

WEATHERBY LAKE LIVING

FINE ARTS & CULTURE

Plane art.....no.....plain art.....um, nooo.....PLEIN ART....YES, that's what we had going on one recent Sunday afternoon at C-Point when approximately 40 accomplished artists converged

Barb & Greg Carlile admiringly look over the shoulder of an artist as he puts the finishing strokes on the Pavilion painting.

on Weatherby Lake, set up their easels and canvases and began to capture a plethora of amazing views of our wonderful community. With a backdrop of blue skies and sailboats, these artists quickly painted professional-like scenes of whatever captured their interest. Some were drawn to the sailboats, some to the docks and sandy beach, some to the unique homes...whatever the landscape offered, the artists, in their own style, transformed their views onto their canvases. It was a great and rare opportunity for the rest of us to observe their talent in real life and to enjoy a cultural experience in our own backyard.

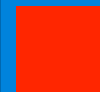

Following the day of Plein Air Painting, there

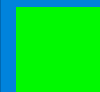

Rick Neece admires his newly purchased original painting of the C-Point Pavilion.

Layout & Design - Beth Moraitis

was an open house at the Cathy Kline Gallery in Parkville, where all art was judged and made available to the public for purchase.

One artist, Phil Schmidt, was taken with the architecture of the Pavilion and painted a magnificent photo-like version of it. His work caught the eye of Rick Neece, who purchased the painting even before it was finished. The Pavilion has a special place in Rick's heart...after all, it was under Rick's leadership that the

Pavilion came to be. It will be a great reminder of Rick's solid and progressive leadership of our community. He has left his mark on Weatherby Lake in uncountable ways.

Cathy Klein from Cathy Kline Gallery located in the old train depot in Parkville, sponsored the event and

Pat and Tony White were happy to find one of their favorite paintings....it just happened to be the one that Rick Neece had purchased.

Scott Jackman, takes a photo of the painting of the sailboat that he was on at the moment it was being captured on canvas. "I was there", Scott exclaimed with a grin.

Lorene Rogers, Weatherby Lake resident was the liaison and coordinator for this opportunity.

From the Editor

Recently I was discussing the lightening rods on the roof of my house and what was the purpose for them. The question from my out-of-town guest was, "did other neighbors have them". I said not to my knowledge. He said...then it is up to you alone to diffuse something bad happening to the entire community. We both laughed, but it did flip a switch in my thoughts...well, yes, as a matter of fact it is. But, I think we ALL should own that responsibility, to be part of the diffusing whenever possible.

Wouldn't it be great if by developing our own internal rods of diffusing negative energy, thinking and behavior we all could have an impact on the entire community. WOW...that would certainly have a lot more value than a few spikes sticking out of a roof. So...how do we go about making that happen? My experience has been that the first thing we can do when we find ourselves in a high static environment is to not add our own thunder to the situation. The next thing is to carefully evaluate the source, and then sensibly determine if attempting to diffuse the air would help or escalate what is charging the situation. Sometimes, the best solution is to remove ourselves from the line of storm. If we don't feel that our own lightening rod is needed or wanted...or maybe we just know that the best choice is to avoid participating in the downpour of negative rains, then perhaps it isn't our turn to save the community .

Curious thoughts that I found myself contemplating. But, then, that's how our minds can reveal what ways we can examine how we can be a productive citizen. Isn't it always better to be on the sunny side of the storm than on the cloudy side? Or, at least be part of the rainbow. Most of the time, we do have a choice, all we have to do is to learn when and how to exercise that choice.

Let's share our umbrella's more.

*Peace & Goodwill -
Pat Medill*

Mayor's Office

Dear Friends and Neighbors,

As the Labor Day weekend approaches, we are reminded that another summer season is drawing to a close. This summer has been a particularly hot one with much humidity and after what seemed to be a 3 week dry spell, the last week of August has produced a week of thunder storms. Lots of extremes for everyone to deal with.

The installation of the Google Fiber Network continues around the city. The work teams have been diligent in ensuring that road closures have been held to a minimum. I meet every Friday with the Google team leaders, George Lowman, and the Board of Alderman representative Doug Richmond to discuss project status and review any issues for the ensuing week. I am happy to report that the project continues to be on track. My thanks to all the residents for their patience during this huge project.

I am very pleased to report that again this year that the City's proposed tax rate will decrease. The current tax rate is \$1.6912 per \$100 of assessed property value and the proposed new tax rate will be reduced to \$1.6500 per \$100 of assessed property value. Based on the current year assessed valuation, I anticipate an increase in tax revenue to the city of 2.068%. It has been my pleasure to work with the our Treasurer, Marianne Ennett, the City of Weatherby Lake staff, and the Board of Aldermen to ensure we continue to provide a fiscally responsible approach to the financial management of our City's resources.

On a safety note, please remember that the schools are now back in session. So please pay special attention while driving for school bus pickups and children crossing the streets.

The Royals finally broke out of their July slump and are playing much better ball in the month of August. Let's hope they continue their winning ways and have a great month of September. Oh, and did I mention the Chiefs are in camp up in St. Joe? Only a week to go before their season opener.

Lastly, on behalf of the City of Weatherby Lake I have partnered with the Daughters of the American Revolution to recognize the two hundred twenty-ninth anniversary of the signing of the Constitution by issuing a Proclamation proclaiming the week of September 17 - 23, 2016 as Constitution Week. I urge all citizens to reflect during that week on the many benefits of our Federal Constitution and privileges and responsibilities of American citizenship.

I hope you all have had a safe and wonderful summer here at the lake. In closing, let me share a few lines from a poem by Howard Nemerov entitled, **September, the First Day of School**: "My child and I hold hands on the way to school, and when I leave him at the first-grade door he cries a little but is brave; he does let go. My selfish tears remind me how I cried before that door a life ago. I may have had a hard time letting go."

Live life well in Weatherby Lake.

Patrick J. Botbyl

THEFTS FROM VEHICLES

The Police Department has taken several reports of thieves going through unlocked vehicles in our City. Some substantial losses were reported. Please help prevent thefts, lock your vehicles and close your garage doors.

HAVE YOU SIGNED UP FOR NIXLE?

Last year, the City of Weatherby Lake began utilizing a new communications tool that allows residents to receive community alerts and advisories via email and text message. This service, called Nixle, is free to use (standard text messaging fees apply) and allows the City to send out timely information on topics like severe weather warnings, road construction, traffic accidents, missing person alerts, and more.

To sign up for Nixle, visit www.nixle.com and follow the registration steps, or **click on the Nixle widget on the City Web Page**. You can choose to receive information via text message, email or directly at the Nixle website. You can also sign up to follow multiple agencies, which is beneficial if you want to keep track of what's happening in the communities where you work or visit or if you have loved ones living out of town. Nixle is a great resource that allows us to easily reach followers with critical information related to our community. This tool allows residents to get updates directly from city staff in a timely manner.

TRIATHLON

The Jeremy Katzenberger Memorial Triathlon will be held at Weatherby Lake on September 11th. The swim, bike and run event will start and end at C Point. The start time is 8:00 AM. Bicyclists, runners and walkers will be on our streets during this event. Please drive safely and follow the directions of the volunteers and Officers providing traffic control for the participants. Please drive safely and carefully.

DON'T BE THE VICTIM OF A SCAM

Police Departments are receiving reports of scams originating from the use of online dating sites. Please be cautious, con-men and women are out there and they are unscrupulous. Several other types of scams are being attempted in the area at this time, please be cautious and alert. If you receive a call that a relative is in jail out of town and wants you to send them bond money, check it out because it is probably a scam. If you are asked to receive packages at your home or business and mail them to someone else in another country, be careful, it is probably a scam. If you receive notification you have

GARY McMULLIN **CHIEF OF** **POLICE**

gmcnullin@cityofweatherbylake-mo.gov

Emergency - Call 911
Office - 816.741.8111
Dispatcher - 816.858.3521
Water Patrol - 816.807.6700
Fax - 816.741.1480

won a foreign lottery and all you have to do to receive your money is wire or mail a small amount for taxes and fees to claim your prize it is probably a scam. No legitimate lottery should ask you for money to claim your prize. Please call the police if you receive any offers you believe may be a scam.

CALL THE POLICE, YOU ARE NOT BOTHERING US

Timing is everything, please call the police at the time you see or hear anything suspicious. Callers often report people and actions that occurred hours or sometimes days earlier. The police department really appreciates the information; however, timing can be critical to solving or preventing a crime. One of the best ways to prevent crime is to be aware of what happens around you and to report anything suspicious to the police department. Don't hesitate, call **911 immediately**. Even though it may seem unimportant at the time, please call. It could prevent a crime, help catch a criminal or possibly save a life.

If you need the **Police, Fire Department or an Ambulance, Dial 911**
POLICE NON-EMERGENCY 741-8111

"I took the dog out for a walk tonight, and together we wandered across the meadow next door. It was a warm summer's night, dark, and moonless. There were a handful of fireflies flickering intermittently, some so close to me I could see they were burning green as they flew, and some further away, who seemed to be flashing white.

And in the sky above them a continual roil of distant summer lightning (the storm distant enough that it was silent) burned and flashed and illuminated the clouds. It seemed as if the lightning bugs were talking to the lightning, in a perfect call and response of flash and counterflash. I watched the sky and the meadow flash and flash while the dog walked ahead of me, and realised that I was perfectly happy..."

W.L.I.C. Update

It's the time of year that the WLIC starts to prepare for its Annual Meeting. Remember, since it's a federal election year, **the date of the Annual meeting is one week earlier, 7:00 PM, November 1, 2016**, at the Hilton Airport Inn. Please mark your calendar accordingly.

You should have received a letter or an email from the WLIC notifying you that the WLIC will begin lowering the Lake approximately two feet to facilitate seawall repair by Members and the WLIC. Please refer to the letter or call the WLIC Office for more details. The "Call for Directors" Notice has also been sent to the Members. If you are desiring to run, you have until September 16th to submit your nomination. Nominations will also be accepted from the floor at the Annual Meeting.

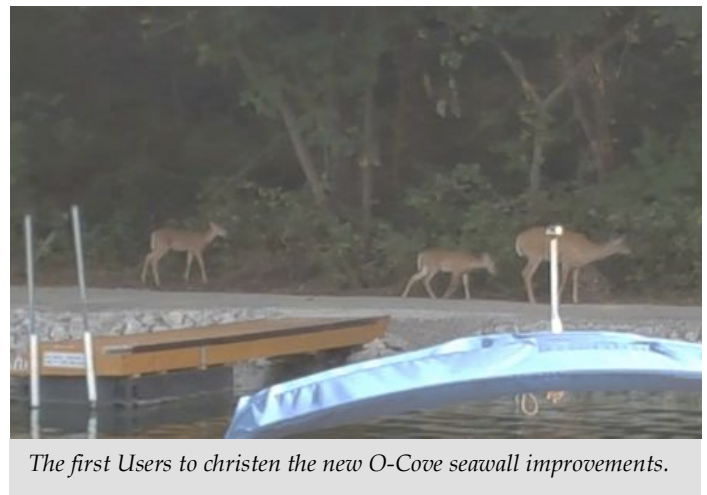

Members may have noted that cleanup has begun in Rush Creek, North of Barry Rd., on the property owned by the WLIC known as "The Beanfield".

The cleanup is part of an ongoing effort to improve the water quality of the Lake and is funded, in part, by a grant from the Platte County Stormwater Program. The work should be completed this fall. The WLIC continues to have meetings with the City of Kansas City, the MO Department of Natural Resources and various contractors and developers in the area to develop and elicit support for a comprehensive watershed protection strategy.

The Dam was inspected last month and we are pleased to inform that our Registration Permit has been renewed for another two years. Also, we would like to share that the west side of O Cove has been improved with a riprap seawall and gravel path for your use.

Lastly, unfortunately the Missouri Department of Conservation has reported that the **Zebra Mussel infestation at Truman Lake in Missouri has escalated. And, Cedar Bluff Reservoir in Kansas has become infested.** So please, remember to use only Weatherby Lake dedicated equipment so we can continue to spread the message, not the mussels!

As the Lake Season comes to a close, the WLIC wishes all its Members a safe and beautiful Fall.

The first Users to christen the new O-Cove seawall improvements.

BERT WOODS

Our deepest sympathies are extended to Jill Woods and family on the recent loss of Bert Woods. Bert has been active with the Weatherby Lake Codes & Building Inspector for many years...you would find Bert at City Hall frequently. Bert and Jill were long time residents. He will be missed by many.

DON KEATON

Our condolences go to Patty Parker and family on the untimely death of Don Keaton. Don enjoyed the lake activities and motorcycles. He will be missed by his family and friends.

BOYD JAJESNICA

Our condolences go to Donna Jajesnica and family on the recent accidental death of Boyd Jajesnica. Boyd was an avid sports and fishing enthusiast and enjoyed his time here at Weatherby Lake. They were former residents of Weatherby who moved out of the area several years ago, but left behind many friends who will miss him.

Thank you for your donations to the Weatherby Lake 2016 Fireworks fund. We did not make our goal of \$15,000 but came close. We are still collecting donations at the City office. If you donated money and your name is not included on this list please contact the Weatherby Lake City Office as we had a few names that we couldn't read.

*Sincerely, Tanya Finn

September 22-24 - Families Garage Sale

The summer is coming to a close and with it we're already seeing the weather a bit cooler and feeling the touch of Fall upon us. We hope all our Weatherby lake kiddos had a great first day back to school and are back in the swing of things.

With Fall this year brings our Families Club garage sale. This year the sale will take place on September 22nd through the 24th. For those who don't know what this is, we hold a donation based garage sale each year to raise funds for our Families club. These funds support our family based events here at the lake such as the Trunk or Treat in October, the Easter Egg Hunt in April, etc. By donating your gently used items to this sale you help keep these activities and events alive and well in our community. We will begin taking donations on September 1st and will continue to take them up until the start day of the sale. Please make sure items are clean and in good working order. We will not be accepting any old televisions or computers/ monitors this year. If you have large items to donate please call me to set up a date to drop off. The address is 7720 NW Eastside Drive and my number is 816-419-3732. During this time we also appreciate donations of grocery sacks and small cardboard boxes. We typically need to borrow some folding tables also. We will need volunteers this year to help price items, run shifts during the sale, load and unload items each morning and evening, etc.

Last year Sarah and I did this on our own with only the help of our husbands. This year Sarah is back to work and I cannot do it on my own! Please let me know by text at the number above or by email if you can donate a bit of time to the cause this year. Email is crossashley54@gmail.com. Of course, all volunteers will get first pick shopping!

We also have our Trunk or Treat just around the corner. This event takes place at C Point on Halloween. We are hoping to get lots of Halloween costumes donated to the garage sale so that we can have a costume swap during the sale. This means, if you donate a costume, you can swap for another for free! So dig out the old costume collection and send them over. This year will be our 3rd year for the Trunk or Treat and we're very excited for it! Last year we had over 200 people attend and have a ton of fun. I'll have more information on this event in next month's newsletter as the date grows nearer. Until then, we'll see you all at the sale in September!

It takes a village, aren't you glad we live in a great one?

Next Meeting
September 13th - 6:30pm - C-Point

Tuesday 6:30pm, September 13th
Garden Club Meeting & cookout
At C-Point

Please join us for our annual cookout and election of officers. The club will provide brats and burgers and everyone should bring a pot luck side dish or dessert.

We will elect new officers for 2016.

Mike McDermott from Grass Pad will present the program.

You can RSVP to any of the officers below.

Please reply to my email or call any of the officers:

Kathy Lapp, President	(816) 741-9322
Cathey Bossert, Vice President	816-437-8525
Kathy Birmingham, Secretary-Treasurer	(816) 741-1753
Bernie Botbyl, Program Chairman	(816) 326-8268

Next Meeting
No Formal Meeting
Join up at C-Point on Saturdays

Sláinte!

That is the toast "Good Health" in Irish Gaelic.

Toasts are given in three parts.

For those about to "Loch", the Irish American Club salutes you!

To our kids in school, may they make the grades and follow the rules.

To our grapes on the vine, may their bouquet and their tannin join in as we dine.

And to our fish in the lake, may they put on our tables more flesh than they take.

Autumn brings many Irish/Celtic events in the area. Dates to watch:

Sept. 2-4: Kansas City Irish Festival

Sept. 22: Autumn Equinox

Oct. 7-9: Weston Irish Fest

Oct. 31: Samhain, the Celtic New Year and harvest festival, pronounced in Gaelic as "sow-ween" ... known in American English as "Halloween"

Nov. 1: All Saint's Day

Finally, due to the great support from our own volunteers and the enthusiasm of our WLPD event supporters, we are ready to advance our operational practices for the 2017 St. Patrick's Day fundraiser.

We are currently taking nominations or applications for a treasurer. The Treasurer is inherently excused from carrying kegs, mopping floors, and other unpleasantries that may befall the common troops. If you're interested, bring a 6-pack to the beach any Saturday afternoon, or text Darrell at 816-682-3252.

Thank you,

Weatherby Lake Irish American Club

Next Meeting Sept. 17th, 10am- Yoga & Massage

Longevity wants to see you live Younger Longer!

Sept. 17th: Long Distance Race and evening party

Y A C H T C L U B

Dear Weatherby Lake,

We have been very busy at the **Yacht Club** since our last letter and want to do a quick recap thanking you for your participation in our events.

On July 1st the **Light up the lake night** was a smashing success. Our honor to Lantz Welch was timely, appreciated, and colorful too. Thanks to all that came out and made this happen.

Then on the 28th of July we had the **Adaptive Sailing** event for the 5th year and had 34 kids come to experience something that was a special treat in their healing. The sailors and Weatherby volunteers also got a boost in their days too.

The Progressive Dinner July 30th was tremendous. We have so many people to thank for making this event possible. I am going to list many: Our hosts: Biffy and Bill Gradinger for the wonderful lakefront shade & appetizers. Pami & Augie for the use of the lake front, docks, furniture and chairs. The Nichols for the wonderful Lawn/outdoor space, dinner bell, kitchen for the chefs, deck, and power for the band. Don Coleman for the 56 Chevy, awesome touch, and hit the theme perfectly. The biggest thanks goes to Jennifer Hudak for creating in the face of all of it and making a terrific party/ fundraiser event. Amy Dirks, assistant social chair, Ashley Footer for her "yes we can do this" attitude and assistance. Rick Footer for the yummy cocktail creations, organization, being prepared, Mike Tetu for being a huge support, & Zack Stevenson for bartending. Steve Johnson for bringing the tunes at the appetizers. Shawn Swindle & Shawn Kirby for the wonderful food. And the list goes on and on, but a huge thank you to all that assisted, attended, and made donations. The Jr. Sailing program appreciates this event.

Jr. Sailing had a record 64 Children in the programs this year. Great job kids, instructors, and Perlik Family! We appreciate your work.

Adult Sailing by Bob Mulhall is in the second class and we thank Bob for his teaching! Watch for more classes next year!

Now some important words from our Race Chairman, Tony White:

So, you are quietly motoring in your pontoon boat on a Sunday afternoon when you suddenly see one or more sailboats rapidly approaching you. Oh my, you say to yourself. What should I do?

Generally, the Inland Rules of the Road, as promulgated by the United States Coast Guard, governs the operations of vessels on Weatherby Lake. In the situation above, when a motor driven boat and a sailboat are proceeding in such directions as to involve the risk of a collision, the motor or engine boat shall keep out of the way of the sailing boat. The motor driven boat shall, if necessary, slacken her speed or stop or reverse.

W.L.I.C. Regulations also state that no person shall operate a motor boat on the lake through or near a sailing competition or otherwise interfere with the competition.

Everyone has a right to enjoy our fantastic lake and amenities. The WLYC sailors enjoy competing for a couple of hours most Sunday afternoons during the racing season. Please, keep an eye out for them, enjoy the sights and sounds of yachts racing, and remember - they do not have a reverse gear!! Sailboat racing on Sunday is a scored sport competition. Please be aware. Tony White

Please join us for our next event **Sept. 17th: Long Distance Race and evening party** starting at 6:30 pm at C-Point. The band Chapter 5 will be performing that evening as well yummy food & drinks will be served for a small \$15.00 per person fee. Kid's under 5 free and under 13 \$5.00.

Enjoy the rest of Summer!

Warm regards,

Kimmer

ENJOY YOUR SUMMER

SEE YOU IN OCTOBER

Enjoy the anticipation!

“Well," said Pooh, "what I like best," and then he had to stop and think. Because although Eating Honey was a very good thing to do, there was a moment just before you began to eat it which was better than when you were, but he didn't know what it was called.”

— [A.A. Milne, Winnie-the-Pooh](#)

NEIGHBORS HELPING NEIGHBORS

Caring and Temporary Assistance for Weatherby Residents in Time of Need

NHN is a community program for all of us to help each other in times of need, such as illness or other circumstances that limit our abilities, the death of a loved one, shut-ins, or in any way that one might need simple short term assistance. We do not take the place of professions or replace family responsibilities. We are your next door neighbors who are willing to volunteer help where we can, and we need YOU to help be a part of watching out for one another. Is there a category below that you might like to be a team member? Typically, you would not be called on more than once or twice a year.

For general questions and information, contact **Pat Medill, 741-1569** PRMedill@aol.com

CHILD CARE: Babysitting in an emergency situation. **Bernie Botbyl 326-8268** BTBStar@aol.com

COMMUNICATIONS: Being a part of a phone chain if urgent information is necessary. **Judy Maher 587-2213** judykm@kc.rr.com

COMMUNITY RESOURCES: Refer reliable assistance in any category that we have a screened referral. **Jan Leonard 547-0058** jan-rich2@kc.rr.com.

GRIEF SUPPORT: Offer comfort and friendship to someone grieving the loss of a loved one. Help locate grief support groups. Share a message of hope. **Kathy Birmingham 741-1753** d.birmingham@sbcglobal.net

HOME MAINTENANCE: Offer assistance once or twice with minor tasks, or help with referrals. Examples: Lawn mowing or snow removal until a permanent service is located. Need contact volunteer.

HOUSEKEEPING: Taking a turn with lite cleaning, laundry, mail pick-up, etc. **Bernie Botbyl 326-8268** BTBStar@aol.com

MEALS: Provide a one-time covered dish to assist during an illness or death in the family. **Kathy Birmingham 741-1753** d.birmingham@sbcglobal.net

QUALITY OF LIFE ADVOCATE: Offer help and direction, especially to those alone and the elderly, to learn ways to increase their quality of life through age appropriate exercises and nutrition. Friendly visits to a shut-in with a message of encouragement. Be a trusted and confidential listener. **Mike Hudak 898-7877** drhudak@sbcglobal.net

NOTE: A sub-committee of volunteers who work with Therapy Dogs is available, as well. For Therapy Dog information contact **Tony & Pat White 741-3100** PatWhite05@icloud.com

RESPIRE CARE: Help with personal needs...bathing, hair care, etc **Bonnie Kreider 587-9260** Robare68@yahoo.com

SPIRITUAL PRAYER LINE: Being willing to offer spiritual support for those requesting prayers. **Pat Medill 741-1569** PRMedill@aol.com

TRANSPORTATION: Provide transportation to appointments or the grocery store...or pick up needed items locally. **Nancy Potter 505-1873** NPotter1@kc.rr.com

OUTREACH PROGRAM AWARENESS: Promoting the NHN program to all residents...encourage others to be comfortable in asking for help for self or a neighbor. **Traci Miller 816-260-1846** traciekmiller@gmail.com

NOTE: If you know a reliable skilled resource for any of the above categories, please let us know: PRMedill@aol.com

Weatherby Single Friends is for all single residents on the Lake, including never married, divorced, or widowed. This is a great support and social group that gets together every month.

Fun outings, home dinners, creative discussions, service projects, etc. This is NOT a match-up or dating group, just good friends having fun, and supporting one another.

Contact: Kathy Birmingham. 741-1753
