartfelt condolences go to Rick and Ashley Footer and family on the recent tragic death of their 19 year-old daughter, Ashley. As described by Rick, her father,

"Ashley was a rare butterfly with

the kindest, warmest and most giving spirit that touched everyone in her life."

Ashley, a Parkhill grad, and a sophomore at MU, has been laid to rest in her mother's home country, Turkey, in her favorite seaside village of Urla. The Weatherby Lake community deeply grieves this sad and tragic loss.

## FRIENDS OF WEATHERBY LAKE HISTORY

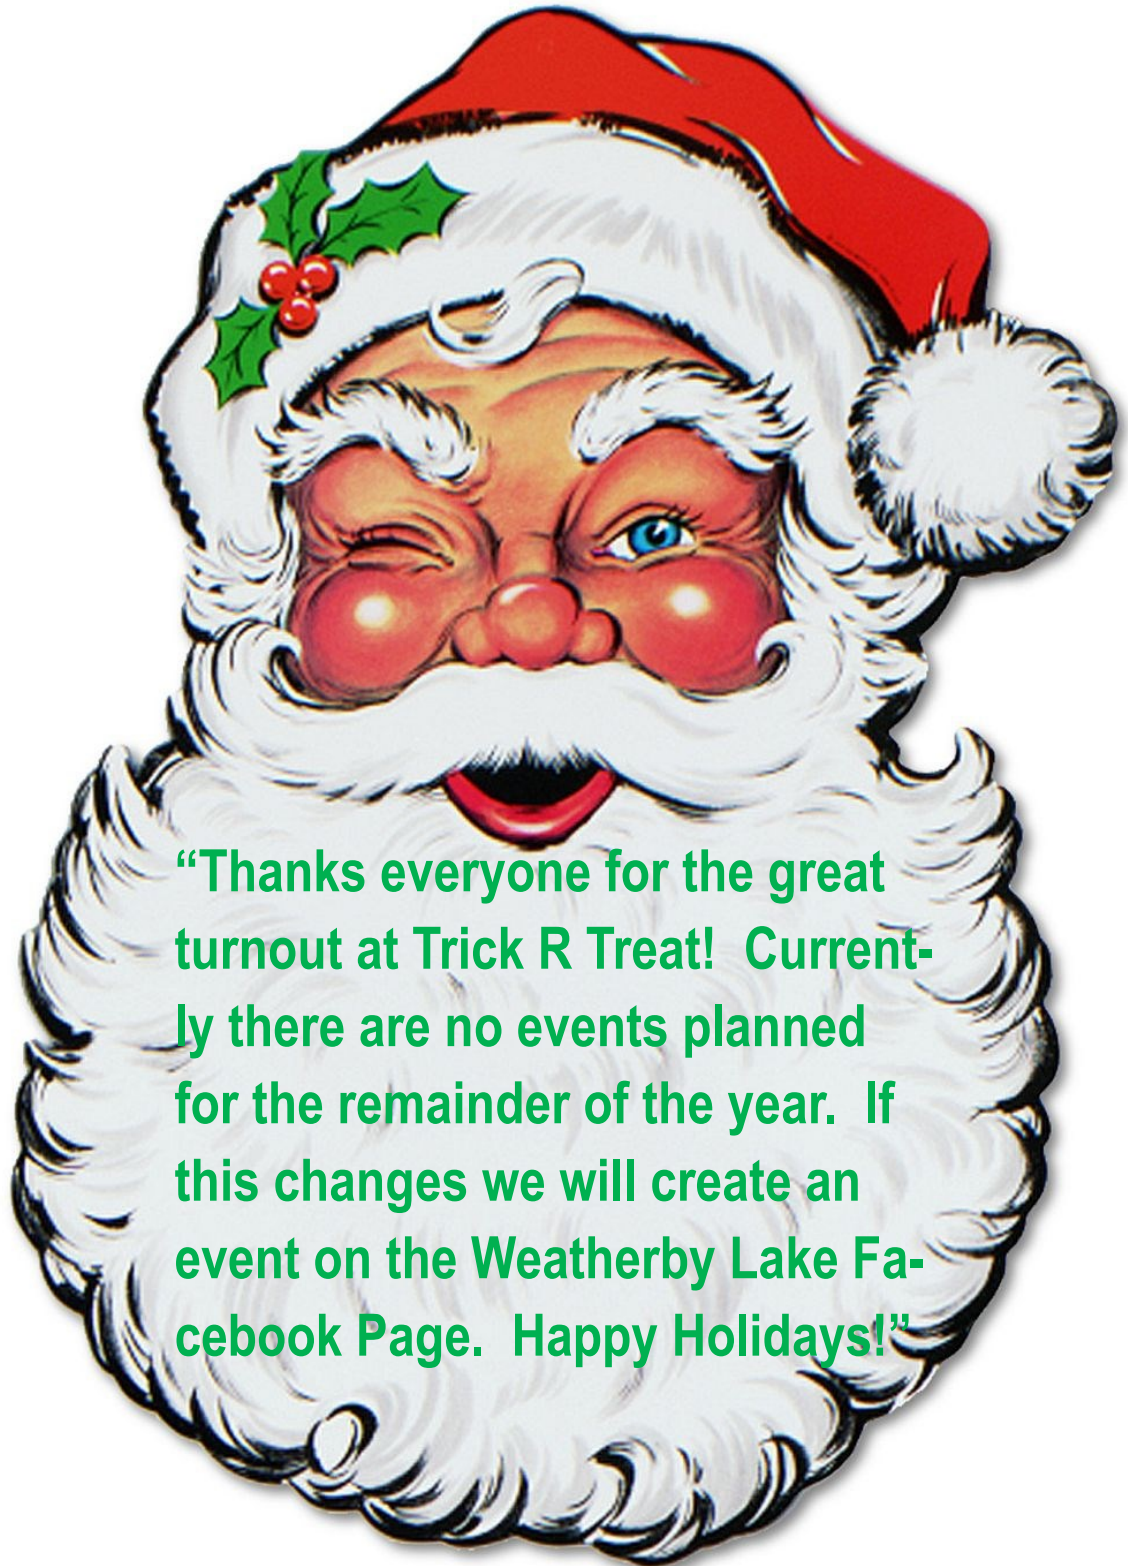

The Weatherby Lake Historical Committee is extending an invitation to those residents who might have an interest in the history of our community, but don't feel like they can commit to serving on the main committee. We have a special group of residents who might like to help out now and then with a small project that will not require attendance at regularly scheduled meetings or a commitment to volunteering extended time. This is a great way to help at your convenience and interest. We keep your name on our "Friends of Weatherby Lake Historical Committee", and notify you when we might be in need of an hour or two to help freshen the Anders Jack Cemetery, or just let us know when you have an idea about our upcoming historical markers or thoughts on how to enhance our history preservation.

Let us know if you would like to participate. We are eager to welcome your ideas.

## KNOW THY NEIGHBOR

*In-home monthly, fun & casual, gatherings for All residents for the purpose of getting to know your neighbors.*

On a Saturday of each month at 7:00 PM, October thru May, volunteer Weatherby Lake residents rotate hosting a casual social gathering in their homes. There are two options for the gatherings each month, either a casual sit-down meal or a Happy Hour style gathering with just appetizers. A host determines the number of guests they have. Neither the host nor the guest knows the identity of the other guests ahead of time.

The focus for both styles of the small group gatherings is not on the food, but rather on meeting neighbors, getting to know one another and developing friendships.

### I WANT TO PARTICIPATE, WHAT DO I DO

**FOR NOW:** To be on the monthly reminder list, just email us your NAME, PHONE NUMBER AND EMAIL

ADDRESS to: [KNOWTHYNEIGHBOR2@gmail.com](mailto:KNOWTHYNEIGHBOR2@gmail.com).

Each month you will be sent a reminder of the upcoming gathering. If you choose to participate that month, (you are not required to attend every time), you then choose either the sit-down option or the Happy Hour. Then you will be sent the location and food assignment for your gathering. See Option descriptions below.

**Attend a Dinner:** You will take one pre-assigned dish (appetizer, vegetable, salad with bread, or dessert), and your own beverage of choice.

**Attend a Happy Hour:** You take an appetizer and your own beverage of choice.

**Host a Dinner:** You provide your home, the main dish, water, coffee and tea.

**Host a Happy Hour:** You provide your home, one appetizer, tea and water.

**Due to the personal nature of in home gatherings for KNOW THY NEIGHBOR, the new season for KTN will not resume until a later date. Please watch for upcoming information for 2022.**

[KNOWTHYNEIGHBOR@gmail.com](mailto:KNOWTHYNEIGHBOR@gmail.com)

**NOTE:** **KNOW THY NEIGHBOR** is celebrating over 30 years of bringing Weatherby Lake neighbors together. As we begin this new season, we are updating the email list. Make sure to email your name, address, phone number, and the email address you prefer to be contacted at if you would like to be included. This will insure that you will receive the monthly reminder. ## NEIGHBORS HELPING NEIGHBORS

### Volunteer caring and temporary assistance for Weatherby Lake residents in time of need.

**NEIGHBORS HELPING NEIGHBORS** is a Weatherby Lake program composed of resident volunteers willing to help in a variety of simple ways. Sometimes that might be offering to take a neighbor a meal, cut the grass, clear snow, assist them in getting to an appointment, or just a friendly visit to help cheer. Accidents and times of grief occur to all of us and a caring neighbor sharing kindness can be a tremendous help. It's those occasional small acts of kindness that can make a huge difference.

We do not take the place of professionals or replace family responsibilities. We are simply your next door neighbors who are willing to volunteer help where we can, and we need YOU to help be a part of watching out for one another. Do you know someone who could use a temporary hand with something? Would you be willing to share an occasional small amount of time and effort to help someone in need? Do you have a talent that might be really helpful? The list of possible needs is varied. Typically, we might go for months without needing to offer our help, and even if we are called on to help, it is rarely more than once a month.

**NEIGHBORS HELPING NEIGHBORS** is always hoping to improve how we can be of assistance to one another. But, as caring neighbors, we could be limited in certain ways that assistance might be needed. We have developed an agreement with the PLATTE COUNTY SENIOR FUND program to work with them in ways that will assist Weatherby Lake residents to receive the best help available.

For general questions and information, or if you know reliable skilled resources that might be willing to help, contact Pat Medill, 456-2007. [PRMedill@aol.com](mailto:PRMedill@aol.com)

# Weatherby Single Senior Friends

For all single senior residents at Weatherby Lake,  
including never married, divorced, or widowed.

This is a great support and social group that gets together monthly.

We have informal home gatherings that include  
a simple potluck style meal,  
attend Weatherby Lake social events together,  
have creative and informative discussions,  
make new friends, support each other.

This is NOT a match-up or dating group,  
just good friends sharing fun and supporting one another.  
We are exploring establishing a security buddy system for single seniors  
who live alone. Let us know your thoughts and ideas.
