

Embrace Safety...a small investment for a rich future!

With the privilege of Lake Living comes great enjoyment and great risk - no matter what the lake size or horsepower. This year, the W.L.I.C. will be challenging our community to build traditions around enhancing the safety and welfare of our special neighborhood.

In a community like ours, rules and regulation are important guides for maintaining a safe environment for our families, guests and property. And, ultimately for the viability of the lake and the business of the W.L.I.C. We hope that you join in this season by embracing safety in these areas:

Docks: It goes beyond aesthetics. It's really about structurally sound designs and maintenance that protects lake users and their property in a safe and consistent manner.

Boating: Even at our slow speeds, injury and damage occurs. Developing safe and courteous boating practices is critical.

Swimming: Both for your personal safety and for the welfare of others who may be traversing the water in craft around you.

Environmental: To keep our waters safe, clean and healthy for swimming, fishing and other recreation.

Trespassing: To protect our belongings and our most important asset - the Lake! If you see something, say something! 816-741-5556.

Cleanliness: The cleaner we keep our community on a day-to-day basis, the less littered our water becomes over time. If you see trash, take a moment to pick it up. Or, if you find lost items laying about, call the W.L.I.C. office.

Together, we make a difference!

From the Editor

Sometimes we find ourselves a bit lost and searching for a familiar path back to a safe place. In many places in the world a small stack of stones are used as navigational markers to indicate pathways through difficult terrain. For centuries these stone stacks, called cairns, have been used as a way to direct travelers to safe destinations. I have seen these in many places in Europe, especially in remote trails, fields, mountains and the Archipelago Swedish Islands. Often one is invited to build your small stack of stones to symbolically leave your mark as you hike through challenging places. There is something intriguing about leaving your own cairn behind for others to observe.

Several years ago, I began placing these small stacks of stones around my yard and gardens. It reminds me that while I might not always see clearly what is ahead, or if the journey will become difficult, the simple stack of stones symbolically gives me hope and the confidence to tackle whatever the future brings. I find it comforting to secretly leave a cairn on places I might be walking or hiking. They become sacred and seem to be instinctively viewed as such...someone else's admission of experiencing being lost or offering an unknown friendly sign of hope. I personally think it is a wonderful habit to

practice...leaving behind your mark of friendship to those coming after you.

Next time you take a walk around your neighborhood, leave a few invisible cairns in the form of good thoughts at your neighbor's door. We never know who might be feeling a little lost. I was recently given a cairn made of home baked cookies, That was a glorious dose of happiness and friendship.

See you on life's journey.

*Peace & Goodwill -
Pat Medill*

Mayor's Office

Dear Friends and Neighbors:

The Weatherby Lake area hasn't had much precipitation this spring and as a matter of fact, this past winter was relatively dry. But a long overdue spring thunderstorm is pounding the area this morning as I write this monthly Newsletter and I quickly remember the sound of driving rain and smashing hail. Oh well, now I remember the sound of my garage opening as I prepare to clean up fallen leaves and branches.

My wife cleaned and hung out our hummingbird feeders this past week. I miss those little guys. They should be arriving soon and we want to be sure we have a refreshing meal ready for them to enjoy after their long journey. Hope to see an oriole or two soon as they like to feed in our yard, as well.

First and foremost in my message this month is to thank all of the residents who came out to vote in our city's election on April 5th. I want to especially thank those who cast a vote for my re-election. Your confidence in my ability to continue to do the job of Mayor for the City of Weatherby Lake is most appreciated. I remain dedicated to completing the many projects around the city that were started during my first term in office and I will continue my promise to do that task in a fiscally responsible manner.

This last month, my wife and I had the opportunity to visit with members of the Platte Senior Services and spend a day delivering Meal on Wheels to needy county residents. What a rewarding and fulfilling experience. I would recommend that any member of our community, who has some free time and would like to spend it with those individuals in need of assistance, contact Kelley Moehlman, Site Coordinator at 816-270-4100, or visit their website at www.platteseniors.org.

I have now had two planning sessions with the members of the Google Fiber installation team. There is much pre-planning work to be done, but the City staff is moving right along. I anticipate that work will begin sometime later this month or early June and that it will take about 3 months to complete the initial installations. I hope to confirm a Public Forum on this topic during the month of May to bring everyone up to date. Please watch for further announcements about date, time and location.

My compliments to the Weatherby Lake Planning Commission for their hard work and diligence in completing work on several key new requirements. At the Board of Alderman meeting in April the following Ordinances were approved: Ordinance No. 2016-04 Amending Section 500.10 "International Residential Code", Ordinance No. 2016-03 Repealing Section 405.120 Setback Requirements and Enacting in its place a new section 405-120 Setback Requirements, and Ordinance No. 2016-02 Dealing with the Final Replat/Combining of Lots 14 & 15 of Block F Lakeview, a Subdivision in Weatherby Lake Missouri, into one Lot 15A. For further details on these Ordinances, please contact Gwen Cenac at City Hall.

Kudos to the Weatherby Lake Yacht Club for conducting a very special and

SCAMS

Don't be the victim of a scam. Several residents have reported their attempt to file their income tax return electronically just to find out someone else has filed using their name and social security number. Different scams are being attempted in the area at this time, please be cautious and alert. If you receive a call that a relative is in jail out of town and wants you to send them bond money, check it out because it is probably a scam. If you are asked to receive packages at your home or business and mail them to someone else in another country, be careful, it is probably a scam. If you receive notification you have won a foreign lottery and all you have to do to receive your money is wire or mail a small amount for taxes and fees to claim your prize it is probably a scam. No legitimate lottery should ask you for money to claim your prize. The IRS does not normally telephone you with a prerecorded message to contact them before they assess a penalty for your taxes. Please call the police if you receive any offers you believe may be a scam.

TORNADO TIPS

Springtime is tornado time. Twisters may be sighted most months of the year. The National Weather Service advises most tornados occur in the Weatherby Lake area between mid-April and Mid-June.

The City of Weatherby Lake is alerted by three outside weather warning sirens within the City limits. Sirens are located at the Community Center, the City Hall and at 78th Street and Eastside Drive. Outside Warning sirens are designed to alert people who are outside of a building. A battery powered tone activated weather radio is the best warning device to have in your home. Weather alert radios are available at most electronics stores and some grocery stores in the area. Weather alert radios are a very low cost addition to your family protection plan.

WATCH OR WARNING

The key words in weather advisory are Watch and Warning. Watch means conditions are right and there is a possibility of a tornado in the area. Warning means a tornado has been sighted or detected by radar and may be approaching. This is the time to take cover. Listen to your radio or watch the television for the all-clear.

ANIMAL CONTROL

Owning a pet is quite a responsibility. Your responsibility doesn't end with supplying food, water and shelter. Caring for your animal's health and social skills is also required. A regular trip to the Veterinarian will normally take care of the health issues but let's talk about social skills. You know, being a good neighbor. Training your pet not to chase people or other animals is important. The police department receives several complaints a year about dogs that bark, growl and chase walkers, joggers and bicyclists. Other complaints concern dogs that continually bark or howl at different hours of the day and night. So be a GOOD NEIGHBOR, be responsible for your pet's actions and be considerate of your neighbors and friends.

GARY McMULLIN CHIEF OF POLICE

HOLIDAY SAFETY

Enjoy a safe Memorial Day. Please observe all laws and safety rules relating to the lake, streets and highways. Remember, safety is everyone's business. Have a safe summer.

BOAT SECURITY

Just a reminder, please remove fishing tackle and other items from your boat. Secure items you can't remove including your fuel tank. Several fuel thefts are reported here every year.

City stickers became delinquent March 31.

Check out NIXLE on the City web site. It is a great information tool for you but you have to sign up for the service.

Help prevent crime in your neighborhood. If you see or hear anything suspicious, please Call 911 immediately.

“And so with the sunshine and the great bursts of leaves growing on the trees, just as things grow in fast movies, I had that familiar conviction that life was beginning over again with the summer.”

W.L.I.C. Update

Spring is in the air and lake activities are picking up.

- The Lake Cleanup was completed with 51 volunteers participating. Thanks to all, especially VA Kammer for leading the activities. Weeding and mulching at C-Point and brush pick-ups at the various Access Areas continued after the Lake Clean-up day. We are planning another Clean-up day for the fall and would hope to have equal or greater volunteer participation at that time.
- Space and Dock Inspection teams will begin Dock Inspections the week of May 2nd for 2016 stickers, Block/Lot IDs and compliance with WLIC Rules and Regulations. Make sure your 2016 stickers are on your docks, boats and motors.
- Planning for the Annual Lake Season Kickoff has begun. All Weatherby Lake organizations are encouraged to participate. Mark the date of Sunday, June 5th (Rain Date June 19th) for food, fun and activities to promote lake safety and enjoyment while kicking off the lake season in style.
- The WLIC is concerned about contamination of the lake by our increasing goose population. In addition to our normal annual goose control activities, we are developing a program to include other goose control measures to educate members and protect our lake. Bill and Barb Herzog are forming a volunteer group to oversee this program. If you are interested in participating please contact the WLIC Office at (816) 741-5556.
- Water Patrol Officers will start patrolling on May 1st and will be available during their regular shifts. You may contact them via **(816) 807-6700 or you may report anonymously on the front page of the wlic.org website.** If you suspect violations of the WLIC Rules and Regulations please inform the Water Patrol or the WLIC Office so we may address the issues immediately. If you see trespassing or other illegal activities please call the Weatherby Lake Police Department at 816-741-8111 or 911. If you see something, say something!

WEATHERBY LAKE FISHING CLUB ACADEMIC SCHOLARSHIP

Scholarship applications will be accepted from June 1, till July 15, 2016 from Weatherby Lake residents only.

Must be a graduating senior in high school going to college in the Fall semester or a current college student going back at the next semester. Must be enrolled and accepted as a full time student. Candidates must submit the following information: Letter stating reason you are seeking scholarship and information about yourself on being a favorable candidate. Must present current grade card or school transcript from the last or present semester. Three current letters of recommendation, only one can be from a family member or relative. All letters must be signed and dated by the person making recommendation. A letter of any civic, community or extra-curricular activities that you have performed. All of these will factor in and be calculated thru a special committee to decide on the recipients of these awards. All Scholarship monies will be sent to the recipients school in their name.

Mail applications to: Sharon Bugg, 10301 NW 72nd Terr., Weatherby Lake, MO 64152

Any Questions, call Hank 529-3502

NEIGHBORS HELPING NEIGHBORS is adding a new category to our list of volunteer services to our community. The "Buddy Program" will be of special interest to those living alone. Every single will be matched with a neighbor who simply receives an email or quick phone call every day from the person living alone. This assures that if someone alone has a problem, that would normally be missed, that a caring neighbor would be alerted.

If you live alone, or know of someone whom you feel would benefit from this service, please contact us right away. We will also need lots of volunteers who would be willing to participate in this new program (receive one daily call from a shut-in, house bound, elderly, handicapped, etc. Please contact Pat at 741-1569

2016 Women's Club Academic Scholarships

Scholarships open to ALL Weatherby Lake residents!

Includes traditional & non-traditional students

Adult continuing education, graduating seniors, current college students, & anyone pursuing education in a trade or business school.

**Applications Accepted:
April 11, 2016 - May 7, 2016**

Contribute to the Weatherby Lake Fishing Club Scholarship Fund

Are you tired of storing your old boats, trailers and motors???

Donate your runabouts, canoes, fishing boats, pontoon boats, sailboats, other watercraft, trailers and motors to the Weatherby Lake Fishing Club Scholarship Fund. We will pick up your equipment. All of the proceeds from your donated items will go to our Weatherby Lake kids to help with their college education.

**Any questions or for more information,
call: Hank 529-3502**

ANGIE MALONY

Our condolences are extended to the John Malony family on the recent death of Angie. John and Angie were long time residents of Weatherby Lake prior to moving. Their daughter, Susan, is married to Kevin McMichael son of Don and Claudia McMichael. Angie was everyone's friend and will be missed by many for her loving kindness.

DON COSTANZO

Our deepest sympathy goes to Gloria Costanzo and family on their recent loss of Don. Don and Gloria have lived at Weatherby Lake for many years. Don enjoyed sharing all that the lake offered with his family and many friends. He will be missed by his family and many friends.

TAXPAYER ADVOCACY PANEL

NEWS RELEASE

For Release: 04/28/2016

Weatherby Lake Resident Selected for IRS Taxpayer Advocacy Panel

Mary Florence was recently selected by the Treasury Department to serve on the nationwide Taxpayer Advocacy Panel (TAP). Panel members listen to taxpayers, identify issues and make suggestions for improving Internal Revenue Service (IRS) service and customer satisfaction.

Mary is one of about 70 volunteers serving on the panel. She will represent local taxpayers as well as work on national issues. Upon her selection, Mary Florence said, "If I can save millions of people either time or money by my suggestions, then I will feel like I have made an important contribution."

Members work with IRS executives on priority topics and also serve as a conduit for grassroots issues between the public and the IRS. The IRS has made a commitment to listen to ideas from TAP members.

If you have a suggestion for improving the IRS processes or service, Mary Florence would be interested in hearing from you.

May 25th - 6:30 pm - C-Point Pavilion

Greetings Neighbors and Happy Sailing 2016!

My name is John Perlik and I am excited to begin my third year as the Junior Sailing Commodore for the 2016 sailing season! The Jr Sailing program at Weatherby Lake originated in the early 1980's and is one of the activities that makes living at this lake so special.

My wife Paige is the Jr Sailing Administrator also for the third year. Our four children have participated in and benefited greatly from the Junior Sailing program over the past twelve years. Our oldest son John will be returning as the Lead Junior Sailing instructor and his staff will again consist of Patrick Stevenson and Betsy Perlik.

The Junior Sailing program is a unique opportunity for the youth of our community to experience hands-on in sailing instruction here at the lake in a fun and safe environment. In addition to the sailing skills that last a lifetime, participants learn teamwork, discipline, water safety and they HAVE FUN doing it!! Please consider signing up your young sailor for one of the JR sailing instructional sessions. There are sessions available for all skill levels and you need not have prior experience nor own a sail boat. The junior sailors are required to be residents of Weatherby Lake or

grandchildren of lake residents. The age range for participation is 6 - 17 years. You do not need to be a Weatherby Lake Yacht Club member to participate in Jr Sailing. However, the fees for Jr Sailing are discounted for WLYC member families so please join the WLYC also!

There is an informational meeting for all interested at the C-Point Pavilion on Wednesday, May 25th at 6:30 pm. We will again offer two sailing sessions beginning June 1 and running through July 21st. The full calendar along with enrollment forms and fees can be found at www.weatherbylakeyc.org under "Junior Sailing" and also under "Files" on the Weatherby Lake Jr Sailing Facebook page. Please "Like" our Facebook page! And feel free to contact me directly with any questions or for additional information.

Also, please join the Yacht Club in our first party at C-Point June 18th for an Hawaiian Luau. The dinner will be amazing, smoked pig by some of our very own local BBQ talent, special entertainment surprises, dancing the Hula with friends and neighbors, and Hawaiian attire is encouraged. Please join us at 6:30- 11:00 pm.

Happy Sailing !

NEIGHBORS HELPING NEIGHBORS

Caring and Temporary Assistance for Weatherby Residents in Time of Need

NHN is a community program for all of us to help each other in times of need, such as illness or other circumstances that limit our abilities, the death of a loved one, shut-ins, or in any way that one might need simple short term assistance. We do not take the place of professions or replace family responsibilities. We are your next door neighbors who are willing to volunteer help where we can, and we need YOU to help be a part of watching out for one another. Is there a category below that you might like to be a team member? Typically, you would not be called on more than once or twice a year.

For general questions and information, contact **Pat Medill, 741-1569** PRMedill@aol.com

CHILD CARE: Babysitting in an emergency situation. **Bernie Botbyl 326-8268** BTBStar@aol.com

COMMUNICATIONS: Being a part of a phone chain if urgent information is necessary. **Judy Maher 587-2213** judykm@kc.rr.com

COMMUNITY RESOURCES: Refer reliable assistance in any category that we have a screened referral. **Jan Leonard 547-0058** jan-rich2@kc.rr.com.

GRIEF SUPPORT: Offer comfort and friendship to someone grieving the loss of a loved one. Help locate grief support groups. Share a message of hope. **Kathy Birmingham 741-1753** d.birmingham@sbcglobal.net

HOME MAINTENANCE: Offer assistance once or twice with minor tasks, or help with referrals. Examples: Lawn mowing or snow removal until a permanent service is located. **Linda Zurn 716-5323**

HOUSEKEEPING: Taking a turn with lite cleaning, laundry, mail pick-up, etc. **Bernie Botbyl 326-8268** BTBStar@aol.com

MEALS: Provide a one-time covered dish to assist during an illness or death in the family. **Kathy Birmingham 741-1753** d.birmingham@sbcglobal.net

QUALITY OF LIFE ADVOCATE: Offer help and

direction, especially to those alone and the elderly, to learn ways to increase their quality of life through age appropriate exercises and nutrition. Friendly visits to a shut-in with a message of encouragement. Be a trusted and confidential listener. **Mike Hudak 898-7877** drhudak@sbcglobal.net

NOTE: A sub-committee of volunteers who work with Therapy Dogs is available, as well. For Therapy Dog information contact **Tony & Pat White 741-3100** PatWhite05@icloud.com

Weatherby Single Friends is for all single residents on the Lake, including never married, divorced, or widowed. This is a great support and social group that gets together every month.

Fun outings, home dinners, creative discussions, service projects, etc. This is NOT a match-up or dating group, just good friends having fun, and supporting one another.

Contact: Kathy Birmingham. 741-1753

Join us at Birmingham Park for our annual Memorial Service

Mark Your Calendar for these SWAT fund-raising events at the C-Point Shelter

Saturday, July 2nd
Independence Dance & Party

Saturday, October 1st
Oktoberfest Celebration

What is SWAT ?

SWAT (Supporting Weatherby's Adopted Troops) was formed in 2008 to provide assistance in various forms to the Soldiers, Sailors, Marines and Airmen serving our country, now and in the past, with a particular emphasis on those who are currently deployed, and their families.

The SWAT Mission is to encourage our community's participation in making a positive difference in the lives of our Service Members and their families, as well as our deserving Veterans.

To date, SWAT events have raised over \$51,000, and provided financial support to :

- Soldier Emergency Relief Fund
- Soldiers Family Readiness Fund
- Fort Leavenworth Moral Welfare and Recreation
- Buffalo Soldiers Memorial
- Wounded Warrior Foundation
- Sua Ponte Foundation (Fallen Army Rangers)
- Various active service units, members and families
- Veterans Honor Flights

If you would like to make a financial contribution in support of our efforts, it can be processed thru the Parkville VFW to assure its tax deductible status. Contact any Board Member for details.

The Parkville VFW will also accept old or worn flags for proper disposal.

Be a Part of SWAT

SWAT is in need of volunteers to fill two open board positions - contact any board member and join us in supporting our troops here and on assignment.

- Tony Bohn President
- Pat Botbyl Senior VFW Advisor
- Glenda Negrelli Treasurer
- How about You ?? Secretary**
- Kerstin Bohn Social Chair
- Bernie Botbyl Decorations
- Ron Surma Catering
- De Surma Hostess
- How about You ?? Logistics**
- Tom Laughlin Communications
- Dave Folkedahl Honor Flights Liason

SWAT meetings have been re-scheduled for the **third TUESDAY** of each month. Join us to see what SWAT is all about.

Advertising

BOAT TOWING, HAULING OR MOVING: On or off the Lake. Call Hank 529-3502 or 741-0619

A mother is the truest friend we have, when trials heavy and sudden, fall upon us; when adversity takes the place of prosperity; when friends who rejoice with us in our sunshine desert us; when trouble thickens around us, still will she cling to us, and endeavor by her

kind precepts and counsels to dissipate the clouds of darkness, and cause peace to return to our hearts.

~Washington Irving

For info on how to place an Ad in the Weatherby Lake Living newsletter, please contact Pat Medill PatMedillEditor@aol.com or call 816-741-1569.
