Congratulations to Bob Chaney

2016 Joseph A. Sherman Award Winner

Left to right: Brad Meyer, Laura Welch, Bob Chaney, Rick Neece

The Joseph A. Sherman Community Service Award was created and funded by the Welch Family Foundation in 1993 in memory of Lantz's friend, neighbor and colleague. Criteria to receive the award includes being a resident of the community of Weatherby Lake, engage in activity as a volunteer which results in improving the quality of life at Weatherby Lake, serves as an inspiration of the value of community service, and seeks to improve the community which is sufficient reward without personal gain.

As has been with many past winners of this award, this year's recipient Bob Chaney is the type of person who does so much in the background of our community without any expectation of acknowledgment or accolades.

He brings with him a service spirit, sharp wit, and broad set of skills. After moving here in 2010 with his wife Teresa, he quickly became a champion for this special community we live in and he consistently exhibits a selfless commitment to Weatherby Lake. A few of his contributions include:

- Helps with installing Christmas lights at C-Point
- Volunteers with the team that paints all the tables and garbage cans at the Access Areas. And oversaw the removal of dead trees.
- Helped maintain gravel sidewalks to the boat ramps at a number of access areas.
- As the summer season comes to a close, he winterizes the C-Point bathrooms and Pavilion to ensure there's no damage as the weather gets colder.
- He designed and installed the sun sails and helped install the courtesy bench at C-Point Beach
- He engineered and personally installed an erosion and drainage control system in one of our access areas.
- He is the go-to guy for Access Area lighting whether it's keeping streetlamps, marine pods or the Pavilion and Bathrooms alit and has been migrating all to LED to save energy and the Membership's money.
- Uses his welding skills for many jobs around the lake including making handrails for the shower walkway at C-Point and other Access Areas
- He contributed to the installation and continues to assist with the maintenance and emergency needs of the security gates at C-Point and Venita.
- He recently helped make it easier for more of the membership to enjoy the water by designing, building and installing 11 racks to meet the growing popularity of kayaking, canoeing and paddle-boarding.
- He helped govern the direction of the WLIC by volunteering on the WLIC Board of Directors for three years, serving as Vice-President for 2, Chaired the Property Management committee and continues to serve as co-Chair
- And, the list could go on and on as he is always available to lend working hands, an ear or an opinion on all things related to Weatherby Lake.

Please join in congratulating this year's Joseph A. Sherman Award winner. Bob Chaney.

SOMETHING TO THINK ABOUT

We have just come off of a holiday of giving thanks and gratitude, and headed into one of sharing peace and goodwill. So, maybe our thoughts and attitude are leaning a bit more towards love and kindness??

I was chatting with a stranger on a recent flight about the presidential election. She was expressing her feelings of "hatred" towards a particular candidate. While I did agree with her reasons, I actually do not "hate" her candidate. But, it did get me to thinking how strongly we can come to feel about people we don't personally know. In fact, we often have strong negative feelings about people we do know personally, or at least think that we know them personally. Isn't there always a lot of private information that we never know about someone...and should never know?

I think it is normal to dislike your enemies, but I don't think it is acceptable to decide who are our enemies without knowing why we call them an enemy. Have we ever developed a real dislike towards someone based on no real solid reason, or maybe a feeble reason. Why do we do that? Maybe we felt ignored by a friend, not knowing they were dealing with a frightening medical diagnosis. Or, maybe we heard they were going on a fabulous vacation, and we felt like we deserved that getaway more. Sometimes we decide to dislike another for no definable reason...it's just a feeling we have. Why?

I'm not saying we should all be best friends indiscriminately, but I am suggesting that we examine why we put certain people in that "enemy" category, when we don't have a valid reason. Of course there are those whom we should avoid, but if we are going to call anyone an

enemy, we should know the "why". And, why does this practice have value? If for no other reason than to have less hatred and perhaps to promote more fairness and kindness. After all....it's the season to practice giving, and maybe to make a few personal changes. It's something to think about.

MERRY CHRISTMAS &
HAPPY NEW YEAR.

*Peace & Goodwill -
Pat Medill*

Dear Friends and Neighbors:

Welcome to the holiday season. I truly hope that each of you have had a special Thanksgiving celebration enjoying family, friends and good food. The month of November finally brought in some colder weather after starting off by setting record high temperatures. Looks like winter is finally here.

Let me start by recognizing a member of our Police Department, who also works as the Chief of Police for Lake Waukomis, Don Hachman who recently received the "Patriotic Employer" award. This award is presented by the Department of Defense Employer Support of the Guard and Reserve "for contributing to National Security and protecting liberty and freedom by supporting employee participation in America's National Guard and Reserve Force". Please join with me in congratulating Donnie on this high achievement.

I recently attended the annual Awards dinner for the Weatherby Lake Yacht Club at the Community Center and was impressed by the participation and amount of award categories that were presented. My congratulations to all who received recognition and awards that evening.

Speaking of the Community Center, the new refrigerator was installed last month providing more space for caterers to house food for events. I have heard good things about it and it adds to the many upgrades we have made to enhance the hall usage over the last two years. We continue to receive responses to our recent survey about renter experiences and will conclude that survey at the end of December and provide a report for review.

The annual budget for the City of Weatherby Lake was approved at the November Board of Alderman meeting and I am pleased to announce that for the second year in a row we will experience a decrease in our annual tax rate (as I reported in the September Newsletter). And, for the third year in a row there will no increase in our water rates. My thanks to City Treasurer, Marianne Ennett, the staff, and Board of Aldermen members as we continue to work together to ensure that we provide a fiscally responsible approach to the financial management of our City's resources.

I was very pleased to participate in our annual Veteran's Day celebration conducted in Birmingham Park on November 11th. The group of dedicated individuals that Support Weatherby's Adopted Troops (SWAT) hosted the program which included a guest speaker from Fort Leavenworth, a wreath placing at our veteran's monument provided by the City, and serving of light refreshments. My thanks to all for remembering and honoring our nation's vets.

To my surprise, the grinder pump alarm at my home went off one mid-morning and I immediately ceased my water usage and called the number provided by the city. Within an hour, the team arrived and replaced the failing pump. With water back on we tested the replacement pump, reset the alarm, and all was good to go. My thanks to the city employees for their quick response and to my neighbor who heard the alarm before I did.

Well, it has now been 6 months since I officially retired from full time employment and I have enjoyed being a full time mayor working each day on your behalf. I continue to meet the many new residents joining the Weatherby Lake family and I am very excited to see so many children enjoying our parks and recreation activities.

As we continue to enjoy this beautiful holiday season, I would like to share a poem by Ada Hendricks that says: "May you have the gladness of Christmas which is hope; the spirit of Christmas which is peace; and the heart of Christmas which is love." I wish only the best for each of you as we prepare to welcome a new year together. Live life well in Weatherby Lake.

MERRY CHRISTMAS, HAPPY NEW YEAR AND PLEASE BE SAFE!

The Holiday Season is a wonderful time of the year but it can also be a dangerous one. Be especially cautious when shopping. Be very watchful of your children and keep them close to you. Shopping in groups is advised. Be aware of other shoppers around you. If you feel you are being followed call 911 on your cell phone. Find a Security Guard or walk to a crowded place. Try to shop during the day. If you must shop at night try to park in well-lighted areas. If you feel uncomfortable about walking to your vehicle, have a security person walk you to your vehicle, ask a store clerk to watch you or call the police. Have your keys ready before you walk to your vehicle. Be aware of vans parked close to your vehicle, thieves and kidnappers often use that type of vehicle.

ALCOHOL IMPAIRED DRIVING

Too much Christmas or New Year's cheer can be very dangerous. If you are going to celebrate and alcohol will be involved, please don't drive. Call a friend, have a designated driver or use a taxi service. Driving while impaired is very dangerous for not only you but others around you. It can also be very expensive if stopped by the police and charged. Holiday safety is everyone's business. If you have been drinking please don't drive.

WINTER SAFETY

If you drive often during the winter, whether you take short trips or long, please consider carrying a winter storm kit in your vehicle. Please consider some of the items listed below for your kit;

flashlight	compass	windshield scraper
maps	sand	paper towels
chains	blankets	extra clothes
matches	candles	jumper cables
extra batteries	water	
high calorie non-perishable foods	cellular phone	
GPS system	cell phone charger

Dispatcher - 816.858.3521
Water Patrol - 816.807.6700

WINTER DRIVING

Winter driving can be extremely dangerous. The combination of low temperatures and precipitation may result in extremely hazardous conditions on the roadway. If the roadway looks damp be careful, it could be icy. Often snow is preceded by light mist or rain. This can cause ice to form under the snow. Check your tire pressure and tread depth before the storms hit. Even though our road crew does an excellent job of snow removal and ice control, driving may still be dangerous. Try to keep your trips to a minimum. If you must travel please be observant and watch for dangerous conditions. The best plan is to stay put until the roads are clear.

LOCK YOUR HOMES- SET YOUR ALARM SYSTEM

Residential burglaries occur during the Holiday season. They are primarily daylight burglaries. Thieves will knock on the front door or ring the door bell. If there is no answer the thieves kick the door in and burglarize the home. Please exercise care in locking your home and setting the alarm when you leave. Don't open your door for people you don't know. If in doubt call 911.

"If you can't love your enemies, at least try to treat your friends a little better."

W.L.I.C. Update

WLIC Update

We hope you had a great Thanksgiving and are looking forward to a peaceful, productive and festive Holiday Season and New Year.

The Lake is stabilized at a lower level and Members are busily engaged in their seawall repairs. The WLIC is also repairing several access area seawalls and the dam spillway. Let's hope the weather continues to hold. Speaking of which, we would ask all Members to clean up any trash on their property and/or nearby access areas since the water level is low and the weather is reasonable. Please help us keep our Lake beautiful.

Since the last newsletter, the WLIC held their Annual Meeting on November 1st. Approximately 90 Members and over 100 participants attended. Three current Directors (Steve Ogden, Todd Maxwell and Rick Neece) were reelected for three year terms along with one new Director, Tom Wind. Members also participated in a round table brainstorming session on current and future topics facing the Lake. This lively discussion is being summarized and will be communicated to all Members. These topics will also be further discussed by the Long Range Planning Committee of the WLIC over the next months. The WLIC wishes to thank the Members who moderated the round table discussions. Check out our website <http://wlic.org/index.html> for a quick video of the brainstorming session.

At the November Board Meeting, the following officers were elected by the Board:

President – Rick Neece

Vice President – Paul Harte

Secretary – Don Coleman II

Treasurer – Tom Henke

The Board also finalized changes to the Rules and Regulations that were previously submitted to the Membership, effective November 21, 2016.

Finally, the Board discussed the change in the Flight Path from KCI over the Lake and authorized the President to send a letter to the Kansas City Airport Authority expressing our concern with the current flight paths creating a safety hazard related to potential collisions with migratory water fowl over the Lake. The letter requests a meeting with the Authority to develop a cooperative plan to mitigate this potential safety hazard. The WLIC will keep the Membership updated with further developments.

Finally, we at the WLIC wish everyone a happy Holiday Season!

MAILBOX VANDALISM

Sometime between 10:00 P.M., November 22 and 2:00 A.M., November 23, someone struck and damaged at least ten

mailboxes on Potomac Road with what appears to have been a baseball bat.

The Police Department is investigating these acts of vandalism and needs your help. Please report anything you may have seen or heard regarding these acts to the Weatherby Lake Police Department at 816-741-8111. Any information is appreciated.

Did you Know

Along with having wonderful amenities, Weatherby Lake can be an asset when paying sales tax. Pay attention to your tax rate on deliveries, newspapers, etc.

Always refer to Weatherby's tax rate when making any purchase, especially large items such as an auto, etc.

You could save big!

Thomas (Tom) Crafton

Our deepest sympathies are extended to Mary Crafton and family on the recent death of Tom. Long-time residents of Weatherby Lake. Thomas was a [World War II Army](#) veteran and a retired TWA captain, after over 30 years of service. He truly enjoyed reading, music, and cutting grass at his airport. He will be missed by many friends, family and neighbors.

Know Thy Neighbor

A monthly social gathering, to meet new friends, in the homes of our neighbors.

The first two Know Thy Neighbor events were lots of fun! There will be no event in December but we will resume in January. Keep these dates in mind

**The January Know Thy Neighbor event notice will go out Jan. 7th
RSVP date by Jan 14th**

**The January Know Thy Neighbor event will be Saturday, Jan 21st
We look forward to seeing you there.**

On the third Saturday of each month from October through May, except in December, volunteer Weatherby Lake residents rotate hosting a casual social gathering in their homes. There are two options for the events each month, either an informal dinner, or a cocktail party. You can choose to participate in either one. Six to ten residents are randomly assigned to each host home, but neither the host nor the guest knows the other neighbors attending their event.

The focus for both of these events is not the meal, but rather on meeting new neighbors, developing new friendships, and getting better acquainted with each other.
