### "FIRST DAY OF SUMMER"

Well, here we are...it's June, and the first day of summer is just around the corner. It's the time that our amazing community really comes alive. Boats and all things water related come out of storage. We are anticipating new life as we plant our gardens and are awed by spectacular blooms. We test to see if those shorts and t-shirts still fit. It is truly a season of anticipation here at Weatherby Lake. And...that means it's new opportunities for all of us in so many ways.

Maybe we have not connected with that special friend over the winter months...maybe we have missed that early morning chat with an aging neighbor...or wondered how someone across the cove is managing. NOW is the time to seize the day....carpe diem. Give with kindness to others...it's not about what you can get....it's about what YOU can give. Sometimes that gets lost in one's own self serving efforts. We have unlimited opportunities to share kindness and lift our neighbors up. Weatherby Lake has grown and thrived on the shoulders of those amazing volunteers.

The sun warms our mornings now, and reminds us that we can warm the hearts of those around us. As we give thanks for all that we enjoy, let's not forget the many others that share our community and help make it what it is. It truly takes a village, and we have an amazing

one. My thanks and gratitude to those who give without seeking getting.

*Peace & Goodwill*

## Mayor's Comments

Well it's finally that special time of year again that we have the privilege to enjoy our beloved Weatherby Lake. I look forward to many relaxing days and evenings of just floating on the water!

Recently we lost a very long time resident here at Weatherby, Mabel Phillips. Mabel and her husband Lyle have lived here for over 50 years and recently celebrated their 65th wedding anniversary. They along with their two daughters have been very involved in almost every group and committee here at Weatherby Lake. Our condolences to Lyle, their two daughters and to all of Mabel's family and friends.

On behalf of the Weatherby Lake Police Department and the City, my sincere thanks and appreciation go out to Michael and Julie Horseman and the entire Irish-American Committee for all of their time, talent and resources in the planning and implementing the St Patrick's De Mayo event on the 14th of May! The weather cooperated for a perfect day for the parade and enabled the party to move outside on the patio at the Community Center. To the Horseman's, all of the volunteers who worked on this, the folks who contributed silent and live auction items, and the bidders ---- THANK YOU ALL!

We are in the process of having our now nearly 20 year old water tower worked on and freshened up. At this writing we have drained it and the contractors who built it originally are washing the bowl and adding a new stainless steel ladder inside to replace an old rope ladder. In addition they are upgrading plumbing in the base and washing the exterior. All of this work is being paid for by money that your Board of Aldermen has set aside in the last few years.

The public works guys are constantly maintaining our streets and that involves patching holes, crack sealing open seams and mowing the right of ways. We are going to have lines painted on some of the curves on both East and West sides. On Eastside Drive we are going to put a crosswalk at 79th Street. There will be warning signs for this at the top of the hills going in each direction and also markings at the crosswalk. Besides being requested by the nearby neighbors we feel it will have a traffic calming effect to slow vehicles down.

In addition to the above we are going to repave Rocky Point around to Forest Drive and on to Barry Road and also the 73rd Street cul-de-sac off of Eastside Drive.

The Park Board has again booked 4 'Concerts in the Park' this summer, all to take place at Cristhaven Park on Roberts Road. Check this Newsletter for dates and times.

Alderman Tanya Finn has announced that this year's theme for the 4th of July festivities is 'Maui Wowie' or something else Maui related. We are still working on the parade route and where it is going to end up but look for the annual mailer that will have all of that information on it. As usual we end the day with a fantastic fireworks display off of the dam which is fully funded by YOU. This year we have again 'upped the ante' to \$25,000. Drop off your tax deductible contributions at City Hall.

Please safely and responsively enjoy your boating season and all the amenities of our beautiful City!

## WLIC Update

Memorial Day is upon us, and the Lake is coming alive. The first round of dock and boat inspections has been completed and if you haven't done what you were supposed to do by May 1, you got a letter and maybe and invoice from us. Please note that the second round of inspections is scheduled for June 3rd and, if you don't want to hear from us again, make sure your stickers and any needed repairs have been made.

As a reminder, the Lake Season Kickoff is scheduled for June 5th at C Point from 11 AM to 1 PM. There some clubs will be providing activities for the whole family and ice cream for all, courtesy of the WLIC.

Also, with schools adjourned for the summer, please be courteous on the Lake and all of our Access Areas. No one wants to hear loud music and foul language at all hours on the Lake. Make sure we don't need to issue warnings and/or fines for such behavior. This includes the adults, as well as the kids

Finally, the WLIC is still looking for Water Patrol and Gate Monitors for the summer season. Please contact the WLIC Office if you are interested.

We are looking forward to an active and enjoyable lake season and hope to see you on the Lake.

# Resident & Community News

## Jim Rolph

Sympathies are extended to the daughters and grandsons and family and friends of Jim Rolph. Jim and Yola were 40-year residents of Weatherby Lake where they raised 2 daughters. Jim was an active board member of the WLIC and was appreciated for his many talents to build and fix just about anything. Jim and Yola are remembered for their many volunteer achievements. They help make WL a better place for others. They are both deeply missed.

## Mabel E. Phillips

Our deepest sympathies and prayers go to Lyle Phillips and daughters, Debbie and Terri, on their recent loss of **Mabel Phillips**. Mable and Lyle have lived at Weatherby Lake since 1972, where they have been active in many of the organizations...mostly as avid volunteers in various capacities and working to help make our community a better place for others. They didn't just join clubs...they gave their time and talent in any way needed. We will all miss Mabel and her generous ways and happy smile.

## FRIENDS OF WEATHERBY LAKE HISTORY

The Weatherby Lake Historical Committee is extending an invitation to those residents who might have an interest in the history of our community, but don't feel like they can commit to serving on the main committee. We have a special group of residents who might like to help out now and then with a small project that will not require attendance at regularly scheduled meetings or a commitment to volunteering extended time. This is a great way to help at your convenience and interest. We keep your name on our "Friends of Weatherby Lake Historical Committee", and notify you when we might be in need of an hour or two to help freshen the Anders Jack Cemetery, or just let us know when you have an idea about our upcoming historical markers or thoughts on how to enhance our history preservation.

Let us know if you would like to participate. We are eager to welcome your ideas.

## WEATHERBY LAKE RESIDENT HONORED

*(Thanks to WL resident, Lynn Hinkle Roberts, and The Platte County Citizen for the following information.)*

Longtime Weatherby Lake resident **Carlton Philpot**, a retired U.S. Navy Commander, was inducted into the Fort Leavenworth Hall of Fame on May 10th, along with the late Major General Raymond Barton, Commander of the Fourth Infantry Battalion in WWII. The Hall of Fame honors “outstanding military and civilian leaders of the Armed Forces of the United States who have served at Fort Leavenworth, Kansas, and made a significant contribution to the achievement, tradition, or history of Fort Leavenworth and the Armed Forces of the United States.”

Commander Philpot is the first Navy man in the Army fort’s Hall of Fame. He was honored for more than three decades of work recognizing the contributions and honorable service of African American military units and individuals. At Fort Leavenworth, he led the largest such undertaking at the request of General Colin Powell, a \$1.3 million installation of a bronze Buffalo Soldier on horseback by artist Eddie Dixon, which was dedicated by Gen. Powell in 1992 behind Lewis & Clark Hall, where the Fort’s Hall of Fame is housed. Both Meriwether Lewis and William Clark are members of the Hall of Fame, as are Generals Dwight Eisenhower and Colin Powell.

The seventh and most recent monument in Buffalo Soldier Park that Carlton spent endless hours developing was dedicated in 2018 and honors the 6888th Central Postal Directory Battalion, the only predominantly black Women’s Army Corps unit deployed overseas during WWII. Commander Philpot recognized John Freshnock of WSKF Architects headquartered in North Kansas City, who donated his firm’s services for the 6888th monument.

Attending the ceremony and unveiling of the Hall of Fame shadow box with Carlton were his wife Othello Philpot and their two daughters, Trina Montano and Karla Dozier, grandsons, and son-in-law.

Commander Philpot was an instructor at the Command and General Staff College from 1989-1994, and after retirement from the Navy he started the first Navy JROTC at a Job Corps Center in Excelsior Springs.

In his acceptance speech, he gave all glory to God and spoke of those who had passed before this day, including his mother, Mrs. Daisy Philpot. He reflected on the pride he felt at being mentioned in Gen. Powell’s autobiography, “My American Journey”.

In the past, a group of Weatherby Lake residents demonstrated an interest in art and art history. With the onset of the covid virus, that interest was put on hold. This may be the time to rekindle that interest. One approach that has been discussed is to first determine what peoples' interest in art is currently, and proceed from there.

The Parkville Frame Gallery, located behind Nick and Jakes Restaurant, has a comprehensive, free "Art Advisor Program" that is available to assist anyone who is interested in learning more about art and art history. # LANTZ WELCH CITIZENS BRIGADE

Togetherby. We are all Lake minded.

Regardless of your age, when you moved in, or how you vote, we all have one thing in common: we care about this lake. (Who hasn't fished out a noodle or even a neighbor's boat?)

Weatherby Lake volunteers recently created The Lantz Welch Citizen's Brigade to harness that lake love, fund it, empower it, and let it further unite this extraordinary community.

This year, The Brigade will award a total of \$10,000 to citizens whose ideas will nurture togetherness at Weatherby Lake. Whether you're an individual or group, adult or child, Eastside or Westside, sailboat or pontoon, sidewalk supporter, pro golf cart, or anything in between, everyone can apply. We hope you do!

# KNOW THY NEIGHBOR

*In-home monthly, fun & casual, gatherings for All residents for the purpose of getting to know your neighbors.*

On a Saturday of each month at 7:00 PM, October thru May, volunteer Weatherby Lake residents rotate hosting a casual social gathering in their homes. There are two options for the gatherings each month, either a casual sit-down meal or a Happy Hour style gathering with just appetizers. A host determines the number of guests they have. Neither the host nor the guest knows the identity of the other guests ahead of time.

The focus for both styles of the small group gatherings is not on the food, but rather on meeting neighbors, getting to know one another and developing friendships.

### I WANT TO PARTICIPATE, WHAT DO I DO

**FOR NOW:** To be on the monthly reminder list, just email us your NAME, PHONE NUMBER AND EMAIL

ADDRESS to: [KNOWTHYNEIGHBOR1@Gmail.com](mailto:KNOWTHYNEIGHBOR1@Gmail.com)

Each month you will be sent a reminder of the upcoming gathering. If you choose to participate that month, (you are not required to attend every time), you then choose either the sit-down option or the Happy Hour. Then you will be sent the location and food assignment for your gathering. See Option descriptions below.

**Attend a Dinner:** You will take one pre-assigned dish (appetizer, vegetable, salad with bread, or dessert), and your own beverage of choice.

**Attend a Happy Hour:** You take an appetizer and your own beverage of choice.

**Host a Dinner:** You provide your home, the main dish, water, coffee and tea.

**Host a Happy Hour:** You provide your home, one appetizer, tea and water.

**Due to the personal nature of in home gatherings for KNOW THY NEIGHBOR, the new season for KTN will not resume until a later date. Please watch for upcoming information for 2022.**

**NOTE:** **KNOW THY NEIGHBOR** is celebrating over 30 years of bringing Weatherby Lake neighbors together. As we begin this new season, we are updating the email list. Make sure to email your name, address, phone number, and the email address you prefer to be contacted at if you would like to be included. This will insure that you will receive the monthly reminder. Send your info to [KNOWTHYNEIGHBOR1@Gmail.com](mailto:KNOWTHYNEIGHBOR1@Gmail.com)

## NEIGHBORS HELPING NEIGHBORS

### Volunteer caring and temporary assistance for Weatherby Lake residents in time of need.

**NEIGHBORS HELPING NEIGHBORS** is a Weatherby Lake program composed of resident volunteers willing to help in a variety of simple ways. Sometimes that might be offering to take a neighbor a meal, cut the grass, clear snow, assist them in getting to an appointment, or just a friendly visit to help cheer. Accidents and times of grief occur to all of us and a caring neighbor sharing kindness can be a tremendous help. It's those occasional small acts of kindness that can make a huge difference.

We do not take the place of professionals or replace family responsibilities. We are simply your next door neighbors who are willing to volunteer help where we can, and we need YOU to help be a part of watching out for one another. Do you know someone who could use a temporary hand with something? Would you be willing to share an occasional small amount of time and effort to help someone in need? Do you have a talent that might be really helpful? The list of possible needs is varied. Typically, we might go for months without needing to offer our help, and even if we are called on to help, it is rarely more than once a month.

**NEIGHBORS HELPING NEIGHBORS** is always hoping to improve how we can be of assistance to one another. But, as caring neighbors, we could be limited in certain ways that assistance might be needed. We have developed an agreement with the PLATTE COUNTY SENIOR FUND program to work with them in ways that will assist Weatherby Lake residents to receive the best help available.

For general questions and information, or if you know reliable skilled resources that might be willing to help, contact Pat Medill, 456-2007. [PRMedill@aol.com](mailto:PRMedill@aol.com)

#### YOUR PRAYERS ARE NEEDED

We would like to increase those participating in our private prayer chain. Please let us know if you could offer an occasional prayer in this special private way to volunteer for your community.

# Weatherby Single Senior Friends

For all single senior residents at Weatherby Lake,  
including never married, divorced, or widowed.

This is a great support and social group that gets together monthly.

We have informal home gatherings that include  
a simple potluck style meal,  
attend Weatherby Lake social events together,  
have creative and informative discussions,  
make new friends, support each other.

This is NOT a match-up or dating group,  
just good friends sharing fun and supporting one another.

We are exploring establishing a security buddy system for single seniors  
who live alone. Let us know your thoughts and ideas.

*NOTE: Currently, we are not gathering, but we hope that this will change soon when everyone feels more comfortable with in-home gatherings. In the meantime, we are updating our list of interested Single Senior Friends. To get on the current list, please send your name and contact info to [IntlFriendsInc@aol.com](mailto:IntlFriendsInc@aol.com).*

*We look forward to having you join us.*
